As we adapt to the complex world surrounding us, we are constantly bombarded with both negative and positive concepts about who we are supposed to be. The most negative messages of all come from within our own thought patterns which were programmed in our early years. Parents, siblings, teachers, family, and friends all help to create our vision of who we are and who we may become. This book examines the harmful messages that our own inner voice contributes to our self-doubt and fear about success, happiness, and love. Most importantly, this book provides strategies to suppress that defeatist voice and points the way towards a more successful and happy life. If you have ever felt not good enough, this book is for you.

Who Do You Think You Are? Mark Driscoll, 2013-01-07. WHO ARE YOU? WHAT DEFINES YOU? WHAT IS YOUR IDENTITY? How you answer those questions affects every aspect of your life, personal, public, and spiritual. So it's vital to get the answer right. Pastor and best-selling author Mark Driscoll believes false identity is at the heart of many struggles, and that you can overcome them by having your true identity in Christ. In *Who Do You Think You Are?*, Driscoll explores the question: What does it mean to be in Christ? In the process, he dissects the false identity epidemic and more importantly, provides the only solution: Jesus. This book will give you an unshakeable biblical understanding of who you are in Christ. When you know who you are, you'll know what to do. Craig Groeschel, Senior Pastor of LifeChurch.tv and author of *Soul Detox: Clean Living in a Contaminated World*, spent years in ministry for Christ without understanding his identity in Christ. I know now that I was not alone. When, by the grace of God, we understand who we are in Christ, everything else can crumble, and we will still be
