## **Who Was Saint Patrick:**

**Who was Saint Patrick?** E. A. Thompson, 1999 Those who want to know what manner of man Patrick was something about the Roman world in which he originated and the problems he faced among the Irish will find this book helpful and satisfactory Patrick is allowed to emerge from his own accounts And what an impressive figure he was TABLET Thompson has presented Patrician scholars with some intriguing new hypotheses in a field where hypotheses abound These have the virtue of relying solely on the only reliable source bearing on Patrick namely his own writings HISTORY Everyone knows of St Patrick but what do we know about him Simply that it was he who converted the Irish to Christianity The strange fact is that for two hundred years or so after his death although his name was remembered with respect everything else about him was forgotten E A Thompson pieces together the story of his life drawing his evidence from the only real clues that exist Patrick's own writings not from the later Lives He reveals him as coming from a well to do nominally Christian family in Britain being captured by Irish raiders and forced into slavery in Co Mayo converting to a most earnest Christianity and eventually escaping from Ireland to the fulfilment of his calling As a bishop he is shown to have been a man of profound originality and his writings his Confession and his Letter to Coroticus further display his character It is no surprise that a host of legends became attached to his name and the biography is completed with a look at some of those early legends

**The Confession of St. Patrick and Other Writings** Saint Patrick, 2018-02-28 Saint Patrick was a fifth century Romano British Christian missionary and bishop in Ireland Known as the Apostle of Ireland he is the primary patron saint of Ireland He is also venerated in the Anglican Communion the Old Catholic Church and in the Eastern Orthodox Church as equal to the apostles and Enlightener of Ireland This volume contains The Confession of St Patrick an autobiography written in the fifth century It provides details of his life and beliefs This classic continues to fascinate and inspire many The book also contains St Patrick's Epistle to Coroticus a letter written by Patrick after he had lived and worked as a bishop in Ireland for many years It is a scathing letter St Patrick wrote to British tyrant Coroticus and the British Christians condemning the kidnap and killing of Christian converts St Patrick repeatedly uses scripture to strengthen his argument against Coroticus and to implore his men and followers to change their ways The volume also contains St Patrick's Metrical Life of St Patrick and Tripartite Life of St Patrick Parts I II and III *The Confession of Saint Patrick* Saint Patrick, 2013-01-22 Contrary to what many people believe The Confession of Saint Patrick is not an autobiography There are some autobiographical elements contained within but it's more of a long letter written towards the end of his life in defense of a personal attack made against him by those in a position of power and authority The Confession is so steeped in theology and scripture that even in modern times Patrick's intelligence and education show through Reading his Confession it becomes quite clear that no matter what else you might say about St Patrick's intelligence or authority he was definitely a person rooted in the Bible St Patrick's Confession will prove a good read for Christians and non believers alike Any good man's regrets or his handle on his faith

should give anyone of conscience pause for personal reflection No man save the one leaves this life innocent of sin and St Patrick's Confession should endear him to everyone      **Discovering Saint Patrick** Thomas O'Loughlin,2005 The search for the real Saint Patrick has puzzled and intrigued scholars for centuries This new study asks How much can we really know about the life and times of Patrick Why and how was the Patrick myth built up in the seventh century and what was its influence on the development of Irish Catholicism Motivation      **The Writings of Saint Patrick, the Apostle of Ireland** Saint Patrick,Charles H.
