Hitchens,2009 The book is one of a kind that speaks to the heart of the issues that face schools around the country the plight of black boys The author provides the reader with a clear view on why black boys fail in public schools After reading the book teachers parents and the students are encouraged to know that with support direction and encouragement black boys have the God given potential to reach success This book is unique because was designed to be in the student s hand in the classroom This book can be used as a current textbook that provides insight to them about their struggle So often teachers study the concerns of the students they serve but there are few times when the student and teacher can study the issues together and later come up with possible solutions This book offers such opportunities for the teacher and the student
