

An aerial photograph of a vast, mountainous landscape. The terrain is a mix of green and brown, suggesting a mix of vegetation and bare earth. In the center, a prominent, dark, rocky peak rises from the surrounding hills. The sky is overcast with soft, grey clouds. The overall tone is somber and atmospheric.

Why God Calls Us To Dangerous Places:

Why God Calls Us to Dangerous Places Kate McCord, 2015-08-14 Perhaps that's the greatest reason why He calls us to dangerous places so that we will know His astonishing sacrificial life restoring love Why God Calls Us to Dangerous Places is about what is lost and what is gained when we follow God at any cost Soon after 9 11 Kate McCord left the corporate world and followed God to Afghanistan sometimes into the reach of death Alive but not unscathed she has suffered the loss of many things comfort safety even dear friends and fellow sojourners But Kate realizes that those who go are not the only ones who suffer Those who love those who go also suffer This book is for them too Weaving together Scripture her story and stories of both those who go and those who send Kate considers why God calls us to dangerous places and what it means for all involved It means dependence It means loss It means a firmer hold on hope It can mean death trauma and heavy sorrow But it can also mean joy unimaginable Through suffering we come closer to the heart of God Written with the weight of glory in the shadow of loss Why God Calls Us to Dangerous Places will inspire Christians to count the cost and pay it *Scatter* Andrew Scott, 2016-04-15 You were created for one purpose live your life for God's glory You need no further special call You have been created uniquely to do this uniquely so work out what you're passionate about good at and fit for and go do it Andrew Scott In Scatter missions innovator Andrew Scott sounds a call for a new era of missions one that uses the global marketplace for gospel growth and sees every Christian engineer baker pastor or other as God's global image bearer Andrew has served in over 52 countries and is the U.S. president of one of the world's largest mission agencies With eyes on a quickly growing world and a slower growing church he sees that our traditional mission models simply won't do Here he gives a guide to change it up Helping us see the grand narrative of Scripture and how each of us fits within it he issues a compelling call scatter **The Yes Effect** Luis Bush, 2017-09-05 From the missions strategist behind The 10 40 Window In 1990 Luis Bush helped change modern missions by introducing the concept of the 10 40 window a geographic region where large dense populations of people suffered severe poverty and limited access to the gospel essentially shining a light on the world's greatest need Now after decades spent serving in global missions mobilization Luis has a unique perspective on what God is doing around the world Though statistics and maps can be a great place to start The Yes Effect reveals that true transformation begins when we restart our hearts getting in sync with God's tenderness toward the oppressed and regaining compassion for the lost In The Yes Effect Dr Bush shares his own story as well as inspiring stories of individuals and organizations around the world whose acts of love and justice are bringing hope and transformation in places of misery and immobility From the orphans weeping in Bihar India to garbage collectors in Cairo Egypt from the single mom trying to find a way to feed her family as a Syrian refugee to the church cowering under government control God is at work in surprising places And this transformation is sparked when ordinary people say yes to God igniting an ongoing global chain reaction that sees glimpses of God's kingdom springing up all over the world Ultimately The Yes Effect will give you an encouraging window

into worldwide efforts to spread the gospel and it will inspire you to give God your yes and like so many others before you become part of God's global story of transformation

Messiology George Verwer, 2016-04-15 Can God make something of this mess If anyone can create the term messiology it's George Verwer Founder of the world's largest missions organization George has spent nearly 60 years leading gospel movements around the globe Witness to not a few failures including his own he can still say this I believe history will show that God was doing way more in the midst of our messes than we realized at the time In Messiology George reflects on his life and ministry to remind us that God works in mysterious ways He cautions us from getting critical He urges us toward love patience affection and grace Major in the majors minor in rest and trust God always even in failure Read Messiology and remember that we're better together even when we fall

Why God Calls Us To Dangerous Places Introduction

In the digital age, access to information has become easier than ever before. The ability to download Why God Calls Us To Dangerous Places has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Why God Calls Us To Dangerous Places has opened up a world of possibilities. Downloading Why God Calls Us To Dangerous Places provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Why God Calls Us To Dangerous Places has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Why God Calls Us To Dangerous Places. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Why God Calls Us To Dangerous Places. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Why God Calls Us To Dangerous

Places, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Why God Calls Us To Dangerous Places has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
