Wintering A Novel Of Sylvia Plath

Carl Rollyson

Wintering A Novel Of Sylvia Plath:

Wintering Kate Moses,2003-10-14 This engrossing d but novel depicts Sylvia Plath s feverish artistic process in the bitter aftermath of her failed marriage to Ted Hughes the few excruciating yet astoundingly productive weeks in which she wrote Ariel her defining last collection of poems In December 1962 shortly before her suicide Plath moved with her two children to London from the Hughes s home in Devon Focusing on the weeks after their arrival but weaving back through the years of Plath s marriage Kate Moses imagines the poet juggling the demands of motherhood and muse shielding her life from her own mother and by turns cherishing and demonizing her relationship with Ted Richly imagined yet meticulously faithful to the actual events of Plath s life *Wintering* is a remarkable portrait of the moments of bravery and exhilaration that Plath found among the isolation and terror of her depression *Wintering* Kate Moses,2003-02-11 Publisher Description

Sylvia Plath Paul Mitchell,2011-11-28 Sylvia Plath es una de las poetas m s conocidas y controvertidas del siglo XX Desde su muerte en 1963 el debate cr tico sobre su obra ha sido animado y en ocasiones incluso hostil Esta obra ilustra c mo leer a Plath desde una perspectiva alternativa utilizando la teor a de Julia Kristeva sobre el lenguaje pol tico y que permite una apreciaci n de los poemas que va m s all de lo biogr fico al hacer nfasis en cambio en los textos de ese modo se engrana con la primera persona como una herramienta heur stica compleja e inestable Al explorar los poemas en t rminos de su trascendencia en lugar de centrarse exclusivamente en su significado explora la manera en la que la obra de Plath produce una crisis de subjetividad oratoria y a partir de ah emerge la naturaleza revolucionaria de la voz po tica **Claiming Sylvia Plath** Marianne Egeland,2013-02-14 Over the years Sylvia Plath has come to inhabit a contested area of cultural production with other ambiguous authors between the highbrow the middlebrow and the popular *Claiming Sylvia Plath* is a critical and comprehensive reception study of what has been written about Plath from 1960 to 2010 Academic and popular interest in her seems incessant verging on a public obsession The story of Sylvia Plath is not only the story of a writer and her texts but also of the readers who have tried to make sense of her life and work A religious tone and a rhetoric of accountability dominate among the devoted Questing for the real or true Sylvia they share a sense of possessiveness towards outsiders or those who deviate from what they see as a correct approach to the poet In order to offer a new and more nuanced perspective on Plath s public image the reception has been organized into interpretive communities composed of critics feminists biographers psychologists and friends Pertinent questions are raised about how the poet functions as an exemplary figure and how and by whom she is used to further theories politics careers and a number of other causes Ethical issues and rhetorical strategies consequently loom high in *Claiming Sylvia Plath* The book may be employed both as a guide to the massive body of Plath literature and as a history of a changing critical doxa Why Sylvia Plath has been serviceable to so many and open to colonization is another way of asking why she keeps on fascinating all kinds of readers worldwide *Claiming Sylvia Plath* suggests a host of possible answers It includes an extensive Plath bibliography *Representing Sylvia Plath* Sally

Bayley, Tracy Brain, 2011-08-11 Interest in Sylvia Plath continues to grow as does the mythic status of her relationship with Ted Hughes but Plath is a poet of enduring power in her own right This book explores the many layers of her often unreliable and complex representations and the difficult relationship between the reader and her texts The volume evaluates the historical familial and cultural sources which Plath drew upon for material from family photographs letters and personal history to contemporary literary and cinematic holocaust texts It examines Plath's creative processes what she does with materials ranging from Romantic paintings to women's magazine fiction how she transforms these in multiple drafts and the tools she uses to do this including her use of colour Finally the book investigates specific instances when Plath herself becomes the subject matter for other artists writers film makers and biographers *Modern Confessional Writing* Jo Gill, 2006 This collection of essays provides a critique of the popular and powerful genre of confessional writing Contributors discuss a range of poetry prose and drama including the work of John Berryman Anne Sexton Ted Hughes and Helen Fielding

The Female Figure in Contemporary Historical Fiction K. Cooper, E. Short, 2012-10-29 From *The Other Boleyn Girl* to *Fingersmith* this collection explores the popularity of female centred historical novels in recent years It asks how these representations are influenced by contemporary gender politics and whether they can be seen as part of a wider feminist project to recover women's history **The American Biographical Novel** Michael Lackey, 2016-04-07 Before the 1970s there were only a few acclaimed biographical novels But starting in the 1980s there was a veritable explosion of this genre of fiction leading to the publication of spectacular biographical novels about figures as varied as Abraham Lincoln Ludwig Wittgenstein Friedrich Nietzsche Emily Dickinson Virginia Woolf Henry James and Marilyn Monroe just to mention a notable few This publication frenzy culminated in 1999 when two biographical novels Michael Cunningham's *The Hours* and Russell Banks' *Cloudsplitter* were nominated for the Pulitzer Prize and Cunningham's novel won the award In *The American Biographical Novel* Michael Lackey charts the shifts in intellectual history that made the biographical novel acceptable to the literary establishment and popular with the general reading public More specifically Lackey clarifies the origin and evolution of this genre of fiction specifies the kind of truth it communicates provides a framework for identifying how this genre uniquely engages the political and demonstrates how it gives readers new access to history **Wintering** Kate

Moses, 2002-02-17 *Sylvia Plath Day by Day, Volume 2* Carl Rollyson, 2024-08-15 Since her death in 1963 Sylvia Plath has become an endless source of fascination for a wide audience ranging from readers of *The Bell Jar* her semiautobiographical novel to her groundbreaking poetry as exemplified by *Ariel* Beyond her writing however interest in Plath was also fueled in part by the nature of her death a suicide while she was estranged from her husband Ted Hughes who was himself a noteworthy British poet As a result a steady stream of biographies of Plath projecting an array of points of view about their subject has appeared over the last fifty five years Now biographer Carl Rollyson the author of two previous biographical studies of Plath has surveyed the vast amount of material on Plath including her biographies her autobiographical writings

and previously unpublished material and distilled that data into the two volumes of Sylvia Plath Day by Day As the follow up to volume 1 volume 2 commences on February 14 1955 the day Plath wrote to her mother declaring her intention to study in England a decision that marked a major turning point in her life With brief signposts provided by the author this volume follows Plath through the entirety of her marriage to Hughes the challenges of simultaneously raising a family and nourishing her own creativity and the major depressive episodes that ultimately led to her suicide in 1963 By providing new angles and perspectives on the life of one of the twentieth century s most celebrated poets Sylvia Plath Day by Day offers a comprehensive image of its enigmatic subject

Delve into the emotional tapestry woven by in **Wintering A Novel Of Sylvia Plath** .
