Theatre Under the Nazis John London, 2000 Were those who worked in the theatres of the Third Reich willing participants in the Nazi propaganda machine or artists independent of official ideology To what extent did composers such as Richard Strauss and Carl Orff follow Nazi dogma How did famous directors such as Gustaf Gründgens and Jürgen Fehling react to the new regime Why were Shakespeare and George Bernard Shaw among the most performed dramatists of the time And why did the Nazis sanction Jewish theatre This is the first book in English about theater in the entire Nazi period The book is based on contemporary press reports research in German archives and interviews with surviving playwrights actors and musicians

Will Quadflieg Minu Shareghi, 1997 *Shakespeare on the German Stage: Volume 2, The Twentieth Century* Wilhelm Hortmann, Michael Hamburger, 1998-05-28 Shakespeare has been a central figure in German literature and theatre This book tells the story of Shakespeare in the German speaking theatre against the background of German culture and politics in the twentieth century It follows the earlier volume by Simon Williams on the reception of Shakespeare during the previous 300 years Shakespeare on the German Stage 1586-1914 Hortmann concentrates on the two most important and fruitful periods the years of the Weimar Republic 1919-1933 and the turbulent decades of the sixties and seventies when the German theatre

was revitalised by a stormy marriage of avant garde art and revolutionary politics A section by Maik Hamburger covers developments in the theatres of the German Democratic Republic Hortmann focuses on the most representative and colourful directors and actors describing and illustrating individual productions as examples of particular trends or movements

Lusitania Willi Jasper, 2016-01-01 On 7 May 1915 the Lusitania a large British luxury liner was sunk by a German submarine off the Irish coast Nearly 1 200 people including 128 American citizens lost their lives The sinking of a civilian passenger vessel without warning was a scandal of international scale and helped precipitate the United States decision to enter the conflict It also led to the immediate vilification of Germany Though the ship's sinking has preoccupied historians and the general public for over a century the German side of the story has remained largely untold until now Willi Jasper provides a comprehensive reappraisal of the sinking and its aftermath focusing on the German reaction and psyche The attack on the Lusitania he argues was not simply an escalation of violence but the signalling of a new ideological moral and religious dimension in the struggle between German Kultur and Western civilization Jacket **Nazi Cinema's New**

Women Jana F. Bruns, 2009-04-27 This book examines the careers of three of Nazi cinema's preeminent movie actresses painting a unique portrait of mass entertainment and stardom under Nazi rule Bruns uses undiscovered sources and a new approach which integrates visual analysis within a thorough political and social context to trace how the Nazis tried to use films and stars to build National Socialism This analysis focuses on female stars an important but largely unexplored area because they were mostly responsible for Nazi cinema's spectacular commercial success and political failure Challenging earlier studies which view Nazi cinema as an effective propaganda instrument that helped turn Germans into devoted Aryan mothers and tough warriors the book shows that the Nazi regime's liaison with the cinema was ambivalent Films failed to disseminate a coherent political message and to Nazify German society However they helped the regime maintain power by diverting people's attention from the brutality of Hitler's rule and eventually from impending defeat **Will Quadflieg**

Jürgen Flimm, 1994 Enthält neben Würdigungen und Erinnerungen von Freunden und Kollegen auch literarische Lieblingstexte und eigene Texte des Schauspielers mit zahlreichen Fotos aus Theateraufführungen und Filmen sowie Rollenübersichten und Diskographie **Rechtskultur** Peter Mankowski, 2016-10-06 English summary Legal culture has become a

key notion in law and society But how to describe it How does it emerge Where are its roots and foundations Which elements constitute it Peter Mankowski provides answers by highlighting its development and structures Rather than establishing a grand theory his work looks at different contexts and offers at its core a comparative anecdotal approach to a complex multifaceted notion Aiming to provoke thought and encourage discussion the author depicts the societal religious and ideological traditions surrounding legal culture which has to be dynamic to keep pace with progress in society science and technology An international phenomenon legal culture looks at individuals and their relationships to society and community Its often media influenced public perception and own image within the legal profession are further constituent parts In short

legal culture is colourful and mirrors the vitality of law and life German description Rechtskultur ist ein zentraler Begriff in Recht und Gesellschaft Was aber ist Rechtskultur Wie entsteht Rechtskultur Welche Facetten hat Rechtskultur Rechtskultur ist ein Versuch Antworten Konturen und Strukturen zu entwickeln Peter Mankowski will dabei keine Grosstheorie aufstellen sondern Zusammenhänge aufzeigen Er bietet im Kern eine rechtsvergleichend anekdotische Annäherung an einen schwierigen und vielschichtigen Begriff Dabei will er Anstöße geben und anregen Rechtskultur steht in gesellschaftlichen religiösen und ideologischen Traditionen Rechtskultur ist dynamisch Sie muss versuchen mit gesellschaftlichen wissenschaftlichen und technischen Entwicklungen Schritt zu halten Rechtskultur speist sich aus der Wahrnehmung der Laien vermittelt durch Bilder in Medien ebenso wie aus dem Selbstverständnis der Juristen Rechtskultur bezieht sich auf den Einzelnen ebenso wie auf dessen Verhältnis zu Gemeinschaften Rechtskultur zeigt sich in internationalen Kontexten Rechtskultur ist so bunt und vielgestaltig wie das Recht und das Leben selber

Veit Harlan Frank Noack, 2016-04-08 Veit Harlan 1899 1964 was one of Germany's most controversial and loathed directors After studying with theatre and film pioneer Max Reinhardt and beginning a promising career he became one of Joseph Goebbels's leading filmmakers under the National Socialist regime Harlan's Jud Süss Jew Suss 1940 in particular stands as one of the most artistically distinct and morally reprehensible films produced by the Third Reich His involvement with this movie has led to many critical questions Was the director truly forced to make the film under penalty of death Is anti-Semitism a theme in his other productions Can and should his work be studied in light of the horrors of Nazism and the Holocaust The first English language biography of the notorious director Veit Harlan presents an in depth portrait of the man who is arguably the only Nazi filmmaker with a distinct authorial style and body of work Author Frank Noack reveals that both Harlan's life and work were marked by creative vision startling ambiguities and deep moral flaws His meticulously detailed study explores the director's influence on German cinema and places his work within the contexts of World War II and film history as a whole Rivalled only by Leni Riefenstahl Veit Harlan remains one of Germany's most infamous filmmakers and virtually every book on Nazi cinema contains at least one chapter about Harlan or an analysis of one of his movies This biography supplemented by production histories and rare interviews with actors actresses and cameramen offers the first comprehensive analysis of the director and his work and adds new perspective to the growing body of scholarship on filmmaking under the Third Reich
