The Other Worldview Peter Jones, 2015-06-24 A must read for every concerned American and especially

for every Christian who weeps at the graveside of his culture R C Sproul A cataclysmic change has occurred as our culture has shifted toward belief in Oneism Every religion and philosophy fits into one of two basic worldviews Oneism asserts that everything is essentially one while Twoism affirms an irreducible distinction between creation and Creator The Other Worldview exposes the pagan roots of Oneism traces its spread throughout Western culture and demonstrates its inability to save For bodily holiness and transformed thinking we depend entirely on one amazing thing the incredibly powerful message of the Gospel to a sinful world which is the ultimate expression and goal of Twoism The only hope is in Christ alone Don't Look Away Don Brewster,2024-01-30 The extent and depth of evil confronting us on a daily basis can be overwhelming so overwhelming we can be tempted to look away from it After all with evil lurking around every corner what difference can a single person make In fighting the evil of child sex trafficking in Cambodia and focusing on one life at a time God has taken Don and Bridget Brewster s seemingly insignificant and unqualified efforts to transform a community known for trafficking all its girls to one that loves and protects all children As the Brewsters took the lonely first steps of faith God brought along others to serve with them Through the telling of their story the hope is that you will be challenged and inspired not to look away but to say yes to fighting evils that surround us In addition you will find principles from their successes and warnings from their failures that can be used to fight evil anywhere Themelios, Volume 35, Issue 2 D.
