Suffering Mark Giszczak, 2024-02-26 Suffering is a mystery It is an unavoidable reality of human life on earth which disorients us and tests our souls It leads us to ask questions about God and his goodness Though we seek relief from our pain and comfort in our sorrow suffering cannot be solved by mere human effort Instead Jesus invites us to journey with him If anyone would come after me let him deny himself and take up his cross daily and follow me Luke 9:23 ESV CE As we joyfully accept his call to self denial and reliance on God suffering can become redemptive conforming us to Christ in his salvific suffering This book explores the personal and spiritual dimensions of suffering explains Catholic teaching on its redemptive value and reveals how suffering can go from feeling useless to transforming us to be like God It shows how we can cope with our sufferings by integrating them into our life story and even choose small sufferings for the purpose of spiritual growth Wrestling with sorrow on earth prepares us for death which is the doorway to eternal life

Searching for the Truth About Drugs Marty Gruber, Jack Donaldson, 2012-06-27 If you have ever wondered what it would be like to travel the road that a drug addict has chosen sit back and read about the road into living hell and back Marty Gruber abused drugs for 45 years and he attempted

suicide immediately before he found the door of escape from drug abuse and the key to a meaningful life With the aid of Providence Marty found long term meaning and in the process he has been given the privilege of warning teens about the trap of drug abuse Research performed in 2010 shows that 48.2 percent of Americas high school seniors have tried illicit drugs In 2011 the National Institute on Drug Abuse NIDA reported that drug abuse cost the United States six hundred and nine billion dollars 609 000 000 000 is not a typo Most drug addicts die from their addiction because becoming drug free requires help and many never find that help Research shows that for each dollar invested in drug abuse prevention a savings of up to ten dollars in rehabilitation treatment can be achieved A teenager cant see as far down the road as a seventy five year old man who has already been down that road to just short of its logical end death In Martys case this was attempted suicide Marty has returned to warn others not to take the road leading to drug abuse
