Wisdom Sits In Places:

Wisdom Sits in Places Keith H. Basso, 1996-08-01 Winner of the 2001 J I Staley Prize from the School of American Research and the 1996 Western States Book Award for Creative Nonfiction Anthropological study of Apache concepts of geographical places and place names This remarkable book introduces us to four unforgettable Apache people each of whom offers a different take on the significance of places in their culture Apache conceptions of wisdom manners and morals and of their own history are inextricably intertwined with place and by allowing us to overhear his conversations with Apaches on these subjects Basso expands our awareness of what place can mean to people Most of us use the term sense of place often and rather carelessly when we think of nature or home or literature Our senses of place however come not only from our individual experiences but also from our cultures *Wisdom Sits in Places* the first sustained study of places and place names by an anthropologist explores place places and what they mean to a particular group of people the Western Apache in Arizona For more than thirty years Keith Basso has been doing fieldwork among the Western Apache and now he shares with us what he has learned of Apache place names where they come from and what they mean to Apaches This is indeed a brilliant exposition of landscape and language in the world of the Western Apache But it is more than that Keith Basso gives us to understand something about the sacred and indivisible nature of words and place And this is a universal equation a balance in the universe Place may be the first of all concepts it may be the oldest of all words N Scott Momaday In *Wisdom Sits in Places* Keith Basso lifts a veil on the most elemental poetry of human experience which is the naming of the world In so doing he invests his scholarship with that rarest of scholarly qualities a sense of spiritual exploration Through his clear eyes we glimpse the spirit of a remarkable people and their land and when we look away we see our own world afresh William deBuys A very exciting book authoritative fully informed extremely thoughtful and also engagingly written and a joy to read Guiding us vividly among the landscapes and related story tellings of the Western Apache Basso explores in a highly readable way the role of language in the complex but compelling theme of a people's attachment to place An important book by an eminent scholar Alvin M Josephy Jr

Wisdom Sits in Places Keith H. Basso, 1996 Explores the connections of place language wisdom and morality among the Western Apache

The Sociology of Katrina David L. Brunson, David Overfelt, Steven J. Picou, 2010-09-16 The second edition of *The Sociology of Katrina* brings together the nation's top sociological researchers in an effort to deepen our understanding of the modern catastrophe that is Hurricane Katrina Five years after the storm its profound impact continues to be felt This new edition explores emerging themes as well as ongoing issues that continue to besiege survivors The book has been updated and revised throughout from data about recovery efforts and environmental conditions to discussions of major social issues in education health care the economy and crime The authors thoroughly review the important topic of recovery both in New Orleans and in the wider area of the Mississippi Gulf Coast This new edition features a new chapter focused on the Katrina experience for people in the primary impact area or

ground zero five years after the storm This chapter uncovers many challenges in overcoming the critical problems caused by the storm of the century From this important update of the acclaimed first edition it is apparent that the storm is not over as Katrina continues to generate political economic community and personal controversy **Places That Count** Thomas F. King, 2003-09-16 Places That Count offers professionals within the field of cultural resource management CRM valuable practical advice on dealing with traditional cultural properties TCPs Responsible for coining the term to describe places of community based cultural importance Thomas King now revisits this subject to instruct readers in TCP site identification documentation and management With more than 30 years of experience at working with communities on such sites he identifies common issues of contention and methods of resolving them through consultation and other means Through the extensive use of examples from urban ghettos to Polynesian ponds to Mount Shasta TCPs are shown not to be limited simply to American Indian burial and religious sites but include a wide array of valued locations and landscapes the United States and worldwide This is a must read for anyone involved in historical preservation cultural resource management or community development *Study Guide, Wisdom Sits in Places*, 2020 *Hurricane Katrina and the Redefinition of Landscape* DeMond Shondell Miller, Jason David Rivera, 2009-01-01 Miller and Rivera explore how the fundamental changes to the physical landscape after Hurricane Katrina set the stage for dramatic changes to come for the city and region and how these changes altered the economic cultural and political lives of the survivors **American Studies** Janice A. Radway, Kevin Gaines, Barry Shank, Penny Von Eschen, 2009-03-09 American Studies is a vigorous bold account of the changes in the field of American Studies over the last thirty five years Through this set of carefully selected key essays by an editorial board of expert scholars the book demonstrates how changes in the field have produced new genealogies that tell different histories of both America and the study of America Charts the evolution of American Studies from the end of World War II to the present day by showcasing the best scholarship in this field An introductory essay by the distinguished editorial board highlights developments in the field and places each essay in its historical and theoretical context Explores topics such as American politics history culture race gender and working life Shows how changing perspectives have enabled older concepts to emerge in a different context *Valley of Heart's Delight* Anne Marie Todd, 2022-10-25 This agricultural history explores the transformation of the Santa Clara Valley over the past one hundred years from America's largest fruit producing region into the technology capital of the world In the latter half of the twentieth century the region's focus shifted from fruits such as apricots and prunes to computers Both personal and public rhetoric reveals how a sense of place emerges and changes in an evolving agricultural community like the Santa Clara Valley Through extensive archival research and interviews Anne Marie Todd explores the concepts of place and placelessness arguing that place is more than a physical location and that exploring a community's sense of place can help us to map how individuals experience their natural surroundings and their sense of responsibility towards the local environment Todd extends the concept of sense of place to

describe Silicon Valley as a non place where weakened or disrupted attachment to place threatens the environment and community The story of the Santa Clara Valley is an American story of the development of agricultural lands and the transformation of rural regions

Contemplating Historical Consciousness Anna Clark, Carla L. Peck, 2018-12-17 The last several decades have witnessed an explosion of new empirical research into representations of the past and the conditions of their production prompting claims that we have entered a new era in which the past has become more present than ever before Contemplating Historical Consciousness brings together leading historians ethnographers and other scholars who give illuminating reflections on the aims methods and conceptualization of their own research as well as the successes and failures they have encountered This rich collective account provides valuable perspectives for current scholars while charting new avenues for future research

Narratives of Educating for Sustainability in Unsustainable Environments Jane Haladay, Scott Hicks, 2017-12-01 Through pedagogical narratives literary analyses reflective essays and collaborative dialogues Narratives of Educating for Sustainability in Unsustainable Environments explores the professional and intellectual tensions of curricula pedagogies and personal practices that honor the relationships of interspecies ecologies reinhabit and reconceive wounded landscapes and wounding institutions and allow us to reattune ourselves to new yet ancient frameworks for sustainability For the writers here fostering sustainability in higher education means focusing on place creating positive relationships with humans and other beings and creating administrative structures that will maintain new approaches for the long term showing how teaching environmentally is at once intensely site specific yet powerfully global deeply personal yet visibly public Narratives of Educating for Sustainability in Unsustainable Environments confronts the contexts that make environmental pedagogies difficult the challenges to the well being of the teacher scholar and the corrosive academic structures that compartmentalize knowledge and people The collection simultaneously offers models for working through and within these challenges to advance understandings and ways of being on local global and personal levels that will turn the planetary tide toward effective and shared sustainability

Wisdom Sits In Places: Bestsellers in 2023 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous engrossing novels enthralling the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the engaging narratives that have charmed audiences this year. Wisdom Sits In Places : Colleen Hoover "It Ends with Us" This poignant tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. Wisdom Sits In Places : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Wisdom Sits In Places : Delia Owens "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and gripping novel that will keep you speculating until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
