

With you, my love, my heart skips a beat,
Together we'll make memories, so sweet.
You're my everything, my heart's desire,
I'll love you forever..love shall never tire.

You light up my life, my love, my shining star,
I'll follow you forever, near or far.
I'll hold you close, and never let go,
Together, forever, our love will grow.

I'll be your shelter, from the pouring rain,
I'll be the one to ease your pain.
You're the missing piece, that completes me,
With you, my love, I'm all I want to be.

I'll love you more than words can say,
I'll love you more and more, each passing day.
So let's take a chance on love,
Together, forever, we'll rise above.

Love Above All Bernard Demaere, 2018-01-29 In your quiet times with the Lord this book will inspire you to love God and others in a more meaningful way Love will come and give you a purpose for life Sometimes in a subtle way and at other times in a more obvious way the love of God which is more affirmative than any other love will motivate you through lifes various situations whether it be a job or home and family The answer to most of our problems in life seems to stem out of situations related to love or lack of it Take a step in the right direction now and love in a more practical way Make a mark in your world Some of us do not know what love is We hear a great deal about loving our self but can we love our self or someone else if we dont know what love is Love comes from God and he loves us in more ways than one It can be through people or even through the presence of our pets Love cannot be explained it must be believed to help us in any way If you are curious about who God is this book is also for you because at times it attempts to answer some of lifes difficult questions God is not a Santa Claus and he is not a mad being ready to punish his creation But who does the Bible tells us God is **The Angels Healing**
