Woman Jacking Off A Man:

Pornography Andrea Dworkin, 2025-02-25 Andrea Dworkin's 1981 critique of pornography is an important and urgent document about how the culture consumes and manipulates images of women. Essential and discomfiting reading in a social media era where women's bodies are being commodified and displayed more than ever. Andrea Dworkin's seminal 1981 work on the issue of pornography argues that the industry serves only to harm and oppress women. Her discussion of pornography as an outgrowth of the power that men exert over women, the power of owning, the power of money and the power of sex among others still blazes with its clarity and immediacy and illustrates how these inequities while displayed in raw form in pornography are endemic in all media. With a lively and deeply compelling voice, Andrea Dworkin succinctly outlines her anti-pornography stance. Though the media environment may have changed, this passionately and powerfully argued classic remains a relevant and crucial contribution to the area of feminist studies.

Men Seeking Women Po Bronson, Richard Dooling, Eric Garcia, Paul Honda, Gary Krist, 2001-02-20 *Men Seeking Women: Love and Sex Online* is an exciting and original collection of new short fiction by men about men seeking women and women seeking men in the digital age. The Internet revolution has altered the look of the traditional relationship. Through e-mail correspondence, chat room chats, and message board postings, the manner in which we meet and mate has drastically changed. While the search for love is a timeless one, how and where we look has never been more a sign of the digital times. Here, ten talented storytellers offer thoroughly contemporary portraits of relationships in the world of new media and high technology in chat rooms, porn sites, and other online realms. *Men Seeking Women* is a fresh and unconventional look at the cyber landscape of love, sex, and companionship.

The End of Straight Supremacy Shannon Gilreath, 2011-09-19 Rooted in the politics and theories of early gay liberation and radical feminism, Shannon Gilreath's *The End of Straight Supremacy* presents a cohesive theory of gay life under straight domination. Beginning with a critique of formal equality law centering on the like straight demands of liberal equality theory as highlighted in *Lawrence v. Texas*, Gilreath moves to criticize the gay movement itself, challenging the assimilation politics behind the movement's blithe acceptance of discrimination in the guise of free speech and pornography in the name of sexual liberation, as well as same-sex marriage and transsexuality as tools of straight hegemony. Ultimately, Gilreath rejects both the liberal demand for gay erasure in exchange for meager legal progress and the gay establishment agenda. In *The End of Straight Supremacy*, Gilreath calls gays and their allies to the difficult task of rethinking what liberation and equality really mean.

Sexual Orientation and Rights Nicholas Bamforth, 2017-05-15 Debate about the rights of sexual minorities, whether individuals or members of same-sex couples, has become an important issue for legislatures and courts in many constitutional democracies. This volume collects together some of the more significant writings in the debate and reflects a variety of perspectives: liberal, conservative, and radical. The topics covered include the meaning and importance of sexual freedom, gender roles, marriage, and other significant partnerships, child care and adoption, the criminal law, employment, and

expression and pornography The volume also seeks to relate arguments about sexual orientation and rights to broader debates within feminist theory Failure, A Writer's Life Joe Milutis,2013-01-25 Failure A Writer s Life is a catalogue of literary monstrosities Its loosely organized vignettes and convolutes provide the intrepid reader with a philosophy for the unreadable a consolation for the ignored and a map for new literary worlds **How to F*ck a Woman** Ali Adler,2015-05-26 A profane wildly funny and deeply insightful guide to sex and relationships from a woman who loves women too
