Womanguides Readings Toward A Feminist Theology:

Womanguides Rosemary Radford Ruether, 1985 A fascinating collection of ancient and contemporary readings from the cultural matrix that has shaped Western Christianity Womanguides is a resource for understanding ideas about gender in Christian tradition and for building alternative patterns that can transform and heal

Womanguides Rosemary Radford Ruether, 1987 From Women's Experience to Feminist Theology Linda Hogan, 2016-10-06 What are the implications of adopting a primacy of praxis position in feminist theology How can we respect the diversity of women's experience while retaining it as a useful analytic category Do these twin resources of women's experience and praxis together imply that feminist theology is ultimately relativist Through an analysis of the work of some of today's key feminist theologians Christian womanist and post Christian Linda Hogan considers these and other methodological questions

The Cambridge Companion to Feminist Theology Susan Frank Parsons, 2002-07-04 Feminist theology is a significant movement within contemporary theology The aim of this Companion is to give an outline of feminist theology through an analysis of its overall shape and its major themes so that both its place in and its contributions to the present changing theological landscape may be discerned The two sections of the volume are designed to provide a comprehensive and critical introduction to feminist theology which is authoritative and up to date Written by some of the main figures in feminist theology as well as by younger scholars who are considering their inheritance it offers fresh insights into the nature of feminist theological work The book as a whole is intended to present a challenge for future scholarship since it critically engages with the assumptions of feminist theology and seeks to open ways for women after feminism to enter into the vocation of theology

A Feminist Companion to Song of Songs Athalya Brenner-Idan, Carole Fontaine, 2000-03-01 The ten essays in this volume the majority specially written engage with questions of voice whose and interplay what kind between received interpretation and resisting female reader and venture into methodological territory familiar and unfamiliar to biblical scholars including autobiographical criticism Among earlier readers invoked in these pages are Jerome Rashi and Fray Luis de L'Ton who brush pages with Haitian prostitutes The three sections of this fresh colourful and adventurous journey into love sex allegory and self inside the Most Sublime Song are Feminist Appropriations Specific Readings Allegories and Feminists and The Song of Songs Personalized

Feminism and Christian Tradition Mary-Paula Walsh, 1999-05-30 This annotated bibliography a volume in the Greenwood series Bibliographies and Indexes in Religious Studies provides access to the numerous writings from the 1960s through the 1990s on feminism and Christian tradition Major feminist theologians and sociologists are represented As a guide to further research this cross disciplinary approach presents themes and issues in both a historical and a topical framework An extensive overview of feminism in relation to the women's movement women's studies sociology and American religion introduces the literature and provides a historical context for the nearly one thousand entries that follow Cross referenced throughout the literature is presented in six thematic categories that include introductory and background

materials feminism and the development of feminist theology topical literatures in feminist theology feminism and womanist theology religious leadership of women and responses and recent developments Separate author subject and title indexes complete the volume

The Oxford Handbook of Christology Francesca Aran Murphy, Troy A. Stefano, 2015 The Oxford Handbook of Christology brings together 40 authoritative essays considering the theological study of the nature and role of Jesus Christ This collection offers dynamic perspectives within the study of Christology and provides rigorous discussion of inter confessional theology which would not have been possible even 60 years ago The first of the seven parts considers Jesus Christ in the Bible Rather than focusing solely on the New Testament this section begins with discussion of the modes of God's self communication to us and suggests that Christ's most original incarnation is in the language of the Hebrew Bible The second section considers Patristic Christology These essays explore the formation of the doctrines of the person of Christ and the atonement between the First Council of Nicaea in 325 and the eve of the Second Council of Nicaea The next section looks at Mediaeval theology and tackles the development of the understanding of who Christ was and of his atoning work The section on Reformation and Christology traces the path of the Reformation from Luther to Bultmann The fifth section tackles the new developments in thinking about Christ which have emerged in the modern and the postmodern eras and the sixth section explains how beliefs about Jesus have affected music poetry and the arts The final part concludes by locating Christology within systematic theology asking how it relates to Christian belief as a whole This comprehensive volume provides an invaluable resource and reference for scholars students and general readers interested in the study of Christology

The Bible and Feminism Yvonne Sherwood, 2017-11-24 This groundbreaking book breaks with established canons and resists some of the stereotypes of feminist biblical studies It features a wide range of contributors who showcase new methodological and theoretical movements such as feminist materialisms intersectionality postidentitarian nomadic politics gender archaeology and lived religion and theories of the human and the posthuman The Bible and Feminism Remapping the Field engages a range of social and political issues including migration and xenophobia divorce and family law abortion pinkwashing the neoliberal university the second amendment AIDS and sexual trafficking and the politics of the veil Foundational figures in feminist biblical studies work alongside new voices and contributors from a multitude of disciplines in conversations with the Bible that go well beyond the expected canon within the canon assumed to be of interest to feminist biblical scholars Moving beyond the limits of a text orientated model of reading this collection looks at how biblical texts were actualized in the lives of religious revolutionaries such as Joanna Southcott or Sor Juana Inés de la Cruz It charts the politics of the Pauline veil in the self understanding of Europe and reads the genealogical halls in the book of Chronicles alongside acts of commemoration and forgetting in 9/11 and Tiananmen Square

Jesus and the Feminists? Margaret Elizabeth Köstenberger, 2008-10-17 This resource provides a detailed survey and critique of various feminist interpretations of Jesus and offers a biblical view of men and women in the church and home The feminist movement has

affected every aspect of political and social America and Christians are becoming increasingly aware of how this movement has impacted the church. The feminist movement has changed the way evangelicals view not only themselves but also the very Word of God. Jesus and the Feminists begins by offering a brief survey of the feminist movement revealing the radical misunderstanding of Jesus that has resulted from this movement. K. Stenberger then critiques the relevant works of well known feminist scholars and the ways they interpret certain passages of Scripture related to Jesus and his approach to women. This practical resource points the way to a better understanding of the biblical message regarding Jesus' stance toward women and offers both men and women a biblical view of their roles in the church and the home.

Theology and Embodiment Melissa Raphael, 1996-03-01. Theology and Embodiment both analyses and contributes to spiritual feminism's postmodern construction of the female body as a metaphor and medium of divine generativity. Addressing religious studies and women's studies students and all those interested in contemporary spirituality, Raphael counters reformist feminism's recurrent criticism of goddess feminism as naively essentialist and sub-political. She presents spiritual feminism as a set of religious-political manoeuvres that powerfully resist such patriarchal degradations of female natural generativity as environmental destruction, weight reducing diets and menstrual taboos.

Womanguides Readings Toward A Feminist Theology Introduction

In today's digital age, the availability of Womanguides Readings Toward A Feminist Theology books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Womanguides Readings Toward A Feminist Theology books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Womanguides Readings Toward A Feminist Theology books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Womanguides Readings Toward A Feminist Theology versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Womanguides Readings Toward A Feminist Theology books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Womanguides Readings Toward A Feminist Theology books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed

and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Womanguides Readings Toward A Feminist Theology books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Womanguides Readings Toward A Feminist Theology books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Womanguides Readings Toward A Feminist Theology books and manuals for download and embark on your journey of knowledge?
