But that was their business and Wombat didn't concern herself with others' business. When a very hot dry summer causes dangerous fires in their neighborhood a group of animals are desperate to find water and shelter. It will take the quiet heroism of a neighbor to provide resources and a cozy cool and safe burrow a reluctant wombat who demonstrates the inspiring power of community. Wombat the Reluctant Hero is inspired by the heroic and very real actions of the wombat an animal that has helped other creatures survive droughts and wildfires in its native Australia. Author Christian Trimmer and illustrator Rachel Gyan celebrate this amazing mammal who definitely has a thing or two to teach us about being a good neighbor.
