

FOREWORD

This service manual describes the disassembly, reassembly, and inspection procedures for servicing the TF Engine. Before starting servicing of the engine, you are recommended to read through this manual carefully. You are requested to perform routine checks and periodical servicing diligently to ensure the long and satisfactory operation of your engine.

Reference should be made to the Dimensions and Proper Installations section of the Product Information booklet you received upon installation.

These engine construction and servicing procedures are subject to change without notice, for the improvement of quality and performance. If you have any questions or suggestions, please feel free to call us.
