

Declutter for the New Year

Starting 2026 with a clean slate is a great idea. Decluttering your home can help you focus on what's important and create a more peaceful environment. Here are some tips to help you get started:

- Don't let the volume of items overwhelm you. Start with one room at a time, and take small steps.
- Categorize items into groups: keep, donate, or discard.
- Ask yourself if you really need it, if you use it, and if it brings you joy.
- Consider the impact of your clutter on your health and well-being.
- Get rid of the things you don't need or use, and replace them with things that do.
- Remember, a clean home is a healthy home.

There's nothing more you can do to make your home a better place.
