Domb,Wahid Khan,2014-02-17 The concept of focal controlled drug delivery has been applied for treating illnesses that are localized to a certain tissue or organ These delivery systems are applied directly to the diseased site and deliver a desired dose for an extended time period while minimizing systemic distribution of toxic drug Controlled drug delivery systems have been focused on oral extended release formulations and on systemic delivery of small drugs and peptides Despite the upsurge of interest in focal targeted drug delivery there is currently no single reference text on the subject By comparison there are numerous authored and edited books on oral systemic and transdermal drug delivery or books on biodegradable polymers as drug carriers Thus the aim of Focal Drug Delivery is to bring together leading experts and researchers in the field to provide an authoritative account of the essential pharmaceutical technological physiological and biological sciences underpinning the topic In addition the book will review advances in treatment options for diseases localized at a certain tissue or organ Cosmetic Formulation Heather A.E. Benson,Heather Benson,Michael S. Roberts,Vania Rodrigues Leite-Silva,Kenneth Walters,2019-04-05 Cosmetics are the most widely applied products to the skin and include creams lotions gels and sprays Their formulation design and manufacturing ranges from large cosmetic houses to small private companies This book covers the current science in the formulations of cosmetics applied to the skin It includes basic formulation skin science advanced formulation and cosmetic product development including both descriptive and mechanistic content with an emphasis on practical aspects Key Features Covers cosmetic products formulation from theory to practice Includes case studies to illustrate real life formulation development and problem solving Offers a practical user friendly approach relying on the work of recognized experts in the field Provides insights into the future directions in cosmetic product development Presents basic formulation skin science advanced formulation and cosmetic product development **Textbook of Cosmetic Dermatology** Robert Baran,Howard I.
