Torn Desires Trilogy Confessions:

Torn Desires Trilogy S. A. M, 2014-01-12 Torn Desires Trilogy Confessions is an amazingly sensual love story filled with exhilarating twist and plots This book tugs at the heart and lures the reader into the lives of each character The storyline is based mostly in the beautiful city of Charleston South Carolina but journey off to Richmond Virginia and Lexington Kentucky Samantha Miers appeared to have it all a great career a beautiful home and adoring family and friends but her personal life was a wreck The scars from Sam s past had prevented her from being in a meaningful relationship with anyone Anyone that is except for Richard Dawson her longtime friend The charmingly handsome Richard had been watching over and protected Sam since their college years but he wanted more Although their relationship never developed sexually their bond was unbreakable Sam soon realized that there was no future in loving a married man Therefore she turned her attention to Nicholas Bell the breathtakingly gorgeous farm manager After weeks of sitting on the sidelines and watching Sam fall in love with another man Richard corners Sam forcing her to acknowledge her feelings for him openly Sam fought against it but knew that Richard would continue to pursue the issue until the truth was revealed Their love triangle intensified when Richard discovered that Sam and Nicholas s relationship had developed into an explosion of sexual eroticism But the real battle for her affections began when a crazy stalker threatens Sam s life Nicholas and Richard must join forces to protect her at all cost **The Curate's Awakening, The Lady's Confession & The Baron's Apprenticeship (Complete Trilogy)**

George MacDonald, 2023-12-07 In the complete trilogy of The Curate s Awakening The Lady s Confession The Baron s Apprenticeship George MacDonald employs rich evocative language and intricate narrative structures to explore themes of moral awakening love and the transformative power of faith Through the intertwining stories of a curate s spiritual journey a lady s quest for redemption and a baron s struggle for personal growth MacDonald crafts a tapestry that reflects the Victorian preoccupation with individual conscience and societal expectation Each character s evolution is presented within a philosophical framework that galvanizes the reader s introspection making the prose both lyrical and didactic laden with allegorical significance George MacDonald a pioneer of the fantasy genre and a key influence on later writers such as C S Lewis was deeply rooted in the Christian faith and humanistic values His personal experiences with poverty loss and the complexities of personal belief galvanized his exploration of human nature and divine intention MacDonald s intimate understanding of spiritual and existential dilemmas pervades his writing inviting readers to confront their own moral landscapes This trilogy is a must read for those who appreciate layered narratives that challenge both intellect and spirit Readers will find in MacDonald s work not just profound inquiry into faith and transformation but also an engaging timeless exploration of the human condition that resonates deeply in today s ethical discourse Confession and Complicity in Narrative Dennis A. Foster, 1987-05-29 What is the precise relationship between the writer of a text and the reader Contributions to reader response theory have suggested that the reader is relatively passive In this 1987 text Professor

Foster argues that the relationship is more complex than that readers enter into complicity with writers and create the illusion of the writer's mastery over meaning in order to imagine themselves as masters and become writers in their own place. This dynamic model of the reading process is revealed most tellingly in confessional narratives and so Professor Foster explores the complex patterns of the reader-writer symbiosis in texts by Augustine, Kierkegaard, Henry James, Hawthorne, Faulkner, and Beckett. What emerges is a fresh theory of reading literature: the engagement between writer and reader as a struggle for power in which the reader is actively complicit and self-conscious in his or her interpretations.

Dark Fallen Angels: The Complete Trilogy Eve Archer, 2023-08-30 The Complete Trilogy of Devilishly Steamy Paranormal Romances in One Set I thought I made a deal with the devil. Turns out he's a fallen angel. Very fallen. Not only is Dominick Vicario tall, dark, and wickedly attractive, but he's also the head of the world's most powerful underworld family. And the leader of the Fallen, former heavenly Watchers banished to earth who've become wealthy playboys. When I meet him, my life is circling the drain. My job is going nowhere, my boyfriend is a jerk, and I'm in debt up to my eyeballs. So when the dangerously seductive mafia don offers me a deal that will solve all my problems, I take it. All I have to do is spend the rest of the summer with the dominant billionaire. A couple of months of jet setting on private planes and yachts isn't too high a price to pay, right? But Dominick believes I'm destined to be his mate and the key to all the fallen angels being restored to their rightful place in the celestial order. And it doesn't matter if I think he's crazy. He's convinced I'm his for eternity. And so are the demons chasing us. I'm now a pawn in the deadly game between Dominick and his enemies. But this pawn is done being played. I'm about to show them what I'm made of, and it isn't sugar and spice. With angel armies and demon hordes gathering, who can we trust? And if Dominick makes a deal with the devil to save me, will his soul be lost forever? The *Dark Fallen Angels Trilogy* is a devilishly steamy, fated mates paranormal romance with a mafia twist. The 3 books in this collection are all full-length novels; the series ends with a guaranteed HEA, and this set is the complete trilogy. Themes: Billionaire romance, mafia romance, paranormal angels and demons, fated mates, romantic suspense.

Wild Belief Nick Ripatrazone, 2021-05-18 Midway upon the journey of our life, I found myself within a forest. Dante's *Inferno* begins with imagery of the wilderness marked by darkness, fear, and the unknown. In folktales, legends, and children's stories, the wilderness is a place of conflict and exile. Yet there is another spiritual tradition that embraces the complexities of the wilderness as a place of rejuvenation and wonder, a place where Thomas Merton said man purges himself of sediments of society and becomes a new creature. A book for those of us who revel in the beauty and mystery of the natural world, *Wild Belief* brings together poets and prophets, saints and storytellers from across the ages who share a common search for the spirit. Their explorations of forests, wetlands, and deserts expose the wilderness as both a fearful and a sacred space, a tension that aptly captures the unknown and surprising elements of belief. As we join them on their search for the divine, our eyes open to the possibilities of transformation to our most fundamental stories and to a fertile spirituality we can only find in the wild.
