Touching Photographs Author Margaret Olin Jun 2012:

The Rhetoric of Photography in Modern Japanese Literature Atsuko Sakaki, 2015-10-20 In *The Rhetoric of Photography in Modern Japanese Literature* Atsuko Sakaki closely examines photography inspired texts by four Japanese novelists Tanizaki Jun ichir 1886-1965 Abe K b 1924-93 Horie Toshiyuki b 1964 and Kanai Mieko b 1947 As connoisseurs practitioners or critics of this visual medium these authors look beyond photographs status as images that document and verify empirical incidents and existences articulating instead the physical process of photographic production and photographs material presence in human lives This book offers insight into the engagement with photography in Japanese literary texts as a means of bringing forgotten subject object dynamics to light It calls for a fundamental reconfiguration of the parameters of modern print culture and its presumption of the transparency of agents of representation

Touching Photographs Margaret Olin, 2012-04-18 Photography does more than simply represent the world It acts in the world connecting people to form relationships and shaping relationships to create communities In this beautiful book Margaret Olin explores photography s ability to touch us through a series of essays that shed new light on photography s role in the world Olin investigates the publication of photographs in mass media and literature the hanging of exhibitions the posting of photocopied photographs of lost loved ones in public spaces and the intense photographic activity of tourists at their destinations She moves from intimate relationships between viewers and photographs to interactions around larger communities analyzing how photography affects the way people handle cataclysmic events like 9 11 Along the way she shows us James VanDerZee s Harlem funeral portraits dusts off Roland Barthes s family album takes us into Walker Evans and James Agee s photo text *Let Us Now Praise Famous Men* and logs onto online photo albums With over one hundred illustrations *Touching Photographs* is an insightful contribution to the theory of photography visual studies and art history

Photography and Imagination Amos Morris-Reich, Margaret Olin, 2019-10-08 As the prototypical exemplar of modern visual technology photography was once viewed as a way to enable vision to bypass imagination producing more reliable representations of reality But as an achievement of technological modernity photography can also be seen as a way to realize a creation of the imagination more vividly than can painting or drawing *Photography and Imagination* investigates from diverse points of view focusing on both theory and practice the relation between these two terms The book explores their effect on photography s capacity through various forms and modalities of imaginative investments and displacements to affect even reality itself

The Routledge Companion to African American Art History Eddie Chambers, 2019-11-12 This Companion authoritatively points to the main areas of enquiry within the subject of African American art history The first section examines how African American art has been constructed over the course of a century of published scholarship The second section studies how African American art is and has been taught and researched in academia The third part focuses on how African American art has been reflected in art galleries and museums The final section opens up

understandings of what we mean when we speak of African American art This book will be of interest to graduate students researchers and professors and may be used in American art African American art visual culture and culture classes
