Jianjun Gao

Treaties And Subsequent Practice

Treaties and Subsequent Practice Georg Nolte, 2013-06-13 Subsequent practice by states is crucial to the interpretation of treaties. This book examines its potential to serve as a substitute for formal treaty amendments. It combines both practical and theoretical contributions on the subject and includes the reports of the International Law Commission's Treaties over Time programme.

The Modification of Treaties by Subsequent Practice Irina Buga, 2014 Modification of Treaties by Subsequent Practice Irina Buga, 2018 This book explores the process of treaty modification by subsequent practice explaining how such practice can significantly revise treaty obligations or even create new ones allowing evolution of the law.

The Modification of Treaties by Subsequent Practice Irina Buga, 2015 **Subsequent Agreements and Subsequent Practice in Domestic Courts** Katharina Berner, 2017-11-21 The book analyses how subsequent agreements and subsequent practice as defined in articles 31 and 32 of the 1969 Vienna Convention on the Law of Treaties have been applied in interpretative reality. Based on the jurisprudence of domestic courts it elucidates the distribution of power between the parties to a treaty and other actors. To start with the book traces the origins of subsequent agreements and subsequent practice and places them in their broader legal context. Next it explores the legal status and effects of subsequent agreements and subsequent practice explaining why such agreements are only rarely used and defines the relevance of non party practice in the interpretative process. In closing it critically examines how domestic courts have approached the normative heart of subsequent practice i.e. the notion of agreement. Thus this book ultimately challenges the traditional assumption that the parties are the joint masters of the treaty.

The Modification of Treaties by Subsequent Practice BUGA, 2014 **Treaties and their Practice** Georg Nolte, 2019-03-25 The book describes the development of certain important treaties from the perspective of their practice with a view to assessing whether these treaties are or have been on the rise or in decline. Following a glance at major European peace treaties prior to the UN Charter the book focuses on developments over the last thirty years with respect to the UN Charter and its rules on the use of force human rights treaties the WTO agreements investment treaties and environmental treaties. It looks at these treaties from the perspective of an observer as well as from the perspective of a practitioner who is called to apply a treaty taking into account the rules of interpretation under the Vienna Convention on the Law of Treaties. The book describes in particular how the International Law Commission has elucidated the significance of the rules of interpretation in its conclusions on Subsequent agreements and subsequent practice in relation to the interpretation of treaties 2018 and it connects this work with the broader developments.

Conceptual and Contextual Perspectives on the Modern Law of Treaties Michael J. Bowman, Dino Kritsiotis, 2018-10-25 In recent years there has been a flourishing body of work on the Law of Treaties crucial for all fields within international law. However scholarship on modern treaty law falls into two distinct strands which have not previously been effectively synthesized. One concerns the investigation of concepts which are fundamental to or inherent in the law of

treaties generally such as consent object and purpose breach of obligation and provisional application while the other focuses upon the application of treaties and of treaty law in particular substantive e g human rights international humanitarian law investment protection environmental regulation or institutional contexts including the Security Council the World Health Organization the International Labour Organization and the World Trade Organization This volume represents the culmination of a series of collaborative explorations by leading experts into the operation development and effectiveness of the modern law of treaties as viewed through these contrasting perspectives

Tax Treaty Interpretation in Light of the Vienna Convention on the Law of Treaties Georg Kofler et al., 2024-11-21 Despite the pivotal role of the Vienna Convention on the Law of Treaties VCLT in guiding treaty interpretation across various fields of international law its application to tax treaties has received relatively little attention in academic literature The complexity of cross border taxation and the increasing importance of tax treaties in international commerce and investment influence the growing demand for a more thorough comprehension of the principles governing tax treaty interpretation This book aims to alleviate this deficiency by providing a comprehensive analysis of the VCLT s impact on tax treaty interpretation thereby contributing to a more informed and nuanced understanding of this crucial aspect of international tax law This book provides an in depth analysis of the impact of the VCLT on interpreting and applying tax treaties The topics include the ordinary meaning special meaning and tax treaty interpretation good faith and tax treaty interpretation the interpretation of tax treaty terms in its context subsequent agreements subsequent practice and tax treaty interpretation authentic languages and tax treaty interpretation customary international law and tax treaty interpretation and the relation between Article 3 2 OECD Model 2017 and the Interpretation Rules of the Vienna Convention on the Law of Treaties The chapters are revised and expanded versions of their works presented at the 31st Viennese Symposium on International Tax Law held on 17 June 2024 at the Vienna University of Economics and Business WU Each contributor offers an in depth analysis of a particular topic referencing the most recent scientific research

Interpretation of International Investment Treaties Tarcisio Gazzini, 2016-11-03 This book offers a systematic study of the interpretation of investment related treaties primarily bilateral investment treaties the Energy Charter Treaty Chapter XI NAFTA as well as relevant parts of Free Trade Agreements The importance of interpretation in international law cannot be overstated and indeed most treaty claims adjudicated before investment arbitral tribunals have raised and continue to raise crucial and often complex issues of interpretation The interpretation of investment treaties is governed by the Vienna Convention on the Law of Treaties VCLT The disputes relating to these treaties however are rather peculiar as they place multinational companies or natural person in opposition to sovereign governments Fundamental questions dealt with in the study include Are investment treaties a special category of treaty for the purpose of interpretation How have the rules on interpretation contained in the VCLT been applied in investment disputes What are the main problems encountered in investment related disputes To what extent are the VCLT

rules suited to the interpretation of investment treaties Have tribunals developed new techniques concerning treaty interpretation Are these techniques consistent with the VCLT How can problems relating to interpretation be solved or minimised How creative have arbitral tribunals been in interpreting investment treaties Are States capable of keeping effective control over interpretation

Law and Politics in Peaceful Use of Nuclear Energy Xinjun Zhang, 2024-10-28 This book analyzes the law and politics in the peaceful use of nuclear energy The inalienable right as provided for in Article IV of the Treaty on the Non proliferation of Nuclear Weapons NPT has unexpectedly been an interpretation riddle which has brought about many controversies among NPT Party States like those in the 1970s between the U S and its allies and today in the Iranian nuclear problem and in the North Korean nuclear crisis This book offers a detailed review and analysis of the lifetime of the norm on the right to the peaceful use of nuclear energy what factors give rise to a possible design of the dynamic treaty obligation how they are made in drafting the relevant treaty provisions and how subsequent practice plays a role in the interpretation The usefulness of the general rule of interpretation is also challenged in this book and an interdisciplinary perspective on interpretation is otherwise proposed to better understand the interplay of the law and politics in the nuclear nonproliferation regime

The Modification of Treaties by Subsequent Practice Buga, 2016

The Vienna Convention on the Law of Treaties in Investor-State Disputes Esmé Shirlow, Kiran Nasir Gore, 2022-08-25 The Vienna Convention on the Law of Treaties VCLT as the treaty on treaties has achieved a rich and nuanced track record of use in international law It has now been over fifty years since the VCLT was opened for signature in 1969 and over forty years since it entered into force in 1980 As of 2022 the VCLT has been ratified by 116 States and signed by 45 others with some non ratifying States also recognising parts as reflective of customary international law In the intervening decades the VCLT has had a profound influence on the interpretation application and development of international investment law including in the context of investment treaty arbitration This book presents the first consolidated analysis of how the VCLT has informed the practice of international investment law and the resolution of investor State disputes and the role that the VCLT may play in shaping the future of this field The diverse contributors to this book are scholars and practitioners from around the world who offer a variety of perspectives on the nexus between the VCLT international investment law and investor State dispute settlement ISDS Each chapter demonstrates how approaches to key issues of treaty law in investment treaty arbitration diverge or converge from the VCLT and approaches of other international courts as well as the lessons that investment treaty arbitration could derive or even offer for the interpretation and application of the VCLT rules in other settings Their insights and analyses consider aspects such as the role of the VCLT for interpretation of more specific approaches to treaty law drafted by treaty negotiators treaty application in circumstances of contested State territory or succession challenges temporal challenges arising in treaty interpretation the status of bilateral investment treaties between European Union Member States and related termination endeavours questions concerning the validity termination and amendment of

investment treaties including as part of ongoing ISDS reform processes current multilateral reform proposals including the possibility of an appellate mechanism or a multilateral investment court grappling with the challenge of fragmentation in international investment law including the role of prior decisions in treaty interpretation the challenges introduced by treaty conflict and the multitude of approaches that may be taken by national courts when implementing treaties like the New York Convention and treaty interpretation and drafting as aided by emerging technologies such as data analytics machine learning smart contracts and blockchain The book s appendix provides a highly valuable tabular summary of ISDS arbitral practice relating to the VCLT collating key references from over 350 different procedural orders decisions and awards By revisiting the role that the VCLT has played in the development of this field of law this invaluable book unlocks insights into how the VCLT might be used to support its ongoing development and the resolution of the next generation of investor State disputes This book is essential reading for a variety of stakeholders including arbitrators counsel scholars and government officials who will benefit from its in depth and practical analysis of the VCLT s relevance to and impact on investment law and investor State arbitration and its role in shaping where this field of public international law might be headed in the decades to come

Treaties, Their Making and Enforcement Samuel Benjamin Crandall,1904 **Treaties** Samuel Benjamin Crandall,1904 Interpretation of Treaties Ravi Sharma Aryal,2003 This Book Includes The Evolution Interpretation And The Approaches Of Treaties Interpretation And Also Covers A Study Of The Provisions Relating To Rules Of Interpretation Including The Interpretation Of Treaties Authenticated In Two Or More Languages The American Law Review ,1879
