New to Big David Kidder, Christina Wallace, 2019-04-02 Serial entrepreneurs David Kidder and Christina Wallace reveal their revolutionary playbook for igniting growth inside established companies Most established companies face a key survival challenge says David Kidder CEO of Bionic lifelong entrepreneur and angel investor in more than thirty startups operational efficiency and outdated bureaucracy are at war with new growth Legacy companies are skilled at growing big businesses into even bigger ones But they are less adept at discovering new opportunities and turning them into big businesses the way entrepreneurs and early stage investors must In *New to Big* Kidder and Wallace reveal their proprietary blueprint for installing a permanent growth capability inside any company the Growth Operating System The Growth OS borrows the best tools systems and mind sets from entrepreneurship and venture capital and adapts them for established organizations leveraging these two distinct skills as a form of management for building in a future that is uncertain By focusing on what consumers do rather than what they say celebrating productive failure embracing a portfolio approach and learning from the outside in Kidder and Wallace argue any company can go on offense and win the future This isn't about a one off innovation moonshot It's about building a permanent ladder to the moon

Psyched Up Daniel McGinn, 2017-06-06 Closing the sale Asking for a raise Nailing the big presentation Of the 2 000 hours you work every year your success or failure is determined in the couple of dozen crucial hours when you need to bring your absolute best Will you The last few minutes before a major challenge can be terrifying Ever wished you knew how to make sure you ace the make or break test audition or interview We often feel the most powerless just before we're expected

to act powerful As you ll learn in this life changing book practice might make perfect but perfection is useless if you can t summon it when it counts Pulling off a great speech or the pivotal at bat also requires the right kind of mental preparation In *Psyched Up* journalist Daniel McGinn dives into the latest psychological research and interviews athletes soldiers entertainers and others who despite years of practice and enviable track records will ultimately be judged on their ability to deliver a solid performance when it s their turn to shine For instance he reveals How Jerry Seinfeld s jacket and Stephen Colbert s pen help them get laughs What General Stanley McChrystal said to Special Forces before they entered the battlefield Why the New England Patriots hired the DJ from the Red Sox to help them win Among other counterintuitive insights McGinn reveals why trying to calm your backstage jitters can be worse for your performance than channeling it into excitement how meaningless rituals can do more to prepare you in the final moments than last minute rehearsal and how a prescription from your doctor could help you unleash your best skills Whether you re a sportsperson or a salesperson an actor or an entrepreneur one bad hour can throw away months of hard work There s so much conflicting popular advice that we often end up doing the wrong things McGinn separates the facts from the old wives tales and shares new research driven strategies for activating your talent optimizing your emotions and getting psyched up to take the spotlight
