MitzvahChic Gail Anthony Greenberg, 2006-10-03 An indispensable modern day guide to planning the perfect bar or bat mitzvah celebrating substance and style There used to be only two approaches to the bar or bat mitzvah party a low key event that reflects the solemnity of this sacred rite of passage or a big bash that has no connection to the religious service For many it was an impossible dilemma Will a big bash trivialize and overshadow the bar or bat mitzvah experience Will too much spirituality suck the life out of an otherwise fabulous party MitzvahChic is the first book that proves that if you want a truly amazing experience you can and must have it all Blending meaningful Jewish elements with high style contemporary party planning this inspiring and useful guide will show you how to have the ultimate bar or bat mitzvah a profoundly moving service followed by an unforgettable party The MitzvahChic approach also shows how to honor your child in a big way rather than reducing him or her to an overused pop culture theme or a single cliché He's into baseball She loves horses This must have guide gives advice on the major decisions the basics of the service and the party details that really matter It also features A complete guide to the Torah including dates and summaries of the portions and supplementary materials Eight complete themed parties including party favors decorations and photographs of sample tables A time line to help plan the bar or bat mitzvah up to two years ahead Instructions for being MitzvahChic on a budget Advice on how to include non Jewish friends and family members in the ceremony A practical guide to all things mitzvah from the Torah to the tablecloth MitzvahChic will help create a beautiful powerful resonant and unforgettable rite of passage Bar Mitzvah Michael Hilton, 2014-01-01 The Jewish coming of age ceremony of bar mitzvah was first recorded in thirteenth century France where it took the form of a simple statement by the father that he was no longer responsible for his thirteen year old son Today bar mitzvah for boys and bat mitzvah for girls are more popular than at any time in history and are sometimes accompanied by lavish celebrations How did bar mitzvah develop over the centuries from an obscure legal ritual into a core component of Judaism How did it capture the imagination of even non Jewish youth Bar Mitzvah A History is a comprehensive account of the ceremonies and celebrations for both boys and girls A cultural anthropology informed by rabbinic knowledge it explores the origins and development of the most important coming of age milestone in Judaism Rabbi Michael Hilton has sought out every reference to bar mitzvah in the Bible the Talmud and numerous other Jewish texts spanning several centuries extracting a fascinating miscellany of information stories and commentary **Here All Along** Sarah Hurwitz, 2019-09-03 A renowned political speechwriter rediscovers Judaism finding timeless wisdom and spiritual connection in its age old practices and traditions Sarah Hurwitz was Michelle Obama's head speechwriter and with this book she becomes Judaism's speechwriter Adam Grant New York Times bestselling author of Give and Take Originals and co author of Option B After a decade as a political speechwriter serving as head speechwriter for First Lady Michelle Obama a senior speechwriter for President Barack Obama and chief speechwriter for Hillary Clinton on her 2008 presidential campaign Sarah Hurwitz

decided to apply her skills as a communicator to writing a book about Judaism And no one is more surprised than she is Hurwitz was the quintessential lapsed Jew until at age thirty six after a tough breakup she happened upon an advertisement for an introductory class on Judaism She attended on a whim but was blown away by what she found beautiful rituals helpful guidance on living an ethical life conceptions of God beyond the judgy bearded man in the sky none of which she had learned in Hebrew school or during the two synagogue services she grudgingly attended each year That class led to a years long journey during which Hurwitz visited the offices of rabbis attended Jewish meditation retreats sat at the Shabbat tables of Orthodox families and read hundreds of books about Judaism all in dogged pursuit of answers to her biggest questions What she found transformed her life and she wondered How could there be such a gap between the richness of what Judaism offers and the way so many Jews like her understand and experience it Sarah Hurwitz is on a mission to close this gap by sharing the profound insights she discovered on everything from Jewish holidays ethics and prayer to Jewish conceptions of God death and social justice In this entertaining and accessible book she shows us why Judaism matters and how its message is more relevant than ever and she inspires Jews to do the learning questioning and debating required to make this religion their own Searching for meaning in the ancient scripture and traditions of Judaism Sarah Hurwitz takes us along on an enriching journey of discovery In *Here All Along* she explores her birthright as a Jew and finds timeless and valuable life lessons David Axelrod director of the University of Chicago Institute of Politics and former senior advisor to President Barack Obama

Raising the Bar Mitzvah Cantor Matt Axelrod, 2021-07-21 What could be more ingrained in the Jewish psyche as well as pop culture everywhere than the Bnei Mitzvah ceremony For generations families have joined synagogues and schlepped their kids to lessons These hapless pre teens struggle with cracking voices and unfamiliar melodies fight with their parents about time spent practicing and eventually face a couple hundred of their closest friends and relatives to sing for a couple hours in a foreign language The current model of Bnei Mitzvah training does not resonate with most 13 year old kids They do it because they know they have to do it Their parents and grandparents went through the same thing It's time to re evaluate how our kids learn and prepare to be knowledgeable and engaged members of the Jewish community Raising the Bar Mitzvah is the book that will lead Jewish professionals as well as lay congregants on a more productive and meaningful path

Synagogues in the Hellenistic and Roman Periods Lutz Doering, Andrew R. Krause, Hermut Löhr, 2020-12-14 The study of ancient Judaism has enjoyed a steep rise in interest and publications in recent decades although the focus has often been on the ideas and beliefs represented in ancient Jewish texts rather than on the daily lives and the material culture of Jews Judaeans and their communities The nascent institution of the synagogue formed an increasingly important venue for communal gathering and daily or weekly practice This collection of essays brings together a broad spectrum of new archaeological and textual data with various emergent theories and interpretative methods in order to address the need to understand the place of the synagogue in the daily and weekly procedures community frameworks and theological structures in which Judaeans Galileans and Jewish people in the Diaspora lived and gathered The interdisciplinary studies will be of great significance for anyone studying ancient Jewish belief practice and community formation
