Toward An Exegetical Theology Biblical Exegesis For Preaching And Teaching:

Toward an Exegetical Theology Walter C. Kaiser, Jr., 1998-08-01 Proposes a method of biblical interpretation consisting of contextual syntactical verbal theological and homiletical analysis Toward an Exegetical Theology Walter C. Kaiser, 1981 **Toward an exegetical theology [Chinese]**, 1985 *Recovering the Unity of the Bible* Walter C. Kaiser, Jr., 2009 In this new book Walt Kaiser makes the case for the unity of the Bible The theological unity of the Bible celebrates the diversity of the Bible but does so with the conviction that even though that unity can be tested historically ethically and otherwise it has not detracted from the central case for the theological harmony that is found in the text This has been the general conclusion of two millennia of Judeo Christian exegesis *The Promise-Plan of God* Walter C. Kaiser, Jr., 2009-10-06 What is the central theme of the Bible Given the diversity of authorship genre and context of the Bible's various books is it even possible to answer such a question Or in trying to do so is an external grid being unnaturally superimposed on the biblical text These are difficult questions that the discipline of biblical theology has struggled to answer In this thoroughly revised and expanded edition of his classic *Toward an Old Testament Theology* Walter Kaiser offers a solution to these unresolved issues He proposes that there is indeed a unifying center to the theology and message of the Bible that is indicated and affirmed by Scripture itself That center is the promise of God It is one all encompassing promise of life through the Messiah that winds itself throughout salvation history in both the Old and New Testaments giving cohesiveness and unity to the various parts of Scripture After laying out his proposal Kaiser works chronologically through the books of both testaments demonstrating how the promise is seen throughout how the various sub themes of each book relate to the promise and how God's plan to fulfill the promise progressively unfolds Here is a rich and illuminating biblical theology that will stir the emotion and the intellect **Introduction to Biblical Hermeneutics** Walter C. Kaiser, Jr., Moisés Silva, 2009-08-19 Since its publication in 1994 *An Introduction to Biblical Hermeneutics* has become a standard text for a generation of students pastors and serious lay readers This second edition has been substantially updated and expanded allowing the authors to fine tune and enrich their discussions on fundamental interpretive topics In addition four new chapters have been included that address more recent controversial issues The role of biblical theology in interpretation How to deal with contemporary questions not directly addressed in the Bible The New Testament's use of the Old Testament The role of history in interpretation The book retains the unique aspect of being written by two scholars who hold differing viewpoints on many issues making for vibrant thought provoking dialogue What they do agree on however is the authority of Scripture the relevance of personal Bible study to life and why these things matter **Toward Rediscovering the Old Testament** Walter C. Kaiser, Jr., 1991 Understanding the Old Testament is the crucial problem for the Christian The three parts of this book the Old Testament and scholarship the Old Testament and theology and The Old Testament and life present issues rarely discussed by Christians as well as models and solutions for age old dilemmas **Exodus** Walter C. Kaiser,

The Uses of the Old Testament in the New Walter C. Kaiser,2001-12-03 The debate over whether New Testament writers were entirely accurate in their quoting from the Old Testament has raged since before the turn of the century This fundamental question has been one starting point in thought for both redaction and canon criticism A majority of contemporary scholars have even agreed that New Testament writers and readers permissively interpreted the Old Testament text Author Walter Kaiser Jr elucidates how this state of doctrinal affairs came about He references the Old Testament text for accurate exegesis and content to answer the one question symbolizing the entire work Have the New Testament writers fairly cited the Old Testament quotations according to their real truth intention and original writer s meaning in their attempt to show that the Messiah and many of the events in the first century A D church had indeed been anticipated by the O T writers The apostles preached and wrote while utterly convinced that Old Testament writing had anticipated the marvelous events they proclaimed Did they give meaning to meaningless Old Testament texts Did they squeeze fulfilled prophecy out of a dry passage These are the central questions answered in this work [Back Toward the Future](#) Walter C. Kaiser,2003-12-31 Biblical prophecy comprises one of the most rewarding topics of Bible study Difficulty of subject matter and unfamiliarity with the literary forms however deter many students Back Toward the Future removes these obstacles and invites exploration of this exciting subject The author a respected expert in the field presents an introductory guide to the issues and methods of interpreting prophetic literature The principles he formulates coupled with his mature insights will help students avoid many exegetical pitfalls Part I helps the reader to discern conditional and unconditional prophecies comprehend apocalyptic symbols and understand future events in expressions of the past Part 2 provides specific steps for interpreting prophetic passages And Part 3 discourages Bible students from finding double meanings in prophetic

statements and encourages them to embrace the author's single truth intention. A Scripture index concludes *Back Toward the Future*.

How to Preach the Prophets for All Their Worth Andrew G. M. Hamilton, 2022-05-24 The Old Testament prophetic books play a key role in revealing God's plan of salvation. They occupy a significant portion of the biblical canon similar in size to the entire New Testament. Yet most believers stay clear of this part of Scripture. They avoid traveling through this forest of oracles and visions. Many preachers also struggle to navigate this unfamiliar territory. Preachers feel much more at ease unpacking the intricate arguments of the Pauline epistles or following the thrilling adventures of biblical narratives rather than exploring the prophetic books. The church however needs to hear and respond to the beauty, depth, and relevance of the prophetic message. This book not only provides convincing reasons for preaching the prophets today but also offers concrete guidelines to empower preachers, small group leaders, youth workers, etc. to communicate the message of the prophets with hermeneutical precision, theological depth, genre sensitivity, and pastoral pulse. This book motivates and equips preachers to travel with confidence through this uncharted territory and to help God's people enjoy the scenery of this part of God's word.

Preaching with Accuracy Randal E. Pelton, 2019-03-21 A resource to help pastors correctly identify the big idea of a passage and apply it well. *Preaching with Accuracy* provides preachers with a method for finding the big idea in each passage of the Bible since correctly identifying the main point is key to accurately conveying the essential theology of the passage. Pelton lays out a reliable, well-informed method for identifying the main point of a preaching passage and understanding that passage well in its context. Numerous examples are given at each step of the way to show how meaning develops throughout the process of interpretation. Pelton then guides the preacher through applying a Christ-centered hermeneutic that will result in biblical sermons that benefit and equip believers.

Telling the Old, Old Story (Larsen) David L. Larsen, 2000

Thoughtful Proclaimer Elizabeth Wright Anderson, 2017-10-23 *Thoughtful Proclaimer* takes you from passage choice to proclamation. This book walks with you through message preparation that transforms both your heart and the hearts of your congregation or class. Aimed at those who proclaim the Word of God in a variety of church and parachurch settings, the *Thoughtful Proclaimer* method uses a contemplative, question-based technique to determine the Commander's intent. God's purpose for every passage of Scripture. God's intent for a passage becomes the point for proclamation of a redemptive and relevant message. Anderson uses humor and story to teach good communication techniques so that every message brings lasting transformation to your listeners.

Moo, Wayne G. Strickland, Willem A. VanGemeren, 2010-09-21 An introduction to a complex theological issue that impacts our daily lives as believers in Christ What is the relevance of the Old Testament Law to our understanding of the Gospel and how it should be lived This book explores five major approaches to this important biblical topic as they've developed in Protestant circles Non Theonomic Reformed View the law is the perfection of righteousness in Jesus Christ Theonomic Reformed View the goodness of the law is dependent on how it's used and does not offer a way to salvation Heavily focused on Paul's discussion of the Law Law as Gracious Guidance View emphasizes the contrasts between the Mosaic law and the Gospel of grace while still asserting the Law's value Dispensational View approaches the Law from a historical perspective to help us understand its presentation treatment and recipients Modified Lutheran View the Law of Christ as the fulfillment of the Law of Moses This book allows each contributor to not only present the case for his view but also to critique and respond to the critiques of the other contributors allowing you to compare their beliefs in an open forum setting to see where they overlap and where they differ The Counterpoints series presents a comparison and critique of scholarly views on topics important to Christians that are both fair minded and respectful of the biblical text Each volume is a one stop reference that allows readers to evaluate the different positions on a specific issue and form their own educated opinion *Toward Rediscovering the Old Testament* Walter Christian Kaiser (Jr.), 1987 *Interpretation for Preaching and Teaching* Stanley E.

Porter, 2023-08-08 Renowned biblical scholar Stanley Porter offers an accessible introduction to hermeneutics to help students and pastors better interpret and understand God's Word Interpretation for Preaching and Teaching focuses on various levels of interpretation and proclamation which are arranged in a necessary hierarchy language and linguistics the biblical text biblical theology systematic theology and homiletics Stanley Porter grounds the discussion within a conversation of biblical authority and offers a fresh examination of the key issues The result is a workable method that introduces each of the major topics of interpretation and addresses some of the complexities of their use This book provides the basics for a Bible interpreter to move from fundamental questions about the task of biblical interpretation to understanding a text and its theology to creating and delivering a sermon It offers valuable guidance for professors and students of hermeneutics and equips pastors and Bible teachers to deliver a relevant message to those who rely on them to be faithful interpreters The A.M.E.
