They Just Know: Animal Instincts Robin Yardi, 2015-09-10 How do some young animals know what to do and how to do it Does someone teach a caterpillar what to eat Who gives a baby shark swimming lessons Sometimes young animals learn things from their parents but other times they just know Explore animal instincts through engaging text and fanciful illustrations *¡Ellos YA Saben! Instintos de Los Animales (They Just Know: Animal Instincts)* Robin Yardi, 2015 C mo es que algunos animales j venes saben qu hacer y c mo hacerlo Alguien le ense a a la oruga lo que debe comer Qui n le ense a a los beb s tiburones a nadar Algunas veces los animales j venes aprenden cosas de sus padres pero en otras ocasiones ellos ya saben Explora los instintos animales a trav s de este atractivo texto y sus fant sticas ilustraciones *Creation: Fact or Fiction - You Decide* Howard Mishne, 2016-09-01 Finally Heres a book about Creation that you dont have to be a rocket scientist or Bible scholar to understand For most people complex biblical and scientific studies of our origin are boring They make your head spin by the end of the first few pages Thats not what this book is going to be like for you This book is for us typical people When you talk with believers of Creation some will tell you to just read the Bible Others say This can only be Gods work or What else could it be Or they try to poke holes in the well known theories Creation is not a theory its a belief You either believe it or you dont So how do you believe in something that nobody can prove In his first book Howard Mishne combines interesting and cool facts with basic science to methodically tie it all together From the universe down to the very unique aspects of our life on earth he lays out an easy to understand perspective in ways you havent thought about before Instead of trying to answer the questions Howard lets you decide by looking at our existence in a different way **The Book of Doubt** Tessa de Loo, 2013-03-05 Even though he is the son of a Dutch mother Saeed has a Moroccan first name in memory of the virtuoso oud player his mother fell in love with twenty years ago When she found out she was pregnant he ran off and returned to Morocco Saeed decides to look for his father in the hope of finding a new identity in a new world His childhood friend Hassan accompanies him Back then they shared an imaginary land which they both ruled Now they only have one starting point a grocery shop in Fez From there they follow the trail of the oud player who leads them from the cedar woods of Ifrane to the red dunes of the desert to the high Atlas where Kasbahs are locked in a losing battle with decay Saeed s search sends him deeper into disillusionment and into the arms of Islam where he tries to find something to hold on to But there is a disturbing presence A seemingly fictitious character from their imaginary past infiltrates Saeed s quest While Saeed desperately tries to get rid of him different aspects of his life more and more beyond his control reach an apotheosis resulting in one final deed affecting man and beast alike **A Mile in Your Shoes** John Maerz, 2012-07-01 Explores the formation of shame and the shadow as the result of a difficult or abusive upbringing Presents methods for pursuing a future with courage confidence and motivation in creating a fuller and more rewarding life Includes steps for self motivation stages of perceiving compassion levels of awareness and capacity for empathy and compassion as related to emotional growth

Includes explanations of extreme conditions in common sense language in comparison to psychological diagnoses offered in the DSM IV TR
