How to Turn Your Desires and Ideals Into Reality Brown Landone, 2022-01-26 Brown Landone was one of the first teachers of the scientific understanding of material and immaterial achievements in life For his first 13 years he lived the usual routine of an invalid Then his life changed dramatically Although virtually helpless by many medical accounts he was able to carry a heavy metal crate down five flights of stairs when he was left alone and a house fire broke out Afterwards young Landone knew that his subconscious had made it happen somehow He

figured that if he could do it on a subconscious level he could certainly do it on a conscious level This book is an important guide for those who have decided to use the immense power of their Subconscious and make a positive and decisive change in their lives
