Three Lives & Tender Buttons Gertrude Stein, 2003 Presents three short stories which paint portraits of three very different women and a collection of prose poetry in one volume

Three Lives and Tender Buttons Gertrude Stein, 2003-02-04 Three Lives Three short stories comprise Gertrude Stein's first significant work each a psychological portrait of a different woman The Good Anna is a kindly but domineering German servant The Gentle Lena apathetically endures her miserable life until she dies in childbirth Melanctha is a young Black woman learning about sexuality and love Different as they may be all three women are bound by poverty and all three face the restrictions of class race and sex with resignation Tender Buttons Stein spoke of maintaining a continuous present comprised of moments of consciousness independent of time and memory Nowhere is this more clear than in her prose poems Tender Buttons Their repetitive sentences juxtaposition of sounds and simple language connote this continuous presence To live in this state is to begin again and again to use everything Each of the three sections Objects Food and Rooms employs both this repetition and disjointed words to build images Prose poetry at its most abstract expression Tender Buttons is to writing what cubism is to art W G Rogers

Flourish Jacqueline Turner, 2019-09-17 Smart clear eyed Turner's gift is for beautiful concision Georgia Straight on The Ends of the Earth Jacqueline Turner's Flourish moves between philosophy literary criticism biography and poetry Both personal and experimental her writing becomes transformative as it explores memories of growing up in a small town parenting a set of adventurous sons traveling and reading At times her poems act like micro essays at other times they are miniature memoirs or precise manifestos and throughout the collection's exploration of contemporary cities and culture a tense beauty emerges Turner takes readers to a park in Berlin set up like a messy living room to a gallery in Granada where the view from a window beside a famous painting more perfectly frames an ancient stone wall and to a karaoke room in Tokyo where comedic possibilities merge with spilled drinks In the end Flourish celebrates the abundance of words already read while conveying gratitude for the ones still about to be read A bold gesture a green light a
