Monkhouse, Leslie Fitzpatrick, 2015-01-01 A sweeping survey of the arts of Ireland spanning 150 years and an astonishing range of artists and

media This groundbreaking book captures a period in Ireland's history when countless foreign architects, artisans and artists worked side by side with their native counterparts. Nearly all of the works within this remarkable volume, many of them never published before, have been drawn from North American collections. This catalogue accompanies the first exhibition to celebrate the Irish as artists, collectors and patrons over 150 years of Ireland's sometimes turbulent history. Featuring the work of a wide range of artists, known and unknown, and a diverse array of media, the catalogue also includes an impressive assembly of essays by a pre-eminent group of international experts working on the art and cultural history of Ireland. Major essays discuss the subjects of the Irish landscape and tourism, Irish country houses and Dublin's role as a center of culture and commerce. Also included are numerous shorter essays covering a full spectrum of topics and artworks, including bookbinding, ceramics, furniture, glass, mezzotints, miniatures, musical instruments, pastels, silver and textiles.

Unaccompanied Traveler Patrick Bixby, 2022-02-15 At the time of her death in 1962, Kathleen M. Murphy was recognized as the most widely and most knowledgeably travelled Irish woman of her time, insofar as she let herself be known to the public at all. An abiding interest in sacred sites and ancient civilizations took Murphy down the Amazon and over the Andes into the jungles of Southeast Asia and onto the deserts of the Middle East, above the Arctic Circle and behind the Iron Curtain. After the Second World War, Murphy began publishing a series of vivid, humorous and often harrowing accounts of her travels in *The Capuchin Annual*, a journal reaching a largely Catholic and nationalist audience in Ireland and the United States. At home in the Irish midlands, Murphy may have been a modest and retiring figure, but her travelogues shuttle between religious devotion and searching curiosity, primitivist assumptions and probing insights, gender decorum and bold adventuring. *Unaccompanied Traveler*, with its wide-ranging introduction, detailed notes and eye-catching maps, retrieves these remarkable accounts from obscurity and presents them to a new generation of readers interested in travel and adventure.

Traveling with the Atom Glen E. Rodgers, 2019-12-03 *Traveling with the Atom* is a historical travel guide to the development of one of the most significant and enduring ideas in the history of humankind: the atomic concept. This history covers the notable places and landmarks commemorating this achievement: visiting homesteads, graveyards, laboratories, apartments, abbeys and castles through picturesque rural villages and working-class municipalities. From Montreal to Manchester via some of the most elegant and romantic cities in Europe, *Traveling with the Atom* guides the reader on a trip through the lives and minds of the great thinkers who collectively unveiled the mystery of the atom. Fully illustrated and interspersed with intriguing and insightful notes throughout, this book is an ideal companion for the wandering scientist, their students, friends and companions, or quintessential fireside reading for lovers of science and travel.

Tourists and Travellers Betty Hagglund, 2010-02-17 During the late 18th and early 19th centuries, travel and tourism in Scotland changed radically from a time when there were very few travellers and no provision for those that there were, through to Scotland's emergence as a fully fledged tourist destination with the necessary physical and economic infrastructure. As the experience of travelling in

Scotland changed so too did the ways in which travellers wrote about their experiences Tourists and Travellers explores the changing nature of travel and of travel writing in and about Scotland focusing on the writings of five women Sarah Murray Anne Grant Dorothy Wordsworth Sarah Hazlitt and the anonymous female author of A Journey to the Highlands of Scotland It further examines the specific ways in which those women represented themselves and their travels and looks at the relationship of gender to travel writing relating that to issues of production and reception as well as to questions of discourse
