Treasure In Clay Jars Patterns In Missional Faithfulness Gospel And Our Culture:

Treasure in Clay Jars Lois Y. Barrett, 2004-04-26 There is growing literature on the need for local congregations to become more mission minded yet churches lack the know how for turning conviction into practice This volume highlights eight tangible characteristics currently being modeled by nine congregations from across North America **The Mission of Preaching** Patrick W. T. Johnson, 2015-02-25 We hear plenty of discussion about missional theology missional leadership and missional church planting But what about missional preaching In this groundbreaking work Patrick W T Johnson develops a new missional homiletic to aid preachers in their witness to the gospel of Jesus Christ in this post Christendom world

Called into the Mission of God Roji T. George, 2020-11-03 In *Called into the Mission of God* Roji George argues that Paul s primary interest was neither doctrinal teaching nor the articulation of an anti imperial discourse Instead he contends that amidst the many problems that faced the local Thessalonian community problems arising out of eschatological fears ethical difficulties in the community and persecution from outside groups Paul brought primarily a missional concern to impart ethical exhortation and eschatological teaching in a political language The book will be helpful to those theologians scholars teachers and students grappling with the message of Paul in his own time and in ours *Called into the Mission of God* represents an increasing commitment on the part of Fortress Press to support the wide dissemination of the best theological and biblical writing by the best scholars from the Global South *The Gospel in the Western Context* Gert-Jan

Roest, 2018-10-02 In *The Gospel in the Western Context* Gert Jan Roest focuses on discerning a Western contextual gospel an endeavour that is very relevant to the current state of Christianity in the postmodern and post Christendom West After giving an in depth analysis and synthesis of how Hendrikus Berkhof and Colin Gunton read the Western context and contextualize their Christology he develops a gospel centred model for reading the context Meanwhile he makes a creative and much needed attempt to connect the two disciplines of systematic theology and missiology and convincingly shows that both disciplines cannot only enrich one another but also can give church practitioners insight and wisdom for their tasks **T. F.**

Torrance as Missional Theologian Joseph H. Sherrard, 2021-06-01 What contribution can T F Torrance make to the discussion of a missional view of the church Theologian and pastor Joseph Sherrard considers how Torrance s theology can inform the church s understanding of its ministry and mission in particular his appeal to the church s participation in the ascended Christ s threefold office as king prophet and priest **Reading the Bible Missionally** Goheen, 2016 Over the past half century it has become clear that mission is a central theme in the Bible s narrative and moreover is central to the very identity of the church This book significantly widens and deepens the emerging conversation on missional hermeneutics Essays from top biblical and missiological scholars discuss reading the Scriptures missionally using mission as a key interpretive lens Five introductory chapters probe various elements of a missional hermeneutic followed by sections on the Old and New Testaments that include chapters on two books from each to illustrate what a missional reading of them looks

like Essays in two concluding sections draw out the implications of a missional reading of Scripture for preaching and for theological education Publisher *Contemporary Mission Theology* Gallagher, Rogert L., Hertig, Paul, 2017-02-16 A resource for the classroom that specifically addresses the missiological issues of the twenty first century this collection in honor of Charles E Van Engen features contributions from practically all the leading lights of the missiology world Scholars including Stephen Bevans Roger Schroeder van Thanh Nguyen Mary Motte Gerald Anderson Scott Sunquist and many others offer their insights and reflections focusing on the impact of cultural and demographic changes on the nature and purpose of Christian mission Publisher *Transforming Mission Theology* Charles Van Engen, 2017-10-01 Missiology Permeated with Theological Reflection This volume is the culmination of Van Engen's teachings but takes us to an even deeper level Since mission is first and foremost God's mission theological reflection must be permeated by missiological understanding and our missiology must be permeated with theological reflection Mission theology is an activity of the Church of Jesus Christ seeking to understand more deeply why how when where and wherefore the followers of Jesus may participate in God's mission in God's world *Sunday's Sermon for Monday's World* Sally A. Brown, 2020-04-07 What can preachers do to help congregants navigate everyday life with the courage imagination and savvy it takes to testify in action and word to God's mercy and justice Christianity's witness depends on credible Christian lives carried out in ordinary settings of everyday life Sunday's Sermon for Monday's World helps preachers design sermons that equip believers to act with improvisational creative courage in the ordinary settings of their Monday to Saturday lives How can we who preach inspire the ordinary prophets of our time those who in Christ's name will act in great or small ways as agents of redemptive interruption Sally A Brown with her extensive experience both in parish ministry and training others for ministry shares preaching strategies that equip these ordinary prophets to take daring action Brown begins by reconsidering the power and limits of the missional model of Christian witness and argues that Christian witness today must be adaptive and therefore imaginative and improvisational She then turns to the connection between the sermons our listeners hear on Sunday and their capacity to timely inventive action in everyday situations Sunday's Sermon for Monday's World will inspire both preachers and those who listen to them to move from sanctuary to street week after week eager to discern and participate in the ongoing redemptive work of God already under way amid the ordinary scenes and settings of their Monday to Saturday lives *The Story That Chooses Us* George R. Hunsberger, 2015-04-15
