The Dark Side of Discipleship Gary Tyra, 2020-10-21 There s a dark side to Christian discipleship church members ignore to their peril The New Testament has much to say about why and how Christ s followers must deal with the devil Learning to take the evil one seriously without obsessing over him is crucial to the spiritual endurance training we all need if we are to someday hear Jesus say to us Well done good and faithful servant Specifically pastor theologian Gary Tyra argues in this work that key to overcoming Satan is a balanced Spirit empowered engagement in what he refers to as the four cardinal components of Christian discipleship Understanding the various ways the devil attempts to derail our experiences of worship nurture community and mission can serve to motivate us with respect to them With the help of the Holy Spirit church members can cultivate a lifestyle spirituality that enables them to don the full armor of God and engage in several critical close quarters combat tactics the New Testament encourages In the end The Dark Side of Discipleship is a no nonsense yet inspirational New Testament theology of spiritual warfare that can serve Christ s church as a powerful aid to the spiritual moral and ministry formation of contemporary Christians

Missiology with Power Charles H. Kraft, 2024-12-31 Healing the sick bringing freedom from evil spirits proclaiming the good news of the kingdom of God these instructions are the core of what Jesus commanded the Twelve and seventy to do as he sent them out on mission Missiology the study of mission explores how the good news of the kingdom of God and of Jesus is communicated across cultures Many involved in mission have found that this communication requires more than words it also entails visible demonstrations of God s power to heal set people free from spiritual oppression and challenge unbiblical adherence to harmful animistic and folk practices This book by renowned missiologist Charles H Kraft explores what missiology informed by and infused with Jesus centered spiritual power looks like It is packed with insights based on a lifetime of practical experience field research and biblical reflection In Missiology with Power Kraft addresses topics such as spiritual power and authority ways cultures see invisible spiritual realities and how

Jesus can be followed in culturally relevant ways that also challenge and change unbiblical traditional beliefs in magic divination cursing worship of spirits and other related practices Exceedingly practical and challenging this short work Kraft s final book does not disappoint **Progressive Creation and the Struggles of Humanity in the Bible** Zoltan

Dornyei,2018-03-22 Why does the Christian walk often feel like an ongoing struggle and why does God s creation include imperfection let alone forces that are intent on thwarting God s creative work In seeking a response to these questions this book argues that the biblical accounts describe creation in terms of a progressive transformation process whereby the initially incomplete created order will reach perfection only in the fulfillment of new creation The following discussion then outlines a comprehensive framework for the biblical theology of humanity s struggles centered on three key themes corporeal temptation deficient social structures and the much debated notion of spiritual warfare The book presents an overarching canonical narrative that threads together a series of diverse biblical topics from Job s temptation to the Atonement The final part surveys biblical teaching on how human conduct can be aligned with God s creative purpose and discusses three assignments from Jesus to believers to celebrate the Eucharist to pray the Lord s Prayer and to fulfill the Great Commission Against the Darkness Graham A. Cole,2019-11-12 Many Christians live as though they are effectively

alone in the world However there is another realm of intelligent life that plays a role in the world angelic beings This book explores the doctrine of angels and demons answering key questions about their nature and the implications for Christians beliefs and behavior helping readers see their place in the larger biblical plotline that includes supernatural beings An understanding of the reality of angels and demons encourages believers to be vigilant in the light of spiritual warfare and to be confident in Christ s victory on the cross Demons Michael S. Heiser,2020-04-29 The truth about demons is far stranger and even more fascinating than what s commonly believed Are demons real Are they red creatures with goatees holding pitchforks and sitting on people s shoulders while whispering bad things Did a third of the angels really rebel with Satan Are demons and principalities and powers just terms for the same entities or are they different members of the kingdom of darkness Is the world a chaotic mess because of what happened in Eden or is there more to the story of evil What people believed about evil spiritual forces in ancient biblical times is often very different than what people have been led to believe about them today And this ancient worldview is missing from most attempts to treat the topic In Demons Michael Heiser debunks popular presuppositions about the very real powers of darkness Rather than traditions stories speculations or myths Demons is grounded in what ancient people of both the Old and New Testament eras believed about evil spiritual forces and in what the Bible actually says You ll come away with a sound biblical understanding of demons supernatural rebellion evil spirits and spiritual warfare
