Understanding Gods Will For Your Life:

Understanding God's Will for Your Life Edmond Masemola, 2015-07-09 Understanding God's Will For Your Life is a booklet I wrote under the inspiration and authorship of the Holy Spirit our plan through this book is to enlighten believers regarding the wills of God and show them the purpose of different situations they find themselves facing in this walk of Faith and to show them that there is a much better and more rewarding Will of God than our own wills **Discerning & Understanding God's Will for Your Life** Osbourne Murray, 2017-02-13 The book is about the importance of knowing God's will for one's life which is paramount in having a harmonious and fulfilling relationship with God When there's uncertainty concerning the will of God in any aspect of one's existence it results to confusion and anxiety Too many Christians go through life and never realize God's perfect will during their sojourn in time In doing so believers are robbed of the privilege of experiencing God's best for their lives It also deprives them of having an overcoming fruitful spirit filled joyful and peaceful life Not discerning God's perfect will for your life will cause you to live far below your rights and privileges in Christ The recognition of God's purpose for your life will provide a sense of identity belongingness vocation and guidance which serves to connect you to a higher purpose the Kingdom of God The truth is that not much attention is paid to this very critical area of Christianity today However it is the very heart of efficient and authentic Christian living Without a clear understanding of God's will in one's life one may feel like or even become a square peg in a round hole especially as it pertains to identifying the appropriate ministries and where to serve effectively in the body of Christ **The Journey** Lee Young, 2013-11-11 What is God's plan for your life We all reach points in our life where we don't know what God wants from us Do I stay or go Do I work through or move on Do I do this or that God's ways are higher than ours but did you know that God has promised to reveal His most wonderful plans for our life To know His plan we must understand how God is using each event each relationship each struggle and celebration to move us into His best plan for our lives We all have joys disappointments celebrations and tragedies but understanding God's purpose in each of these is key to understanding His plan for our life Make this insightful teaching part of your library today and start understanding God's Plan for Your Life **Understanding God's Will** Kyle Lake, 2004-09 Everyone struggles with questions like How can I know if I'm pursuing God's will or my own In this book pastor Kyle Lake suggests that God's will for a person's life isn't as formulaic as it's often made out to be This book alleviates ambiguities about God's desires for our lives Through the use of scriptural metaphors such as discipleship kingdom and fatherhood this message empowers people to make wise decisions with the guidance of a God who is not a genie an insurance policy nor a dominator *Understanding God's Will* John W. Boland, 2015-11-10 How can you really know God's will Well for starters stop asking the wrong questions The wrong questions are all dealing with self Who will I marry where will I go to school what career will I have what will I do etc Understanding God's Will is to find out who God really is why we are important to Him why the life of Jesus Christ really matters finding out where God is working in your life

and joining him You do this through daily prayer consistent Bible study following Jesus s example of Godly living looking for every opportunity to do Christian service growing as a disciple helping others to grow and living to serve Him not being served It all started with a question One simple question At least that is what I thought Any mature Christian should be able to answer one obvious question right Well not so easy I was a young Christian at the time I had only accepted the Lord Jesus Christ a few short months before I was being discipled by several well meaning Bible believing scripture memorizing men of God Now I wanted to know the burning question that Christians throughout the centuries have wanted to know So I asked

Finding the Will of God Bruce K. Waltke, 2002-01-30 For many trying to discover God's will is a confusing and frustrating process In an effort to divine God's will people try praying harder meditating more on Scripture or briefly living a better life But as this insightful book shows such activities have more in common with paganism than with biblical Christianity Exploring a misunderstood area of Christian concern Bruce Waltke asks Can we ever know God's will In pursuit of a satisfying answer he examines many practices that Christians pass off as divine guidance following hunches casting lots looking for signs and others and suggests that such practices actually bear an unsettling resemblance to the ways pagans seek divine guidance Instead Waltke gently shows readers that the truest course to the will of God is found in faithfully answering the call to walk close to the Lord and be conformed to his likeness Only then will we have the heart of God and know what pleases him Packed with clear practical advice for meaningful Christian living Finding the Will of God will be valued by all
