present day Quebec women have had to negotiate societal expectations placed on their gender Tracing the evolution of life writing by Quebec women Patricia Smart presents a feminist analysis of women s struggles for autonomy and agency in a society that has continually emphasized the traditional roles of wife and mother Writing *Herself into Being* examines published autobiographies and autobiographical fiction as well as the annals of religious communities letters and a number of published and unpublished diaries by girls and women to reveal a greater range of women s experiences than proscribed generalized roles Through close readings of these texts Smart uncovers the authors perspectives on events such as the 1837 Rebellion the Montreal cholera epidemic of 1848 convent school education the struggle for women s rights in the early twentieth century and the Quiet Revolution Drawing attention to the individuality of each writer while situating her within the social and ideological context of her era this book further explores the ways women and girls reacted to and often rebelled against the constraints imposed on them by both Church and state Written in a clear and compelling narrative style that brings women s voices to life *Writing Herself into Being* the author s own translation of her award winning French language book *De Marie de l Incarnation Nelly Arcan Se dire se faire par l criture intime* Bor al 2014 offers a new and gendered view of various periods in Quebec history

Contested Spaces, Counter-Narratives, and Culture from Below in Canada Roxanne Rimstead, Domenico A. Beneventi, 2019-02-28 *Contested Spaces* Counter narratives and Culture from Below in Canada and Qu bec explores strategies for reading space and conflict in Canadian and Qu b cois literature and cultural performances positing questions such as how do these texts and performances produce and contest spatial practices What are the roles of the nation city community and individual subject in reproducing space particularly in times of global hegemony and neocolonialism And in what ways do marginalized individuals and communities represent contest or appropriate spaces through counter narratives and expressions of culture from below Focusing on discord rather than harmony and consensus this collection disturbs the idealized space of Canadian multicultural pluralism to carry literary analysis and cultural studies into spaces often undetected and unforeseen including flophouses and slums shantytowns and urban alleyways underground spaces and peep shows and inner city urban parks as they are experienced by minorities and other marginalized groups These essays are the products of sustained high level collaboration across French and English academic communities in Canada to facilitate theoretical exchange on the topic of space and contestation uncover geographies of exclusion and generate new spaces of hope in the spirit of pioneering works by Henri Lefebvre Michel Foucault Michel de Certeau Doreen Massey David Harvey and other prominent theorists of space
