Unfinished Business Charles M. Sell, 1989 The answers lie in defensive behavior we used as children to cope with a home life sometimes terrifying and often unpredictable But what worked then doesn't work now The good news is we don't have to be enslaved to the past Charles Sell combines personal experience with extensive research dealing the traits common to adult children Without accusing or attacking he reveals the impact of our childhood families and provides a biblically based resolution to inner conflict Fearless Living in Troubled Times Michael Youssef, 2017-08-01 How Can I Live Out My Faith Amid a World in Distress Imagine a life of peace and purpose in the face of global disasters increasing persecution and economic instability Is it really possible to live fearlessly in such troubled times Dr Michael Youssef points to the first century church guiding you through the practical wisdom and powerful hope found in 1 and 2 Thessalonians Paul's letters to believers who lived in a hostile world Through these chapters you will discover how to experience a productive God honoring life now while also looking toward eternity overcome the fear of criticism affliction and even death with the right perspective understand the true nature of the end times and what you can expect in the future Explore what it means to be part of God's family in a day when people desperately need to see your unwavering faith **Singleness, Marriage, and the Will of God** J. Robin Maxson, 2012 Not everyone will marry or should but virtually all single adults think about marriage And all make decisions that either maintain their singleness or attempt to change it This book by the authors of the groundbreaking *Decision Making and the Will of God* offers an in depth tutorial to help singles apply biblical principles to the critical choices they confront Do I want to get married Are there good reasons to remain single What sort of person should I consider as a potential spouse How do I look for a mate What should I do if no spouse shows up What is God's role in the decision making process This comprehensive volume will equip readers to make wise choices about marriage according to the will of God It's also an invaluable resource for parents counselors and pastors Healing the Dysfunctional Church Family: When Destructive Family Patterns Infiltrate the Body of Christ David Mains, 2014-10-18 Christians don't check their dysfunctional habits at the church door Coiffed and buttoned down on the outside inside we still bring our compulsions and addictions our urges to criticize compare and deny Try as we might to cover up we often behave in church just like we do at home It's time to stop pretending No church is perfect just as no family is perfect This book calls us to accept the church's humanness the fact that we tend to make messes of our lives as it explores eight common dysfunctions But it also calls us to reaffirm that each local congregation in the body of Christ ought to be a place where we can come and feel loved helped forgiven and given hope to go out and do better next time After all God created the church to be the best family in the whole world Small group discussion questions and helpful excerpts from other books are included with each chapter Family Ministry Charles M.
