War-Path and Bivouac, Or the Conquest of the Sioux John F. Finerty, 2020-05-22 War Path and Bivouac Or the Conquest of the Sioux is a fascinating account of the Indian Wars in the West John Finnerty describes his experiences in the Big Horn and Yellowstone expedition of 1876      **War-path and Bivouac** John Frederick Finerty, 1890      *War-path and Bivouac Or, the Conquest of the Sioux* John F. Finerty, 1977      **Warpath and Bivouac: Or the Conquest of the Sioux (1890)** John Finerty, 2020-11-22 A very spirited narrative of Indian warfare The Atlantic 1892 One of the best of all the books written upon the Indian troubles Magazine of Western History 1890 One of the most interesting and best written stories Life and Adventures of Frank Grouard Chief of Scouts 1891 Some of the fiercest and bloodiest fighting ever done on our frontier graphically told narrated by one of the active participants N Y Independent 1891 Christened The Fighting Correspondent by famous scout Frank Grouard John Finerty serving as field correspondent of the Chicago Times would on more than one occasion narrowly escape massacre in the four Indian wars he covered including the campaign against Sitting Bull in 1876 and the famous Sibley scouting expedition in the Big Horn mountains As Finerty details in his 1890 book Warpath and Bivouac he endeared himself alike to the officers and men of Crook s command and shared all their dangers and deprivations The journalistic profession has just cause for pride over the conspicuous bravery that characterized this fighting correspondent According to Scout Frank Grouard Finerty importuned him to be permitted to accompany him on every scouting expedition that was organized but not until the starting of the Sibley party did the correspondent have his wishes gratified When Finerty asked to accompany the Sibley party General Crooke warned him that he might get into more trouble than perhaps I anticipated Lieutenant Bourke the asked him what kind of an epitaph I would like him to write for me It turned out these warnings should have been heeded as Finerty would find out Groups of mounted savages appeared on the bluffs north and east of us Most of them were in full war costume My horse stumbled from the shock of the bullet but recovered its feet almost immediately and bore me in safety to the edge of the timber under the rapid Indian fire I could hear their bullets rattling against the pine tree trunks like hail stones on the roof of a barn We could distinctly hear their savage encouraging yells to each other and Gruard said that Sioux and Cheyennes were allied in the attacking force all of whom appeared to be in great glee at the prospect of a scalping entertainment In describing his arranged meeting with Sitting Bull Finerty noted that I have followed Sitting Bull around long enough and now I shall behold the lion in his den in earnest Soon afterward an Indian mounted on a cream colored pony and holding in his hand an eagle s wing which did duty for a fan spurred in back of the chiefs and stared stolidly for a minute or so at me His hair parted in the ordinary Sioux fashion was without a plume His broad face with a prominent hooked nose and wide jaws was destitute of paint His fierce half bloodshot eyes gleamed from under brows which displayed large perceptive organs and as he sat there on his horse regarding me with a look which seemed blended of curiosity and insolence About the author John Frederick Finerty 1846 1908 was a U S

Representative from Illinois Born in Ireland Finerty immigrated to the United States in 1864 He enlisted in the Union Army during the Civil War serving in the New York State Militia He was a war correspondent for the Chicago Times in the Sioux War of 1876 in the Northern Indian Sioux War of 1879 in the Ute campaign of 1879 and afterward in the Apache campaign of 1881 He was a correspondent in Washington D C during 1879 1881 He established the Citizen a weekly newspaper in Chicago in 1882

NARRATIVE. John Frederick Finerty,1961 **War-Path and Bivouac Or the Conquest of the Sioux** John Frederick Finerty,2012-08 A first hand account of the Indian Wars in the West Those interested in the history of the Plains Indians Wars of the United States of America may well have heard of this book by John F Finnerty for it is an acknowledged classic of the period Finnerty was one of that dauntless breed of newspaper correspondents who joined the army in the field to report these exciting episodes in the winning of the West at first hand These courageous professional writers who of course exist to the present day combine eye witness experience with the ability to translate what they have seen expertly into words In the old West as today the task cost some of them their lives Finnerty reported for the Chicago Times newspaper and in 1876 he was dispatched to the western plains to witness the subjugation of the Sioux Indian tribe and their allies He was to find himself present at some of the most notable events in the history of the period and within these pages the reader will be transported to the Battle of the Rosebud and the Sibley Scout Finnerty s words give an immediacy to the Battle of the Little Big Horn to Merritt s fight on the War Bonnet and the fight at Slim Buttes Finnerty joined the army on campaign again in 1879 for the actions that finally broke the Sioux and brought Sitting Bull to captivity Leonaur editions are newly typeset and are not facsimiles each title is available in softcover and hardback with dustjacket Military Conquest of the Prairie Tore T. Petersen,2016-06-10 The Military Conquest of the Prairie is a study on the final wars on the prairie from the Native American perspective When the reservation system took hold about one third of tribes stayed permanently there one third

during the harsh winter months and the last third remained on what the government termed unceded territory which Native Americans had the right to occupy by treaty For the Federal government it was completely unacceptable that some Indians refused to submit to its authority Both the Red River war 1874 75 in the south and the great Sioux war 1876 77 in the north were the direct result of Federal violation of treaties and agreements At issue was the one sided violence against free roaming tribes that were trying to maintain their old way of life at the heart of which was avoidance on intermingling with white men Contrary to the expectations of the government and indeed to most historical accounts the Native Americans were winning on the battlefields with clear conceptions of strategy and tactics They only laid down their arms when their reservation was secured on their homeland thus providing their preferred living space and enabling them to continue their way of life in security But white man perfidy and governmental double cross were the order of the day The Federal government found it intolerable that what it termed savages should be able to determine their own future Vicious attacks were initiated in order to stamp out tribalism resulting in driving the US aboriginal population almost to extinction Analysis of these events is discussed in light of the passing of the Dawes Act in 1887 that provided for breaking up the reservations to the Indian Reorganization Act of 1934 that gave a semblance of justice to Native Americans **Sioux Warrior vs US Cavalryman**

Ron Field,2019-09-19 Following the discovery of gold deposits in December 1875 the US Government ordered the indigenous population of the Black Hills in what is now South Dakota and Wyoming the Sioux to return to the Great Sioux Reservation When the Sioux refused the US Army sent forces into the area sparking a conflict that would make Lieutenant Colonel George Custer Chief Sitting Bull Crazy Horse and others household names around the world Examining a series of engagements in the Black Hills War including Rosebud Little Bighorn and Slim Buttes this fully illustrated study assesses the forces fighting on both sides in this momentous campaign casting light on the origins tactics armament and battlefield performance of the US Cavalry and their Sioux opponents at the height of the Indian Wars **Fort Laramie** Douglas C. McChristian,2017-03-13 Of all the U S Army posts in the West none witnessed more history than Fort Laramie positioned where the northern Great Plains join the Rocky Mountains From its beginnings as a trading post in 1834 to its abandonment by the army in 1890 it was involved in the buffalo hide trade overland migrations Indian wars and treaties the Utah War Confederate maneuvering and the coming of the telegraph and first transcontinental railroad Douglas C McChristian has written the first complete history of Fort Laramie chronicling every critical stage in its existence including its addition to the National Park System He draws on an extraordinary array of archival materials including those at Fort Laramie National Historic Site to present new data about the fort and new interpretations of historical events Emphasizing the fort s military history McChristian documents the army s vital role in ending challenges posed by American Indians to U S occupation and settlement of the region and he expands on the fort s interactions with the many Native peoples of the Central Plains and Rocky Mountains He provides a particularly lucid description of the infamous Grattan fight of 1854 which initiated a

generation of strife between Indians and U S soldiers and he recounts the 1851 Horse Creek and 1868 Fort Laramie treaties  
Meticulously researched and gracefully told this is a long overdue military history of one of the American West s most  
venerable historic places
