A Neighborhood That Never Changes Japonica Brown-Saracino,2010-01-15 Newcomers to older neighborhoods are usually perceived as destructive tearing down everything that made the place special and attractive But as A Neighborhood That Never Changes demonstrates many gentrifiers seek to preserve the authentic local flavor of their new homes rather than ruthlessly remake them Drawing on ethnographic research in four distinct communities the Chicago neighborhoods of Andersonville and Argyle and the New England towns of Provincetown and Dresden Japonica Brown Saracino paints a colorful portrait of how residents new and old from wealthy gay homeowners to Portuguese fishermen think about gentrification The new breed of gentrifiers Brown Saracino finds exhibits an acute self consciousness about their role in the process and works to minimize gentrification s risks for certain longtime residents In an era of rapid change they cherish the unique and fragile whether a dilapidated house a two hundred year old landscape or the presence of people deeply rooted in the place they live Contesting many long standing assumptions about gentrification Brown Saracino s absorbing study reveals the unexpected ways beliefs about authenticity place and change play out in the social political and economic lives of very different neighborhoods

Hidden History of Cleveland Sports Marc Bona,2021-06-28 Cleveland sports history goes well beyond The Shot The Fumble The Drive and so many other ignoble

moments Many of the city's most illustrious sports tales are long forgotten chapters of tribulations and tragedy of fleeting fame and enduring milestones There are forgotten firsts such as football's first pass and the invention of baseball's slider having ties to Cleveland There are overshadowed tragedies like a fatal crash involving an Indians pitcher occurring the same year two of the team's hurlers were killed in a high profile boating accident And then there are the near misses like George Steinbrenner coming within seconds of owning the Indians and a famous musician who almost became a Cleveland Brown From basketball to boxing hockey to Heisman journalist Marc Bona chronicles more than a century of unremembered tales
