Watchman Nee S:

Christ is All Spiritual Matters and Things Watchman Nee, 2001 God is Willing Watchman Nee, 2001 *A Balanced Christian Life* Watchman Nee, 1981-12-01 Ephraim is a cake not turned Hosea 7 8 This is a figurative way of saying not balanced The cake is burned on the one side uncooked on the other on one side it is overdone on the other totally undone The cake is unfit to be eaten and is thus destined to be cast out Our God is most balanced He is love and He is light Our Lord Jesus is full of grace and full of truth The Holy Spirit is the Spirit of wisdom as well as of revelation In creation God hath measured the waters in the hollow of his hand and meted out heaven with a span and comprehended the dust of the earth in a measure and the hills in a balance Is 40 12 Concerning redemption it is said that mercy and truth are met together righteousness and peace have kissed each other Truth springeth out of the earth and righteousness hath looked down from heaven Ps 85 10 11 The new creation therefore must be well balanced In this present volume Watchman Nee attempts to show from God s word the perfect equilibrium of divine truth Human nature however is prone to emphasize one side to the exclusion of the other side of truth This has caused much confusion and many problems among God s people It is essential that we know the balance of truth and hold on to both sides so that our Christian life may be well rounded as God has ordained The contents of the book opens with a treatment of the balance between the gate and the way continues with a presentation of the balance between the objective and the subjective includes a discussion on the work inward and the work outward in the Christian life as well as on the rest given and the rest found as promised by Christ contemplates the other side of prayer frequently neglected namely to watch and concentrates on the other less emphasized aspect of the trespass offering that of restoration The book then provides a commentary on the contrast between the truly meek and the spiritually poor and finally concludes with a consideration of the equilibrium that is so necessary between the believer s faith and the believer s walk May all who read this volume be brought into a balanced Christian life **The Collected Works of Watchman Nee** Watchman Nee, 1993 Watchman Nee s writings have become well known for their deep spiritual insight among Christians in many nations for many years Through these volumes a full understanding of his balanced and proper view concerning the Bible and the spiritual life can be accurately appreciated This new compilation and retranslation of Watchman Nee s writings present the reader a fresh and unedited version of his ministry and promises to shed new light on the reader s understanding of Watchman Nee s ministry *The Renewing of the Mind* Watchman Nee, 1998-02 **Secrets to Spiritual Power** Watchman Nee, 1999-02-01 Watchman Nee experienced such a close intimacy with the Lord that many remarkable insights into triumphant Christian living were revealed to him by the Holy Spirit Now these truths are available to you so that you can have the same kind of vibrant relationship with God This collection of Watchman Nee s time tested words of wisdom will inspire you to Enjoy all that is yours in Christ Know for sure that you are saved Overcome adversity and Satan s power Receive guidance from the Holy Spirit Find daily strength for daily needs See the truths of the Bible come

alive Have faith that moves mountains You will be set free from all sin and bondage as you discover not only that Christ is your salvation but also that He is your sanctification In fact Christ will be to you all that you need your victory your power your life God will pour out His blessings to you in Christ You can receive His powerful provision today **The Body of Christ: A Reality** Watchman Nee,1978-03-10 In this little volume of collected messages Watchman Nee attempts to show us the reality of the Body of Christ proving that the body of Christ is founded on life and life consciousness built on a living relationship between members and head **If Anyone Sins** Watchman Nee,1997-11 **Catching Men** Watchman Nee,2003-01-01 In this chapter extracted from Watchman Nee's What Shall This Man Do he examines two pressing questions What is the minimum requirement in a sinner if he is to find the Lord and be saved And how do we bring men having only the absolute minimum of knowledge or desire for God into a living touch with Him A vital topic **Prayer** Watchman Nee,1997-11 *God's Plan and the Overcomers* Watchman Nee,1977-01-01 Does God have a plan What is it Are we involved in it Watchman Nee lays before us the eternal plan of God which is to sum up all things in Christ that Christ might have the preeminence **The Life that Wins** Watchman Nee,1986 Do you know the life that wins Are you ashamed of the kind of Christian life you live Have you failed so terribly in your striving for victory that you cry out Wretched man that I am who shall deliver me Rom 7 24 Be assured that your salvation is at hand thank God through Jesus Christ our Lord v 25 For the life that wins is not attained but obtained It is not a life changed but rather a life exchanged It is not suppression only expression It is frankly not in you yourself because it is in Christ who lives in you The life which God gives and you receive at the time you believe in His Son Jesus Christ is such a life It is a life that overcomes sin provides intimate communion with God and is full of satisfaction and power It is already in you waiting to be explored by you The secret towards experiencing its power is to let go of yourself and let Christ live instead of you This requires a childlike faith Then shall you more than conquer through Him who loves you In order to help believers into enjoying this life that wins Watchman Nee delivered a series of messages on this subject at a conference held in Shanghai China in the months of September and October 1935 He dealt with the full range of this important subject in his usual thoroughness yet simplicity and directness At that conference the author began with the believer's personal experience which shamefully is much less than desired Then by contrast he described the kind of Christian life as ordained by God Next he dealt with the nature of this life that wins before he showed the way of entering into it In more detail he treated the matters of yielding and believing which are the conditions for crossing the threshold of victory But the author of these messages then warned his audience of the testing of faith which must follow He exhorted believers to grow in the grace of Jesus Christ He stressed also the need for having the note of triumph which is praise And finally he concluded with the first and last act after victory which is consecration These messages are now being translated from the Chinese for the first time and presented to the readers in book form May the Lord of glory be glorified through His life being lived out in His own **Heart-to-Heart Talks** Watchman Nee,2014-05-27 Deep calleth unto deep at the noise of

thy waterfalls Psalm 42 7a What can be deeper than the heart Solomon the wisest of men advised us saying Keep thy heart with all diligence for out of it are the issues of life Proverbs 4 23 When a heart has heard the voice of God it calls other hearts to hear and to respond This is exactly what brother Watchman Nee tried to share with us from his heart During his years of ministry he realized that only words coming from a heart that God had spoken to could reach the heart of others Not that knowledge is unnecessary but it must come from revelation or enlightenment from above for only such knowledge is living and operative which can reach the depth of man s heart Brother Nee wrote and spoke to many hearts to the glory of God

The Holy Spirit and Reality Watchman Nee,2001-07 The Christian life seemingly involves many outward matters and things such as baptism the breaking of bread worship praise prayer forgiveness humility and love for one another As such it is easy to focus on these things but miss the spiritual reality behind them This reality is the Holy Spirit Apart from the Holy Spirit who is the Spirit of reality all of these things no matter how faithfully practiced are merely outward conduct that is devoid of any real inward spiritual content

Early Rising Watchman Nee,1997-11 **Powerful According to God** Watchman Nee,2005-11-01 Prayer is the very breath of spiritual life It begins with the sinner s prayer and it ends with the saint s final committing his spirit to God It is so simple that a child can utter yet it is so profound that it requires a lifetime to learn There is no graduation from the school of prayer Prayer measures the spirituality of a believer It is the highest ministry one can ever render to God In this present volume brother Watchman Nee shares with us his thoughts on prayer so as to help us in our meditation He leads us from why do we pray through how should we pray to how can we be powerful according to God in prayer This spiritual art of prayer is open to all who have a heart for God

How to Study the Bible Watchman Nee,1999 The Bible is the inspired word of God and every believer should study it in order to know the rich and vast content of God s divine provisions When God speaks He does so through His established eord Therefore we must study the Bible in a proper way in order to let the word of God dwell richly in our hearts In order to study the Bible we first must be proper persons having passed through the necessary spiritual training under the Lord s leading and guiding We must also use the right methods Many good books have been printed on how to study the Bible but most pay attention only to methods of studying the Bible They do not pay enough attention to the person who studies the Bible Even with the right methods we can receive very little in our study of the Bible if Our person is not proper before the Lord
