Waxing Eloquent Italian Portraits In Wax

Pamela H. Smith

Waxing Eloquent Italian Portraits In Wax:

Waxing Eloquent Andrea Daninos, 2012 This catalogue analyses a field of art history that only recently has been given renewed attention with the translation in French English and Italian of Julius von Schlosser's History of Portraiture in Wax originally published in German a century ago

Religious Materiality in the Early Modern World Suzanna Ivanic, Mary Laven, Andrew Morrall, 2025-10-01 This collection of essays offers a comparative perspective on religious materiality across the early modern world Setting out from the premise that artefacts can provide material evidence of the nature of early modern religious practices and beliefs the volume tests and challenges conventional narratives of change based on textual sources Religious Materiality in the Early Modern World brings together scholars of Catholic Protestant Jewish Islamic and Buddhist practices from a range of fields including history art history museum curatorship and social anthropology The result is an unprecedented account of the wealth and diversity of devotional objects and environments with a strong emphasis on cultural encounters connections and exchanges

The Anatomical Venus Morbid Anatomy Museum, Joanna Ebenstein, 2016-05-16 Beneath the original Venetian glass and rosewood case at La Specola in Florence lies Clemente Susini's Anatomical Venus c 1790 a perfect object whose luxuriously bizarre existence challenges belief It or better she was conceived of as a means to teach human anatomy without need for constant dissection which was messy ethically fraught and subject to quick decay This life sized wax woman is adorned with glass eyes and human hair and can be dismembered into dozens of parts revealing at the final remove a beatific foetus curled in her womb Sister models soon appeared throughout Europe where they not only instructed the specialist students but also delighted the general public Deftly crafted dissectable female wax models and slashed beauties of the world's anatomy museums and fairgrounds of the 18th and 19th centuries take centre stage in this disquieting volume Since their creation in late 18th century Florence these wax women have seduced intrigued and amazed Today they also confound troubling the edges of our neat categorical divides life and death science and art body and soul effigy and pedagogy spectacle and education kitsch and art Incisive commentary and captivating imagery reveal the evolution of these enigmatic sculptures from wax effigy to fetish figure and the embodiment of the uncanny

The Moving Statues of Seventeenth-Century Amsterdam Angela Vanhaelen, 2022-03-08 This book opens a window onto a fascinating and understudied aspect of the visual material intellectual and cultural history of seventeenth century Amsterdam the role played by its inns and taverns specifically the doolhoven Doolhoven were a type of labyrinth unique to early modern Amsterdam Offering guest lodgings these licensed public houses also housed remarkable displays of artwork in their gardens and galleries The main attractions were inventive displays of moving mechanical figures automata and a famed set of waxwork portraits of the rulers of Protestant Europe Publicized as the most innovative artworks on display in Amsterdam the doolhoven exhibits presented the mercantile city as a global center of artistic and technological advancement This evocative tour through the doolhoven pub gardens where drinking entertainment and the acquisition of

knowledge mingled in encounters with lively displays of animated artifacts shows that the exhibits had a forceful and transformative impact on visitors one that moved them toward Protestant reform Deeply researched and decidedly original *The Moving Statues of Seventeenth Century Amsterdam* uncovers a wealth of information about these nearly forgotten public pleasure parks situating them within popular culture religious controversies global trade relations and intellectual debates of the seventeenth century It will appeal in particular to scholars in art history and early modern studies **Old Age in Art**

Larry Silver, 2025-05-13 A sweeping history of aging in European art across centuries *Old Age in Art* shows how elders have been depicted from ancient Greece and Rome to the present century The book explores portraits including self portraits and stories of older figures in religion myth and history focusing on the theme of wisdom versus folly Larry Silver also discusses the concept of old age within the Middle Ages and early modern periods The final chapter examines how renowned artists like Michelangelo Titian and Monet turned to experimental forms and new subjects in their later years This book provides a comprehensive overview of old age in European art history **The Man Who Broke Michelangelo's Nose** Felipe

Pereda, 2024-08-20 Renaissance sculptor Pietro Torrigiano has long held a place in the public imagination as the man who broke Michelangelo's nose Indeed he is known more for that story than for his impressive prowess as an artist This engagingly written and deeply researched study by Felipe Pereda a leading expert in the field teases apart legend and history and reconstructs Torrigiano's work as an artist Torrigiano was in fact one of the most fascinating characters of the sixteenth century After fighting in the Italian wars under Cesare Borgia the Florentine artist traveled across four countries working for such patrons as Margaret of Austria in the Netherlands and the Tudors in England Torrigiano later went to Spain where he died in prison accused of heresy by the Inquisition for breaking a sculpture of the Virgin and Child that he had made with his own hands In the course of his travels Torrigiano played a crucial role in the dissemination of the style and the techniques that he learned in Florence and he interacted with local artisanal traditions and craftsmen developing a singular terracotta modeling technique that is both a response to the authority of Michelangelo and a unique testimony to artists mobility in the period As Pereda shows Torrigiano's life and work constitute an ideal example to rethink the geography of Renaissance art challenging us to reconsider the model that still sees the Renaissance as expanding from an Italian center into the western periphery **The Modeller** Frits Scholten, 2025-06-30 In these days the most famous modeller this is how the Dutch

sculptor Adriaen de Vries 1556-1626 was characterised in 1621 A virtuoso modeller De Vries explored new ways to enliven his art His bronze sculptures were made in a radically new sketchy style with free figure compositions and a vigorous treatment of human anatomy often balancing on the border between realism and distortion This book explores how and why a Late Renaissance sculptor broke so drastically with the prevailing stylistic paradigm of his time in search of *vivezza* natural liveliness and the *viva figura* the statue on the brink of coming to life Adriaen de Vries aimed to create sculptures that move in the metaphorical no man's land between death and life back and forth from inert bronze to apparent vitality as this study

will argue *Malleable Anatomies* Lucia Dacome, 2017 An account of the practice of anatomical modelling in mid eighteenth century Italy showing how anatomical models became an authoritative source of medical knowledge but also informed social cultural and political developments at the crossroads of medical learning religious ritual antiquarian and artistic cultures and Grand Tour spectacle *Shakespeare Beyond the Green World* Todd Andrew Borlik, 2023 Unpicking the ecopolitics of Shakespeare's plays at the Stuart court this book establishes that the playwright was remarkably attentive to the environmental issues of his era Combining environmental history with close readings of Shakespearean wordplay original typography and performance conditions this study re-wilds the Renaissance stage *Origins of English Revenge Tragedy* Oppitz-Trotman George Oppitz-Trotman, 2019-05-15 Investigates the figures and materials of English tragedy Key Features Establishes a new approach to the relationship between historical performance and printed literature Complicates the popular concept of metatheatre Offers boldly original readings of important English tragedies like *Hamlet* and *The Spanish Tragedy* Shows how our encounter with difficulty in the reading of revenge plays can be equivalent to an imaginative confrontation with the contradictions of early modern theatrical action Charting a new course between performance studies and literary criticism this book explores how recognition of the dramatic person is involved in theatrical materiality It shows how the moral difficulty of revenge in plays like *The Spanish Tragedy* *Hamlet* and *The Duchess of Malfi* is inseparable from the difficulty of discerning human shapes in the theatre and on the page Intervening in a wide range of current debates within early modern studies Oppitz Trotman argues that the origins of English tragic drama cannot be understood without considering how the common player appears in it **Venice and the Veneto during the Renaissance: the Legacy of Benjamin Kohl** Knapton, Michael, Law, John E., Smith, Alison, 2014 Benjamin G Kohl 1938 2010 taught at Vassar College from 1966 till his retirement as Andrew W Mellon Professor of the Humanities in 2001 His doctoral research at The Johns Hopkins University was directed by Frederic C Lane and his principal historical interests focused on northern Italy during the Renaissance especially on Padua and Venice His scholarly production includes the volumes *Padua under the Carrara* 1318 1405 1998 and *Culture and Politics in Early Renaissance Padua* 2001 and the online database *The Rulers of Venice* 1332 1524 2009 The database is eloquent testimony of his priority attention to historical sources and to their accessibility and also of his enthusiasm for collaboration and sharing among scholars **From Lived Experience to the Written Word** Pamela H. Smith, 2022-09-30 How and why early modern European artisans began to record their knowledge In *From Lived Experience to the Written Word* Pamela H Smith considers how and why beginning in 1400 CE European craftspeople began to write down their making practices Rather than simply passing along knowledge in the workshop these literate artisans chose to publish handbooks guides treatises tip sheets graphs and recipe books sparking early technical writing and laying the groundwork for how we think about scientific knowledge today Focusing on metalworking from 1400 1800 CE Smith looks at the nature of craft knowledge and skill studying present day and historical practices objects recipes and artisanal

manuals From these sources she considers how we can reconstruct centuries of largely lost knowledge In doing so she aims not only to unearth the techniques material processes and embodied experience of the past but also to gain insight into the lifeworld of artisans and their understandings of matter

Like Life Luke Syson,Sheena Wagstaff,Emerson Bowyer,Brinda Kumar,2018-03-19 Since before the myth of Pygmalion bringing a statue to life through desire artists have used sculpture to explore the physical materiality of the body This groundbreaking volume examines key sculptural works from thirteenth century Europe to the global present revealing new insights into the strategies artists deploy to blur the distinction between art and life Three dimensional renderings of the human figure are presented here in numerous manifestations created by artists ranging from Donatello and Edgar Degas to Kiki Smith and Jeff Koons Featuring works created in media both traditional and unexpected such as glass leather and blood Like Life presents sculpture by turns conventional and shocking including effigies dolls mannequins automata waxworks and anatomical models Texts by curators and cultural historians as well as contemporary artists complete this provocative exploration of realistic representations of the human body p p1

margin 0 0px 0 0px 0 0px font 14 0px Verdana *Hermeneutik des Gesichts* Uwe Fleckner,Titia Hensel,2016-04-11 Das Porträt ist seit seinen Anfängen und bis in die Kunst der unmittelbaren Gegenwart hinein als eine Kunstform der Widersprüche zu charakterisieren Vor die Aufgabe gestellt mit dem individuellen Menschen und seiner Charakterisierung einen strikt vorgegebenen Gegenstand zu erfassen und zugleich ein Kunstwerk eigenen Rechts zu gestalten sehen sich ständige Bildnisformen einem ästhetischen Konflikt ausgesetzt dessen Lösungen denkbar stark zwischen naturnaher Wiedergabe und weitgehend abstrakter Werkerfindung oszillieren Der vorliegende Band widmet sich der Gattung des Porträts medienbergreifend und in seiner gesamten thematischen Bandbreite Von der Erkundung des Individuums im Bildnis über die politische Funktion der Gattung von der Stilisierung des Menschen zu Maske Rolle und Typus bis hin zu den Inszenierungsstrategien des Künstlers im Selbstporträt reichen die gattungstheoretisch angelegten Fallbeispiele internationaler Autoren

Magische Bilder Uwe Fleckner,Iris Wenderholm,2016-12-19 Magische Bilder werden gemeinhin frühen Epochen oder primitiven Kulturstufen der Menschheit zugewiesen Seit der Antike sind Bildbestrafungen bekannt bei denen die magische Präsenz des Menschen im Kunstwerk angenommen wird Doch die historischen Bilderstrafe haben selbst in unserer aufgeklärten Gegenwart ein faszinierendes Nachleben etwa in den Attacken auf Denkmäler oder Wahlplakate Das afrikanische Kultobjekt das wunderliche Madonnenbild und der Talisman aber auch das bildliche Substitut eines Rock oder Filmstars der im Bild verehrt wird sie alle stellen die Forschung vor vergleichbare Herausforderungen Der vorliegende Band untersucht magische Bilder in anthropologischer sowie medialer Perspektive und kommt so der Frage näher zu was ein Kunstwerk zum magischen Bild macht

Wiener Jahrbuch für Kunstgeschichte LXVI Sebastian Schütze,2021-12-13 Julius von Schlosser 1866 1938 ist eine der großen Figuren der Kunstgeschichte und darf neben Alois Riegl 1858 1905 als einflussreichster Vertreter der Wiener Schule gelten Zum 150 Geburtstag positionieren die hier

vorgelegten Beiträgen den Wiener Gelehrten in der Geschichte der Kunstgeschichte und innerhalb des aktuellen Methodendiskurses. Die Beiträge gehen auf eine vom Kunsthistorischen Museum und dem Institut für Kunstgeschichte der Universität Wien gemeinsam veranstaltete Tagung zurück und eröffnen neue Perspektiven auf Leben und Werk Julius von Schlossers. Zentrale Themen bilden seine einflussreiche Rolle als Museumsmann und Universitätslehrer und seine bis heute stark rezipierten Publikationen zu den Kunst und Wunderkammern der Spätrenaissance, zur Porträtbildnerei in Wachs und zur Kunstliteratur, aber auch seine Bedeutung als Historiograph der Wiener Schule, seine Ambitionen als Brückenbauer zwischen Deutschland und Italien und sein Verhältnis zu wichtigen Zeitgenossen wie Wilhelm von Bode, Alois Riegl, Aby Warburg, Heinrich Wölfflin, Karl Vossler und Benedetto Croce.

Waxing Eloquent Italian Portraits In Wax Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In todays fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Waxing Eloquent Italian Portraits In Wax PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to

focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Waxing Eloquent Italian Portraits In Wax PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Waxing Eloquent Italian Portraits In Wax free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.
