The Way of the Cardines (Classic Reprint) Stanley Portal Hyatt, 2015-07-12 Excerpt from The Way of the Cardines The town of Mati was still asleep at least for all practical purposes True a few native fishermen were languidly getting ready to launch their canoes and the never ending war between lean pig and leaner dog a war in which the spoils were stray pieces of offal was being waged in a score of places along the beach but beyond these and the inevitable water buffalo wallowing heavily in the mud at the back of the old stone fort nothing was stirring Possibly a stranger would have found it hard to believe that Mati really was the principal seaport of the Island of Katu yet in fairness to the place it must be admitted that it was abnormally quiet that morning About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
