Your Face Never Lies Introduction To Oriental Diagnosis:

Your Face Never Lies Michio Kushi, 1983-05-01 A quick glance in the mirror can tell you much about your health The shape of your face alone reveals a great deal Your posture skin tone facial structures and handwriting can tell you even more They all reflect the vitality of your constitution at birth the quality of your diet and the strengths and weaknesses of your internal organs Your Face Never Lies will lead you beyond the narrow limits of western medicine Much more than a tool for helping those who are ill the ancient skill described by macrobiotics expert Michio Kushi will help you to better understand yourself your life and your relationship with nature And through the enhancement of your inherent observational abilities this time proven technique can begin to benefit you and those around you in only a few days *Your Face Never Lies* Michio Kushi, 1983-05-01 A quick glance in the mirror can tell you much about your health The shape of your face alone reveals a great deal Your posture skin tone facial structures and handwriting can tell you even more They all reflect the vitality of your constitution at birth the quality of your diet and the strengths and weaknesses of your internal organs Your Face Never Lies will lead you beyond the narrow limits of western medicine Much more than a tool for helping those who are ill the ancient skill described by macrobiotics expert Michio Kushi will help you to better understand yourself your life and your relationship with nature And through the enhancement of your inherent observational abilities this time proven technique can begin to benefit you and those around you in only a few days Your Face Never Lies Michio Kushi, 1983 **Shiatsu** Oliver Cowmeadow, 2012-04-24 Developed from a traditional form of Japanese massage Shiatsu is based upon the same philosophy and medical theory as acupuncture and other oriental healing methods Literally translated Shiatsu means finger pressure but practitioners also use their palms knees and forearms and employ stretching techniques These combine in a simple but effective form of treatment used to promote health and general well being as well as to cure illness and prevent future problems In this straight forward step by step guide Oliver Cowmeadow introduces us to the ways in which Shiatsu can be beneficial to both the person giving and person receiving Shiatsu A Practical Introduction clearly explains The role of energy in Shiatsu How to give the full body Shiatsu treatment How to eat an energetically balanced diet to promote health How to treat simple health problems with Shiatsu Methods of oriental diagnosis Common uses of acupressure points Energy balancing exercises for yourself Oliver Cowmeadow has been teaching Shiatsu for more than 20 years and is the founder and principal of the Devon School of Shiatsu *Alternative Healthcare* Jack Raso, 2013-12-05 Raso examines the philosophical underpinnings of alternative medicine as well as hands on healing Qigong and faith healing He shows that whatever the specific philosophy the common denominator is a rejection of the scientific approach of modern medicine in favor of a belief in paranormal forces that influence the well being of mind and body The final section is a firsthand account of Raso's many revealing visits to various alternative healthcare practitioners The book concludes with an encyclopedic glossary of alternative healthcare terminology **No More Cancer** Gary Null, 2014-07-29 One word strikes more fear into a person's

mind than any other CANCER The physical mental emotional and financial toll that comes with a cancer diagnosis is immense and affects not only cancer patients but also families and entire communities This year alone approximately 600 000 Americans will lose their lives to cancer and the forecast shows no signs of improving Recent estimates tell us that 41 percent of all Americans will be diagnosed with cancer during their lifetimes and 21 percent of the population will lose their lives to this devastating disease Cancer has evolved into a national crisis that touches each and every one of us The vast majority of individuals who lose the battle against cancer are treated with the standard orthodox therapy These people may never have questioned their oncologists believing that they were in the best possible hands with their physicians advanced education knowledge of latest treatments and all the tools of modern research at their disposal In this groundbreaking book Gary Null debunks the commonly accepted belief that drugs and chemotherapy are the only cures for cancer and explores the alternative treatments that most mainstream doctors will never discuss with their patients Dr Null asserts that there are foods and supplements that boost the body s immune system and can actually prevent and reverse cancer Did you know that eating lemons and melons can help balance your body s pH which will help prevent and treat cancer You knew that fiber is important for a healthy diet but did you know that it lowers the risk of breast colorectal uterine and prostate cancers Have you heard of maitake mushrooms which kill cancer cells by enhancing the activity of T helper cells In addition to diet Dr Null discusses important supplements and herbs and cutting edge therapies you may never have heard of With twenty five cancer fighting recipes and testimonials from individuals who have found health through Dr Null s methods this book could save your life

Destiny in your hands P. John Brusasco, 2024-09-06 In this book the first of a quadrilogy the author discusses Holistic Palmistry which teaches us to investigate the surface of the palm enabling us to recognize the entirety in which a person s becoming is placed This helps us make decisions and alter our destiny Unlike Chiromancy which interprets destiny as inevitable Holistic Palmistry believes destiny is in our hands because the signs of existence are drawn and imprinted on them in a continuous exchange and transformation Thus the hands speak to those who know how to read and listen to them This text presents theoretical suggestions and reflections with simple historical and philosophical indications but mainly guides us through the main points and methods for reading hands This offers everyone new possibilities and knowledge
