In other words embracing a career as a personal training can often be a versatile jumping off point for other career opportunities such as being a fitness instructor a health writer Laferrara 2019 or global educator. In order to become a personal trainer you will need to first and foremost get certified as a personal trainer Laferrara 2019. As a prospective personal trainer it would therefore behoove you to become certified by a certifying organization that has been accredited. Certifying organizations have their certification procedures and protocols accredited by an independent third party such as the NCCA or DEAC Laferrara 2019. In order to be able to take the Personal Trainer Certification Exam most certifying organizations require that you have already obtained the CPR certification and AED certification have earned a high school diploma or GED and are at least 18 years Laferrara 2019 old. The costs to become a Personal Trainer and take the Personal Trainer Examination varies from about 300 to significantly more than 1000 and may not include the study materials nor access to workshops Laferrara 2019.
