It is the perfect companion to introducing *The Book Thief* in any classroom. Master the material and ace any assignment with this innovative study guide series. This book is perfect for both students and teachers as it produces true mastery of content knowledge and book details. Using the original text as a guide, you will learn to cite evidence from the text in order to complete and reflect on your reading. Designed under the guidance of an experienced and credentialed instructor, this study guide series GUIDES the learner to discovering the answers for themselves, creating a fully detailed study guide in the user's own words. Filled with guided reading activities, students are able to fill this guidebook with their own information. If you read it, write it, and reflect on it, you will learn it. Teachers, you can also purchase a set of these books or one book and make copies for your entire class. It makes the perfect guided reading activity and will teach students how to internalize the reading, note-taking, and learning process that advanced readers naturally perform. These make the perfect workbook to keep your class engaged and learning. *A Study Guide for Markus Zusak's "The Book Thief (lit-to-film)"* Gale, Cengage Learning, A Study Guide for Markus Zusak's *The Book Thief* (lit to film) excerpted from Gale's acclaimed *Novels for Students*.
