Thin Places A Pilgrimage Home:

Thin Places Ann Armbrrecht, 2010-12-22 *Thin Places* is an eloquent meditation on what it means to move between cultures and how one might finally come home a particular paradox in a culture that lacks deep ties to the natural world During the 1990s Ann Armbrrecht an American anthropologist made several trips to northeastern Nepal to research how the Yamphu Rai acquired farmed and held onto their land how they perceived their area s recent designation as a national park and conservation area and whether as she believed they held a wisdom about living on the earth that the industrialized West had forgotten What Armbrrecht found instead were men and women who shared her restlessness people also driven by the feeling that there must be more to life than they could find in their village Charting Armbrrecht s travels in the mountains of Nepal and in the United States as well as her disintegrating marriage back home *Thin Places* is ultimately an exploration not of the sacred far off but of the sacredness of places that are between between the internal and external landscape the self and others and the self and the land She finds that home is not a place where we arrive but a way of being in place wherever that place may be

Thin Places Ann Armbrrecht, 2008-11-28 *Thin Places* is an eloquent meditation on what it means to move between cultures and how one might finally come home a particular paradox in a culture that lacks deep ties to the natural world During the 1990s Ann Armbrrecht an American anthropologist made several trips to northeastern Nepal to research how the Yamphu Rai acquired farmed and held onto their land how they perceived their area s recent designation as a national park and conservation area and whether as she believed they held a wisdom about living on the earth that the industrialized West had forgotten What Armbrrecht found instead were men and women who shared her restlessness people also driven by the feeling that there must be more to life than they could find in their village We each blamed our dissatisfaction on something in the world she writes not something in ourselves or in the stories we told ourselves about that world If only we lived elsewhere then we would be at home Charting Armbrrecht s travels in the mountains of Nepal and in the United States and her disintegrating marriage back home *Thin Places* is ultimately an exploration not of the sacred far off but of the sacredness of places that are between between the internal and external landscape the self and others and the self and the land She finds that home is not a place where we arrive but a way of being in place wherever that place may be Along the way Armbrrecht explores the disconnections in our most intimate relationships how they stem from the same disconnections that create our destruction of the land and how one cannot be healed without attending to the other

Thin Places and Five Clues in Their Architecture Page Highfill, 2009-07-31 Ever felt a been there before presence at a place you visited for the first time If so you may have stumbled upon a Thin Place described in Celtic history as places where the veil between this world and another becomes very thin places where different eras often seem to merge and places where people feel connected to a stirring presence In this book you will discover how to identify five ways Thin Places engage with us how to utilize the low cost benefits at Thin Places how to score engagement levels at places you visit and how to seed new

Thin Places with your architect Thin Places Tracy Balzer, 2013-07-29 Thin Places introduces contemporary Christians to the great spiritual legacy of the early Celts a legacy that has remained undiscovered or inaccessible for many evangelical Christians It provides ways for us to learn from this ancient faith expression applying fresh and lively spiritual disciplines to our own modern context **Local Place and the Arthurian Tradition in England and Wales, 1400-1700** Mary Bateman, 2023 The first in depth study of Arthurian places in late medieval and early modern England and Wales Winner of the 2024 Dhira B Mahoney Prize for Outstanding Scholarly Book in Arthurian Studies Places have the power to suspend disbelief even concerning unbelievable subjects The many locations associated with King Arthur show this to be true from Tintagel in Cornwall to Caerleon in Wales But how and why did Arthurian sites come to proliferate across the English and Welsh landscape What role did the medieval custodians of Arthurian abbeys churches cathedrals and castles play in placing Arthur How did visitors experience Arthur in situ and how did their experiences permeate into wider Arthurian tradition And why in history and even today have particular places proven so powerful in defending the impression of Arthur's reality This book the first in depth study of Arthurian places in late medieval and early modern England and Wales provides an answer to these questions Beginning with an examination of on site experiences of Arthur at locations including Glastonbury York Dover and Cirencester it traces the impact that they had on visitors among them John Hardyng John Leland William Camden who subsequently used them as justification for the existence of Arthur in their writings It shows how the local Arthur was manifested through textual and material culture in chronicles notebooks and antiquarian works in stained glass windows earthworks and display tablets Via a careful piecing together of the evidence the volume argues that a new history of Arthur begins to emerge a local history of on site experiences of Arthur at locations including Glastonbury York Dover and Cirencester it traces the impact that they had on visitors among them John Hardyng John Leland William Camden who subsequently used them as justification for the existence of Arthur in their writings It shows how the local Arthur was manifested through textual and material culture in chronicles notebooks and antiquarian works in stained glass windows earthworks and display tablets Via a careful piecing together of the evidence the volume argues that a new history of Arthur begins to emerge a local history of on site experiences of Arthur at locations including Glastonbury York Dover and Cirencester it traces the impact that they had on visitors among them John Hardyng John Leland William Camden who subsequently used them as justification for the existence of Arthur in their writings It shows how the local Arthur was

Markham,2020-03-27 Skepticism about Christianity abounds Building on the work of Charles Taylor Ian S Markham argues that contemporary skepticism is more a mood than an intellectual repudiation of Christian theology In its attempt to accommodate science the church too often opts for deistic responses that take the spiritual out of the material Against this response Markham argues for a rich imaginative account of the world that is grounded in Christian revelation and affirms spiritual causation angels and the reality of the saints It is a clarion call for the Western church to learn from the church in the Global South and create a rich theology that lives up to its professed values as a genuinely inclusive church

Braving the Thin Places Julianne Stanz,2022-01-07 A thin place is where God s grace is waiting to happen Your thin place might be an important threshold a soul friendship a fresh chapter in your own life story a painful secret or fear or a time of hardship Whatever the circumstance a thin place is where God and humanity meet in a mysterious way These moments open us to places of rawness and beauty When we enter into a thin place something seems to break open inside us and words are inadequate to describe what we are experiencing In these moments we feel a sense of breakthrough as we break free of the ordinary and experience the extraordinary amid our daily lives Drawing on her Irish Celtic heritage Julianne Stanz helps us explore those times and holy places of transformation Inspired by faith and guided by spiritual practices we can experience each thin place as a point of departure on a sacred journey to a truer understanding of who we are meant to be *Place and Phenomenology* Janet Donohoe,2017-03-17 This cross disciplinary book uses phenomenological method and description to explore questions of place underscoring the significance of phenomenology for place and place for phenomenology The book brings together prominent scholars in phenomenology of place Covering a range of issues from sacred places to embodiment and identity and from environmental art and architecture to limit places the contributors explore theoretical foundations through thinkers such as Heidegger Marion Young Husserl and Leopold among others Phenomenological method and description are brought to bear on concrete places such as rivers the Himalayas modern transit sacred architecture and more The book is accessible and pertinent to on going discussions in human geography architectural theory environmental studies and philosophy of place Provocative and imaginative the essays provide a much needed look at the contributions of phenomenology to as well as the role of place in contemporary philosophical and environmental discussions **Around a Thin Place** Jane Bentley,2012-01-18 A full colour guide to the Iona Pilgrimage both off road and on road including a rich collection of readings prayers poems photographs songs stories and reflections For visitors to the island and armchair pilgrims alike **Faith, Politics, and Belonging** Ian Geary,2024-07-19 Drawing on the

author's years spent working in and around Westminster this essay collection provides a personal perspective on the themes of faith politics and belonging To understand identity and place we need faith Faith should lead to engagement in the wider world and engagement in the wider world should deepen our faith and sense of purpose In three sections each drawing on his experience Ian Geary reflects on the cognate themes of faith politics and belonging Each section concludes with some questions for discussion and some suggestions for further reading Written from personal experience via immersion in British political life and informed by his understanding of theology the author seeks to animate a generous debate about the key themes not to secure readers attachment to a cause or political ideology These essays are written in the hope that Christians engaged in politics will find them helpful and that they will also reach a wider audience to show how viewing politics through the lens of faith might yield a fresh perspective Ian Geary would venture to suggest that politics despite its critics is a necessary and good thing

Bringing Art to Life Daniel C. Potts, 2022-06-30 People diagnosed with dementia are still living and deserve the support needed to help them live as well as possible through the trauma and losses they face To this end the expressive arts play an important role Enlightened by his father's artistic gift revealed in the throes of dementia neurologist Daniel C Potts tells how his father's creativity inspired the development of the Bringing Art to Life program sharing stories of its participants both persons living with dementia and their student partners and of the power of art and authentic relationships to foster spiritual growth and make meaning even amidst life's greatest challenges

The Celtic Wheel of the Year Tess Ward, 2007-07-23 I really loved this exceptional 285 page book of prayer it reached deep into my soul and seemed to pull all my carnations into alignment The format is great the author follows the calendar year as she takes us through the days of the week giving us a veritable menu of day and night spiritual prose I would recommend this profound Godsend to anyone at any level of their spiritual journey Thanks Tess for opening these tired eyes just a little bit wider Riki Frahmman Mystic Living Magazine The Celtic Wheel of the Year offers an original and inspiring selection of prayers for individual use Divided into monthly sections it incorporates Celtic Christian and Celtic Pagan traditions in a single pattern of prayer Prayers combine the Christian seasons with the seasons of the Solstices and Equinoxes But they also reach beyond both traditions dancing together and finding a new way of worshipping one that we can enjoy in private spirituality or as a partaker of established religion

Seigworth, Mathew Arthur, Wendy J. Truran, Bryan G. Behrenshausen, 2019-07-26 Capacious Journal for Emerging Affect Inquiry is an open access peer reviewed international journal The principal aim of Capacious is to make room for a wide diversity of approaches and emerging voices to engage with ongoing conversations in and around affect studies Capacious endeavours to promote diverse bloom spaces for affect s study over the dulling hum of any specific orthodoxy Introduction by Camilla M hring Reestorff and afterword by Dana Lucian Essays by Nael Bhanji Alexia Cameron Omar Kasmani Mari Ramler and Eret Talaviste Interstices short visual and textual interventions by Ruth Charnok Jeremy Gilbert and Jason Read and Mandy Suzanne Wong Book review by Ana Dragojlovic **Urban Religious Events** Paul Bramadat, Mar Grier, Marian Burchardt, Julia Martinez-Ariño, 2021-04-08 How might we best understand the relationship between the vibrant religious landscapes we see in many cities and contemporary urban social processes Through case studies drawn from around the world contributors explore the ways in which these processes interact in cities This book argues that religious events including rituals processions and festivals are not only choreographies of sacred traditions but they are also creative disruptions that reveal how urban cultural hierarchies are experienced and contested Exposing the power dynamics behind these events this book shows how performative uses of urban space serve to destabilize dominant genealogies and lineages around urban identities just as they lay claims to cultural supremacy or heritage Through exploring the affective disruptions and political controversies caused by religious events the contributors engage theoretical discussions in urban studies the sociology of religion and the ethnography of ritual This book is a significant contribution to understanding emerging patterns in contemporary religion and also for theories related to heritagization eventization and urbanization A Serious House Martin Camroux, 2024-04-30 The church is in deep trouble maybe in its death throes Losing touch with the church has meant a break with the Western cultural past its history its music its art its literature much of which cannot fully be understood without its religious heritage But something more important than any of that is in danger of being lost The church is a deeply imperfect and frustrating organization but within it community is experienced values are nurtured and God s presence in the world is embodied in a people The church carries the story of Jesus it tells the story of who we are it calls us to give away our lives to others and to find love as life s central meaning We have crossed a cultural divide Before if you did not hold traditional religious beliefs and belong to a church you felt obliged to explain yourself Now the pressure is to explain why you do This is my answer Queer Companions Omar Kasmani, 2022-03-23 In Queer Companions Omar Kasmani theorizes saintly intimacy and the construction of queer social relations at Pakistan s most important site of Sufi pilgrimage Conjoining queer theory and the anthropology of Islam Kasmani outlines the felt and enfleshed ways in which saintly affections bind

individuals society and the state in Pakistan through a public architecture of intimacy Islamic saints become lovers and queer companions just as a religious universe is made valuable to critical and queer forms of thinking Focusing on the lives of ascetics known as fakirs in Pakistan Kasmani shows how the affective bonds with the place s patron saint a thirteenth century antinomian mystic foster unstraight modes of living in the present In a national context where religious shrines are entangled in the state s infrastructures of governance coming close to saints further entails a drawing near to more than official histories and public forms of affect Through various fakir life stories Kasmani contends that this intimacy offers a form of queer world making with saints **Publications of the Modern Language Association of America** ,2009
