Thomas,2018-06-21 Whether used for thematic story times program and curriculum planning readers advisory or collection development this updated edition of the well known companion makes finding the right picture books for your library a breeze Generations of savvy librarians and educators have relied on this

detailed subject guide to children's picture books for all aspects of children's services and this new edition does not disappoint. Covering more than 18 000 books published through 2017 it empowers users to identify current and classic titles on topics ranging from apples to zebras. Organized simply with a subject guide that categorizes subjects by theme and topic and subject headings arranged alphabetically this reference applies more than 1 200 intuitive as opposed to formal catalog subject terms to children's picture books making it both a comprehensive and user friendly resource that is accessible to parents and teachers as well as librarians. It can be used to identify titles to fill in gaps in library collections to find books on particular topics for young readers to help teachers locate titles to support lessons or to design thematic programs and story times. Title and illustrator indexes in addition to a bibliographic guide arranged alphabetically by author name further extend access to titles.

Shorties Engelbert Thaler, 2016-08-15 Short narrative texts are good for the language classroom because they are short and narrative. Therefore this volume treats the teaching potential of Shorties on a theoretical level part A a methodological level part B and a practical level part C. Part A highlights the topic from the perspectives of different academic disciplines in this case from a TEFL as well as from a linguistic and literary viewpoint. In part B methodological contributions on selected texts, media and procedures are assembled. Part C is a collection of concrete sample lessons for teaching English at various levels. These lesson plans have been designed at university, carried out and evaluated by 11 experienced teachers and finally revised by the editor.

Guided Reading Michael P. Ford, 2015-11-27 In an era of change in education the time is right to refocus attention on guided reading practices. Guided reading remains an anchor in classroom literacy programs but how has it changed with the new shifts in education? In this book Dr Michael P Ford provides a practical resource for guided reading. He explains how it evolved, why it's still important, how to fit it into a comprehensive literacy program, how to select texts, how to assess and support students and how to position it for intervention. Also included is an Appendix with a listing of recommended guided reading books.

This Book Just Stole My Cat! Richard Byrne, 2019-02-07 From award winning Richard Byrne author and illustrator of *This Book Just Ate My Dog* shortlisted for the Children's Book Award comes another brilliantly inventive book starring Ben and Bella. When Ben is tempting his cat across the page with a fluffy mouse his cat disappears. Then his best friend Bella disappears too. Sniffer dogs and rescue teams can't help. When Ben also vanishes there's only one person left to help. You the reader. Can you release Ben, Bella and the cat from the mischievous book? It's a ticklish problem. Original, simple and witty this high concept picture book plays with the physical attributes of a book to create a real page turner.
