Thomas Aquinas An Evangelical Appraisal:

Thomas Aquinas Norman L. Geisler, 2003 Norman L Geisler reintroduces evangelicals to the man they forgot clarifying Aquinas teachings about the nature of God Scripture faith reason and other key issues of apologetics and ethics Aquinas the author argues is a more articulate defender of the faith than anyone in our midst Roman Catholic Aquinas scholar Robert N Campbell observes that Geisler makes a good case for his message that the writings of Aquinas can be of great value to today's Protestant and Roman Catholic philosophers and theologians The book gives an understandable presentation of many of Aquinas major contributions and shows how they are relevant at times even crucial to contemporary discussion adds Winfried Corduan of Taylor University In the process Geisler strikes a credible blow against the current unfounded prejudice toward St Thomas in evangelical thought *Evangelical Exodus* Douglas Beaumont, 2016 Over the course of a single decade dozens of students alumni and professors from a conservative Evangelical seminary in North Carolina Southern Evangelical Seminary converted to Catholicism These conversions were notable as they occurred among people with varied backgrounds and motivations many of whom did not share their thoughts with one another until this book was produced Even more striking is that the seminary's founder long time president and popular professor Dr Norman Geisler had written two full length books and several scholarly articles criticizing Catholicism from an Evangelical point of view What could have led these seminary students and even some of their professors to walk away from their Evangelical education and risk losing their jobs ministries and even family and friends to embrace the teachings they once rejected as false or even heretical Speculation over this phenomenon has been rampant and often dismissive and misguided leading to more confusion than understanding The stories of these converts are now being told by those who know them best the converts themselves They discuss the primary issues they had to face the nature of the biblical canon the identification of Christian orthodoxy and the problems with the Protestant doctrines of sola scriptura scripture alone and sola fide faith alone *Thomas Aquinas* Thomas Eggensperger, Frano Prcela, 2025-11-01 The 4th of March 2024 marked the 750th anniversary of the death of Thomas Aquinas This is a good occasion to remember a theologian Doctor of the Church and Dominican who has never been forgotten and is as present in the intellectual world today as ever This volume of essays aims to take an interdisciplinary approach to Aquinas in order to shed light on his work using different hermeneutics The contributors come from a range of disciplines theological and faith perspectives as well as from a number of different countries [Evangelical Dictionary of Theology \(Baker Reference Library\)](#) Walter A. Elwell, 2001-05-01 Fifteen years after its original publication comes a thoroughly revised edition of the Evangelical Dictionary of Theology Every article from the original edition has been revisited With some articles being removed others revised and many new articles added the result is a completely new dictionary covering systematic historical and philosophical theology as well as theological ethics [Knowing God as an Evangelical](#) Dan-Adrian Petre, 2023-04-26 In the present polyphony of evangelical theological epistemology there are several authoritative

approaches Yet the evangelical emphasis on sola scriptura demands that theological epistemology be subjected to the biblical canon In this book Dan Adrian Petre argues for a canonically derived theological epistemological framework that may foster a fuller understanding of theological knowledge formation within evangelicalism Specifically he explores some representative evangelical voices to identify the reasons for the contemporary epistemological variance Petre then uses a canonical epistemological methodology to outline a biblically based framework In exploring how the Scripture conceptualizes the formation of theological knowledge the book uses cognitive linguistics to grasp the conceptual meaning of the theological knowledge formation in the Bible using prototypical case studies The resulting epistemological implications outline a minimal epistemological model derived from the biblical canon Using this vantage point the author assesses the contemporary evangelical epistemological dissonance as a means of indicating a way forward for a canonical epistemological attunement

DEFENDING EVANGELICALISM William C. Roach, 2020-11-15 This book is an important part of the historical record of Dr Norman L Geisler It displays Geisler s intellectual gifts and devotion to the Lordship of Christ in his defense of Christianity and classic evangelicalism This book written by one of Geisler s long time and trusted assistants will be of importance to those who want a first hand interpretation of Geisler and the significance of Geisler s method for present day evangelicalism It provides a clear assessment of the impact of Geisler s embrace of classical realism classical theism the doctrine of inerrancy in the context of twentieth century evangelical theology while providing a way forward to apply Geisler s method in the twenty first century **The One Creator God in Thomas Aquinas and Contemporary Theology** Michael J. Dodds, OP, 2020-08-21 This book provides a fundamental introduction to Aquinas s theology of the One Creator God Aimed at making that thought accessible to contemporary audiences it gives a basic explanation of his theology while showing its compatibility with contemporary science and its relevance to current theological issues Opening with a brief account of Aquinas s life it then describes the purpose and nature of the Summa Theologica and gives a short review of current varieties of Thomism Without neglecting other works it then focuses primarily on the discussion of the One God in the first part of the Summa Theologica God s transcendence and immanence is a recurrent theme in that discussion Evidence of God s immanent causality in the natural world grounds Aquinas s five arguments for the existence of God the Five Ways which then open onto God s transcendence The subsequent discussion of the divine attributes builds on the modes of God s causality established in the Five Ways It also shows the need for a language of analogy to preserve God s transcendence and prevent us from reducing God to the level of creatures even as qualities such as goodness and love which we first know from creatures are applied to God The discussion of God s providence and governance establishes that the transcendent Creator God is most intimately present in creation God acts in all creatures in a way that does not diminish their proper causality but is rather its source As there is no contradiction between God s transcendence and immanence so there is no competition between the primary causality of God and the secondary causality of creatures Empirical science which is limited by its method to the

secondary causality of creatures is shown to be compatible with the broader discipline of theology which also embraces the primary causality of the Creator

Principles of the Law of Evidence and Rationality Applied in the Johannine Christology Henry Hock Guan Teh, 2016-02-10 Those who give primacy to evidence in the apologetic task have long maintained that 1 this is exactly the biblical writers approach maintaining as they do that they saw and heard the things of which they speak and 2 such reasoning is fundamental to society in general as exemplified in every civilised legal system Henry Hock Guan Teh concretises these vital points by way of the Gospel of John where the Apostle consistently marshals eyewitness evidence to show that Jesus is the Christ the Son of God and that believing you might have life through His name John 20 31 No finer or more scholarly support for a biblically grounded factual juridically sophisticated defence of Christian truth is available Professional and lay evangelists and anyone endeavouring to preach the gospel to every creature simply must obtain and be nefit from this book And sceptical lawyers needless to say owe it to themselves to wrestle with the author s case for the only historical religion that holds up in court John Warwick Montgomery Ph D D The ol LL D Professor Emeritus of Law and Humanities University of Bedfordshire England Distinguished Research Professor of Philosophy Concordia University Wisconsin USA Director International Academy of Apologetics Evangelism and Human Rights Strasbourg France Dr Teh s book is in the same genre as those by Simon Greenleaf professor Dr John Warwick Montgomery Craig Parton Esq and Prof Dr Ross Clifford As can be seen by the title Dr Teh concentrates on the Gospel of John chapter by chapter His powerful argument can even be comprehended by those of us not legally trained Recommended Dr Rod Rosenblatt Professor of Theology Concordia University Irvine 1517legacy com This book will greatly help people understand the legal historical and rational case for Christianity Dr Henry Teh uniquely focuses on John s gospel and establishes the Case for Jesus Resurrection through the best evidence principle This emphasises on John s gospel establishes that it is a key text for Christian apologetics The book is a compelling read for those who take 1 Peter 3 15 seriously And for those who believe Jesus is a fairy tale it will cause them to reconsider the fact of his Resurrection It is well written and a must addition to one s apologetic armoury Rev Dr Ross Clifford AM Principal of Morling Theological College Sydney Australia Author of John Montgomery s Legal Apologetic Henry Hock Guan Teh obtained his Ph D from Trinity Theological Seminary Indiana USA where he studied apologetics under Prof John Warwick Montgomery and also at International Academy of Apologetics Evangelism Human Rights Strasbourg France With two British law degrees he was also a trial lawyer and chief law examiner Presently Henry Teh is adjunct lecturer in Philosophy Ethics and Law

Beauty (and the Banana) Brian C. Nixon, 2021-05-11 What is it that makes something beautiful Is beauty solely in the eye of the beholder or something deeper more significant In *Beauty and the Banana* Nixon writes as an introductory book for Christian leaders providing the reader an overview of the historical hermeneutical and heuristic considerations of beauty Using the artwork *Comedian a banana taped to a wall* by Italian artist Maurizio Cattelan as a springboard Nixon addresses various fundamental factors of beauty ontology being teleology form and understanding and immutability transcendence and eternity Integrating poetry and classical ideals throughout *Beauty and the Banana*'s response to the above questions may surprise all who read beauty is more than meets the eye

Expository Hermeneutics Elliott Johnson, 2023-10-30 *Expository Hermeneutics* invites the student on a journey to a life and ministry based on exposition of the Bible Hermeneutics provides a guide to understand the message and apply that message in its original setting and then in a comparative way in the contemporary day We adopt the Scriptures view of itself as God's word As a result we believe the Bible has a truth value as reflected in the canon of Scripture The goal of hermeneutics defines verbal meaning as the author's willed type message read as a whole book so that the message is communicated with a truth content to be understood The method of hermeneutics is both read in a circular pattern and practiced as an objective task It is objective in the sense that God authors a transhistorical message and the reader is aware of their own presuppositions and adopts those of Scripture As

such the message can be validated in its truth content However this does not prove it true even though it provides an evidential conviction that the truth value has been understood

Canon and Criterion in Christian Theology William James Abraham,2002 Canon and Criterion in Christian Theology provides an original and important narrative on the significance of canon in the Christian tradition Standard accounts of canon reduce canon to scripture and treat scripture as a criterion of truth Scripture is then related in positive or negative ways to tradition reason and experience Such projects involve a misreading of the meaning and content of canon they locate the canonical heritage of the church within epistemology and Abraham charts the fatal consequences of this move from the Fathers to modern feminist theology In the process he shows that the central epistemological concerns of the Enlightenment have Christian origins and echoes He also shows that the crucial developments of theology from the Reformation onwards involve extraordinary efforts to fix the foundations of faith This trajectory is now exhausted theologically and spiritually Hence the door is opened for a recovery of the full canonical heritage of the early church and for fresh work on the epistemology of theology

Jesus "The Way, The Truth and The Life" Thd Bish,2011 Jesus The Way The Truth and The Life will prove that Jesus is the only Way to God the very embodiment of all Truth and the very essence of Life just as He declared of Himself in the fourteenth chapter and sixth verse of the gospel of John by saying I am the way the truth and the life and that no one comes to the Father except through Me This book will show using systematic theology proofs and truth arguments that Jesus is exactly who He says He is confirmed by God the Father the Holy Spirit and by Christ Himself Jesus said in Mark 8 27 of scripture Who do you say I Am This book will make it obvious why you must answer this pointed question just as Peter did in claiming to Jesus that You are the Christ the Son of the Living God Time is getting short and Jesus is on His way back to earth It s not a time to be confused or wrong on issues having eternal consequences Though the book reads as a college textbook it forces you to think and study the word of God The book is most valuable in a curriculum setting or for those interested in Christian apologetics Jesus is compared to a myriad of other secular philosophies both past and present and as a result it is conclusively obvious that Jesus is the way truth and the life and all others are false This book stands on the foundation that a relationship with God thru Christ is by faith alone Sola Fide by grace alone Sola Gratia by Christ alone Solus Christus by scripture alone Sola Scriptura and with glory to God alone Soli Deo Gloria Dr Ronald N Bish ThD received his Doctorate from Freedom Bible College in Systematic Theology and Apologetics and also holds a Master Degree in Mechanical Engineering For further information contact www.ronaldbish.com
