By a ragged-school teacher** ,1868 **The Sound The Road Makes** Steven E Meyer,2025-07-17 Not only a wayward journey of living life and beating the odds this book is an inspiring romantic and sometimes clever venture through the grittiness of being human It s about surviving both the wilderness of the great outdoors and of the soul Just let the troubled kid grow out of it the doctors insisted Their misdiagnosis of a nerve condition trapped Steven inside his introverted world On the outside he became strong and fast but inside he only grew more inwardly Confined within the walls of his vivid dreamworld like a lit fuse his adolescent years were on fire leaving a trail of rebellion and breaking the rules from living harder than the loneliness and pain warring inside His life calmed but never tamed once he discovered the hunger of the blank page in his late teens While writing ignited his imagination to life it wasn t until in his mid twenties when a white puppy brought steady companionship into Steven s life As they began their 14 year journey of roaming the open road Ghost grew into a beautiful dog and quite the ham Despite Steven s awkwardly social demeanor he crossed paths with wanderers loners and those searching for a place in this world misfits like himself adding adventure and romance to his own search of

finding his place in this world Along the way Steven stumbled upon God The rules of religion couldn't hold him either finding himself instead wrestling with the creator of this universe more so than walking with Him He could never part with that daredevil spirit causing the second half of this book to be more thrilling than the first To write a book felt daunting because Steven had never written for anyone to read Ten years soared by and as the writing of it transformed into the greatest adventure of his life infused between the lines is a literary magic beyond him which occurs when a book and its writer merge into one Not only are some of the challenges and lessons learned the hard way of creating this book included in his memoir breathed into his story is what writing this book has burned into Steven's own heart      **Running the Road to Galilee**

Marie Elizabeth Randall Chandler,2019-04-27 An avid runner's path now divinely purposed is where she meets the Lord to hear His messages This book the second in the series Running the Road to Galilee brings a closer more intimate glimpse into the life of this runner She shares a life once lived filled with fear and worry afflictions of PTSD panic attacks depression poor health and diet though now made full with glorious abundance through her unwavering faith in God found serving the Lord with jubilant joy and never ending zeal as she runs her road to Galilee The author's use of parallelism and repetition is reminiscent of ancient Hebrew poetry bringing forth a book like no other with message driven verse replete with emotional power and passionate enthusiasm penned with soulstirring words for modern life that speaks to all readers Messages that boldly convey man's continual disobedience disrespect and denial of God the absence of God in school mankind's ignorant and selfish ways and the blatant disregard of the importance of living a God filled life as she delivers a clear cut message for all mankind to love the Lord with an utmost earnest devotion fully yielding to His law without reserve thus receiving an abundant life nothing short of extraordinary a life overflowing with nothing less than the phenomenal unimaginable sensational love of the Almighty God      **A Road to Nowhere**

My Road To Emmaus Journey David T Steinhauer,2025-04-24 I never wrote down my thoughts and emotions of that weekend so many years ago when You intentionally and yes painfully yet lovingly and mercifully transformed my life the day You showed me who You really are I was home alone that weekend and not well My spiritual and emotional server had crashed All the religious systems I believed in all the walls I d built so I could be holy because You are holy and all defensive barriers hiding my insecurities failures and spiritual wretchedness had crumbled My spiritual sanity was hanging by a thread so in one last ditch effort I decided to spend three days praying and reading my Bible desperately hoping Your holy salve could somehow heal my battered bruised heart Lord I don t feel up to rehashing the dark details of that day but because it s such an essential part of my journey I will talk about my ending up on the floor curled into a fetal position weeping bitterly I lay there sobbing for a good bit barely able to speak Then broken and defeated I chokingly whispered I can t do this anymore I can t obey perfectly I m exhausted Lord burnt out from trying and failing And the weight of my guilt is unbearable My Lord God you know that I believe in You but Your demands are impossible Where is the peace of mind and heart You promised Where is the assurance hope and joy Why would You punish me for not doing what s been proven I can t do This can t be who You are because if it is I m done Father Please my Lord and my God show me who You are or kill me
