Three Views On The Millennium And Beyond:

Three Views on the Millennium and Beyond Craig A. Blaising, Kenneth L. Gentry, Robert B. Strimple, 1999 This is a presentation of and interaction among the three main views on the end times held by evangelicals Premillennial postmillennial and amillennial Three Views on the Millennium and Beyond Zondervan, 2010-08-10 Is there biblical evidence for a thousand year earthly kingdom the Millennium ruled by Christ before the fulfillment of the new heaven and new earth Revelation chapter 20 seems to suggest so but few books of the Bible are so difficult to interpret And a discussion of the Millennium branches out into many other theological questions about the end times eschatology Are these the last days What must happen before Jesus returns What part does the church play This Counterpoints volume compares three views of the Millennium Premillennial Christ will come again before this kingdom is established Postmillennial our present age represents that kingdom and that the church is and must move toward the fulfillment of this kingdom Amillennial a future Millennium is not a literal kingdom and when Christ returns he will usher in an immediate new heaven and new earth Robert B Strimple Kenneth L Gentry Jr and Craig A Blaising offer their perspectives giving their exegetical reasoning Each of them then responds to the views held by their peers in a respectful and informative setting making it easy for you to compare their beliefs and gain a better understanding of how this aspect of Christianity's great hope the return of Jesus is understood by the church The Counterpoints series presents a comparison and critique of scholarly views on topics important to Christians that are both fair minded and respectful of the biblical text Each volume is a one stop reference that allows readers to evaluate the different positions on a specific issue and form their own educated opinion **Finding the End of the World** Ron Braley, 2011-03-18 Learn tools and techniques you can use in any Biblical study and then explore the History of Israel Use what you learn to analyze Old Testament prophecies and apocalyptic writings all in preparation for comparing accounts of what Jesus told His disciples on the Mount of Olives and for analyzing the Revelation given to John Round out your experience with in depth studies of end times players such as the Antichrist and the 144 000 redeemed from the earth Finally explore in great detail the major rapture positions and challenges presented by each Ron Braley's book Finding the End of the World is a great resource for any serious student of God's Word However it will frustrate those who look to it for easy answers to questions surrounding the books of Daniel and Revelation events of the End Times and eschatological controversies Instead the author gives the reader and student the tools to delve into the Scriptures and discover the answers Caution This may lead the reader to question and even jettison some previously held views of the End of Times While offering historical and theological background materials to consider I believe the greatest value of this book is the study tools guides and exercises it offers each student The result is creating students of the Bible who know how to read and study for themselves Ron Almborg Jr B A Th B M Div Ron Braley lives in Texas with Joanne his wife of 27 years They have 4 grown children and 2 grandchildren Passion for spreading the Gospel and helping others to build their faith has led to the

Four Views on Christian Spirituality Bruce A. Demarest, 2012-05-08 How do Christians cultivate a vibrant and Christ centered spirituality that is rooted in biblical clarity Spiritual formation the cultivation of a relationship with God lies at the heart of what it means to be a Christian in the body of Christ But with the rise of diverse spiritual practices from Zen meditation to out of body experiences the idea of spirituality has become watered down by postmodern culture Christian spirituality on the other hand embraces devotion to the triune God abiding in Christ the pursuit of holiness and the cultivation of virtues But what exactly falls within the scope Christian spirituality This volume of the Counterpoints series focuses on the Church's search for spiritual identity meaning and significance as interpreted by four of the major Christian traditions Eastern Orthodoxy represented by Bradley Nassif Roman Catholic represented by Scott Hahn Progressive Protestant represented by Joseph Driskill Evangelical represented by Evan Howard The Counterpoints series presents a comparison and critique of scholarly views on topics important to Christians that are both fair minded and respectful of the biblical text Each volume is a one stop reference that allows readers to evaluate the different positions on a specific issue and form their own educated opinion

The Bible Made Impossible Christian Smith, 2012-08-01 Biblicism an approach to the Bible common among some American evangelicals emphasizes together the Bible's exclusive authority infallibility clarity self sufficiency internal consistency self evident meaning and universal applicability Acclaimed sociologist Christian Smith argues that this approach is misguided and unable to live up to its own claims If evangelical biblicism worked as its proponents say it should there would not be the vast variety of interpretive differences that biblicists themselves reach when they actually read and interpret the Bible Far from challenging the inspiration and authority of Scripture Smith critiques a particular rendering of it encouraging evangelicals to seek a more responsible coherent and defensible approach to biblical authority This important book has generated lively discussion and debate The paperback edition adds a new chapter responding to the conversation that the cloth edition has sparked

Allen, Robert D. Cornwall, 2023-02-28 Various ideas float around about the subject of last things leading many Christians to conclude that they don't know what to think about the subject Yet at the core of the Christian doctrine of last things lies two simple and complementary hopes that God ever and always offers hope for our individual futures and for the future of the whole world In this helpful book Allen and Cornwall explain how we don't have to subscribe to sensationalist theories or sketchy interpretations to believe in Christian hope They walk the reader through the central biblical teachings on last things and then show the ways the church has interpreted those teachings throughout the centuries In a respectful way the authors demonstrate that end time beliefs centered on the Rapture came into existence only recently and they then offer several more life affirming contemporary interpretations as alternatives The book includes a study guide and web based appendixes designed to help pastors develop both topical and lectionary based sermon series on Christian hope **Dispensationalism and the History of Redemption** D. Testament How do Christians harmonize the warrior God of Israel with the God of love incarnate in Jesus Christians are often shocked to read that Yahweh the God of the Israelites commanded the total destruction all men women and children of the ethnic group known as the Canaanites This seems to contradict Jesus command in the New Testament to love your enemies and do good to all people How can Yahweh be the same God as the Father of our Lord Jesus Christ What does genocide in the Bible have to do with the politics of the 21st century Show Them No Mercy explores the Old Testament command of God to exterminate the Canaanite population and what that implies about continuity between the Old and New Testaments The four views presented are Strong Discontinuity emphasizes the strong tension regarding violence between the two main texts of the Bible C S Cowles Moderate Discontinuity provides a justification of God's actions in the Old Testament with strong emphasis on exegesis Eugene H Merrill Eschatological Continuity a reading of the warfare narratives that ties them contextually to the book of Revelation and the Second Coming Daniel L Gard Spiritual Continuity incorporates the genocidal account into the full picture of the Old and New Testaments Tremper Longman III The Counterpoints series presents a comparison and critique of scholarly views on topics important to Christians that are both fair minded and respectful of the biblical text Each volume is a one stop reference that allows readers to evaluate the different positions on a specific issue and form their own educated opinion

Models of Premillennialism Sung Wook Chung, David L. Mathewson, 2018-08-27 The meaning of the millennium the thousand year reign of Christ spoken of in Revelation 20 has been controversial for much of the church's history and even the main perspectives on the matter turn out to be more variegated than is often realized This book takes the oldest of those options premillennialism and offers an excellent introduction to a variety of models of premillennialism currently available including classical dispensationalism progressive dispensationalism historic premillennialism thematic premillennialism and historic premillennialism in Asian context The product of collaboration between a systematic theologian and a New Testament scholar this book provides a fascinating reference tool for anyone interested in what Scripture teaches about the last things of redemptive history the Parousia and the millennial kingdom
