Shaping a democratic future

PHILIP A. WOODS

Transforming Education Policy Shaping A Democratic Future

Charles L. Slater, Sarah W. Nelson

Transforming Education Policy Shaping A Democratic Future:

Transforming Education Policy Philip A. Woods, 2011 Education is in a state of continual change and schools ever more diverse People want more participation and meaning in their lives organisations want more creativity and flexibility Building on these trends this timely book argues that a new paradigm is emerging in education sowing the seeds of a self organising system that values holistic democracy It is an essential read for anyone academics policy makers practitioners students parents school sponsors and partners who is interested in how education can broaden its horizons The New Democratic Professional in Education Gary L. Anderson, Michael Ian Cohen, 2018-08-17 This timely and accessible book examines two waves of business influence that created models of schooling that are out of touch with the experiences of students the professional expertise of teachers and the needs and interests of local communities The book also describes the forms of resistance that are currently emerging to fight for the democratic mission of a public education Building on these promising efforts the authors present a vision for a new democratic professional that is grounded in participatory communities of practice as well as advocacy for and input from school communities *Understanding the Principalship* Charles L. Slater, Sarah W. Nelson, 2013-05-09 This volume originates from the International Study of Principal Preparation ISPP a collaborative project representing nearly a decade of research on principal preparation in countries throughout the world The authors examine the dynamic changes that are affecting the way principals work and transforming the world of educational leaders **Resilience in Childhood** Erica Joslyn, 2015-12-01 With an emphasis on promoting self reliance autonomy and independence this exciting new book provides a contemporary and holistic analysis of the childhood resilience It recognises resilience in childhood as a complex construct critically deconstructs it by drawing upon a wide range of academic disciplines and practices and provides an account of the factors that help and hinder the development of resilience during childhood and adolescence Part I unpacks definitions of resilience and its construction over the last 50 years Part II examines psychological sociological and neurobiological perspectives that contribute to our understanding of how childhood resilience can be developed and fostered Part III explores strategies and approaches relating theory to current intervention practice and policy drivers Application to professional practice within a multi agency context is explored throughout Importantly this book seeks to develop the notion of the promise of resilience and establish the bond between capabilities built up in childhood and the promise of a positive successful future Efforts to foster and build effective skills that lead to resilience will result in long lasting abilities to positively navigate through life s challenges and to become the key architect of one s own success in later life *Democratic Ethical Educational Leadership* Steven Jay Gross, Joan Poliner Shapiro, 2015-08-11 A democratic ethical leader integrates democracy social justice and school reform through dialogue and is guided by a sense of responsibility to students families and the community Democratic Ethical Educational Leadership presents a cohesive framework for aspiring and practicing leaders to explore the complex nature of leadership that can

support democratic citizenry and social responsibility Organized around the 5 New DEEL visions for leadership chapters illustrate real people who embody these principles This compelling vision for educational leadership combined with diverse and vibrant examples of leadership in action will serve as a critical guide for the rising generation of democratic ethical educational leaders in the US and abroad Presenting contextualized practical instances of this approach to leadership this book will inspire educational leaders to reflect upon their practice and reach their potential as democratic leaders Special Features Include A unique framework to guide responsible ethical leadership in today s schools A series of case studies help readers identify key leadership qualities in context from which to illuminate their own emerging practice End of chapter questions encourage exploration of leaders motivations processes strategies and lessons learned *Social Policy* Hugh Bochel,Guy Daly,2014-03-26 This thoroughly updated new edition provides a comprehensive introduction to contemporary social policy and addresses its historical theoretical and contextual foundations Divided into four sections it opens with a survey of the socio economic political and governmental contexts within which social policy operates before moving on to look at the historical development of the subject The third section examines contemporary aspects of providing welfare whilst the final part covers European and wider international developments The text explores the major topics and areas in contemporary social policy including work and welfare education adult health and social care children and families crime and criminal justice health housing race disability Issues are addressed throughout in a lively and accessible style and examples are richly illustrated to encourage the student to engage with theory and content and to help highlight the relevance of social policy in our understanding of modern society It is packed with features including Spotlight Discussion and review and Controversy and debate boxes as well as further readings and recommended websites A comprehensive glossary also provides explanations of key terms and abbreviations Social Policy is an essential textbook for undergraduate students taking courses in social policy and related courses such as criminology health studies politics sociology nursing youth and social work *Autonomy, Accountability and Social Justice* Amanda Keddie,Martin Mills,2019-04-10 Autonomy Accountability and Social Justice provides an account of recent developments in English state education with a particular focus on the academisation of schooling It examines how head teachers teachers and others working in diverse education settings navigate the current policy environment The authors provide readers with insight into the complex decision making processes that shape school responses to current educational agendas and examine the social justice implications of these responses The book draws on Nancy Fraser s social justice framework and her theorising of neoliberalism to explore current tensions associated with moves towards both greater autonomy for and accountability of state schooling These tensions are presented through four case studies that centre upon 1 a group of local authority primary schools 2 an academy chain 3 a co operative secondary school and 4 an alternative education setting The book identifies the emancipatory possibilities of these approaches amid the complex demands of autonomy and accountability seizing English schools Informed by a consideration

of market parameters and social protectionist ideals this examination provides rich insights into how English schools have emancipatory capacity Autonomy Accountability and Social Justice makes a major theoretical contribution to understandings of how the market is working alongside the regulation of schooling and the implications of this for social justice By drawing on the experiences of those working in schools it demonstrates that the tensions associated with autonomy and accountability within the current education policy environment can be both productive and unproductive for social justice **JSL Vol 22-N4 JOURNAL OF SCHOOL LEADERSHIP**,2012-09-25 The Journal of School Leadership is broadening the conversation about schools and leadership and is currently accepting manuscripts We welcome manuscripts based on cutting edge research from a wide variety of theoretical perspectives and methodological orientations The editorial team is particularly interested in working with international authors authors from traditionally marginalized populations and in work that is relevant to practitioners around the world Growing numbers of educators and professors look to the six bimonthly issues to deal with problems directly related to contemporary school leadership practice teach courses on school leadership and policy use as a quality reference in writing articles about school leadership and improvement **Communication and Education** Mary John O'Hair,Philip A. Woods,H. Dan O'Hair,2024-01-11 A timely and insightful exploration of the vital relationships among effective communication education peace and democracy Communication and Education Promoting Peace and Democracy in Times of Crisis and Conflict explores the complexities of addressing divisive societal challenges reducing conflicts and building and sustaining peace and democracy around the world Contributions by an international panel of experts provide evidence based practices findings from ongoing research projects policy analyses and cutting edge theories frameworks and models for confronting global challenges to peace and democracy Examining the crucial role of crisis communication and education on a global scale this research based compendium covers a broad range of key topics such as democratizing education promoting peace through complexity science understanding how factionalism threatens democracy encouraging citizen participation and more Throughout the text the authors highlight the need for equity compassion critical thinking and active engagement to create a sustainable future based on democratic values Designed to enhance the knowledge base of crisis communication related to crises impacting education peace and democracy Communication and Education Explores different strategies and practices for fostering democracy in education such as the IDEALS framework for creating positive school cultures Discusses emotional geographies in schools and their impact on democratic school climate and teacher burnout Emphasizes empathic communication and participatory skills among teachers Offers practical strategies and examples of harnessing technology for peace and democracy Provides real world case studies illustrating the transformative power of education music diverse perspectives and open communication channels Examines the ecological interdependence of effective communication education democracy and peace Part of the Wiley Blackwell Communicating Science in Times of Crisis series Communication and Education Promoting Peace and Democracy in Times of Crisis and

Conflict is essential reading for communication and education scholars researchers students practitioners and community scientists Domestic Violence and Protecting Children Cathy Humphreys,Nicky Stanley,2015-08-21 In this volume the authors present an overview of the innovative work taking place in relation to domestic violence and child protection This book looks at new prevention initiatives and how interventions for children exposed to domestic violence have been developed It shows how services for abusive fathers have evolved and provides discussion and critique of a number of new initiatives in the field of interagency risk assessment With international perspectives and examples drawn from social care health care and voluntary sectors this book brings together established ideas with recent thinking to provide an authoritative summary of current domestic violence and child protection practice As a valuable source of guidance on how to work safely with children living with domestic violence this is a key reference for social workers health professionals and policy makers
