pressure to switch to softball and eventual acceptance by their baseball teammates as they prove themselves as ballplayers. These racially, culturally, and economically diverse players from across the country have ignored the message that their love of the national pastime is wrong. Their stories come alive as they recount their battles and most memorable moments playing baseball, the joys of exceeding expectations and the pleasure of honing baseball skills and talent despite the lack of support. With exclusive interviews with players, coaches, and administrators, *A Game of Their Own* celebrates the U.S. Women's National Team and the excellence of its remarkable players. In response to the jeer "No girls allowed," these are powerful stories of optimism, feistiness, and staying true to oneself. **U.S. Army Recruiting and Career Counseling Journal**

United States. Army Recruiting Command, 1976-10. The Army recruiter's professional magazine. **Painting the Corners** Bob Weintraub, 2017-10-31. Bob Weintraub's marvelous collection of baseball stories goes directly to the core of what the game does for us when we watch it being played on the field and shows how its heroes and villains can reach into our lives and remain a part of us for the rest of our days. The stories are told from various perspectives including those of the player, manager, general manager, coach, scout, owner, writer, broadcaster, and fan. In *Knuckleball*, a manager is beside himself when he can't let his star knuckleball pitcher start the seventh game of the World Series because the only catcher he's ever had in the big leagues suddenly goes down with an injury. The team from Alcatraz in *The Way They Play Is Criminal* has a bag full of dirty tricks waiting to spring on its San Quentin rivals and it uses them all. A father on a college tour with his daughter happens upon the very same autographed baseball he saw a friend catch in Fenway Park's bleachers thirty years earlier and learns in *The Autograph* how a twist of fate has brought the friend together with the player who hit it. In these and other stories now in paperback, Weintraub infuses baseball with humanity, originality, humor, and compassion and raises the game to a new level of understanding and love. **Gender and Genre in Sports Documentaries** Zachary Ingle, David M.

Sutera, 2013. Nonfiction films about sports have been around for decades, but the previously neglected subgenre of the documentary has become increasingly popular in the last several years. Despite such recent successes as *Senna*, *Undefeated*, and ESPN's 30 for 30 series, however, few scholarly articles have been published on these works. In *Gender and Genre in Sports Documentaries*, editors Zachary Ingle and David M. Sutera have assembled essays that examine the various aspects of this art form. Some address questions of gender and sexuality, specifically how masculinity and homosexuality are represented in sports documentaries. Others focus on the characteristics of these films, exploring aspects of aesthetics and narrative. In addition to chapters on basketball, football, baseball, boxing, tennis, and auto racing, this collection features marginalized sports like quad rugby, pro wrestling, live action role playing, LARPing, and bodybuilding. Some of the films described will be familiar to readers such as *Murderball* and *Bigger Stronger Faster*; others are less well known yet important works worthy of scrutiny. Questions about gender, sexuality, and masculinity remain hot topics in sports discourse, and this collection tackles those subjects, making *Gender and Genre in Sports Documentaries* an intriguing read for scholars, students, and the general public.
