

The background of the cover is a dark, textured surface with a hexagonal pattern, resembling a cell membrane. Several red, disc-shaped structures, likely representing red blood cells, are scattered across the surface. A prominent, larger red blood cell is in the foreground. A small, metallic, insect-like robot with a rounded head, two large eyes, and four legs is positioned near the center-right, appearing to interact with one of the red blood cells. A white, wavy line, possibly representing a protein or a path, curves through the upper half of the image.
