Understand Your Dreams Alice Anne Parker,2011-08-31 This revised and updated edition of a classic book on dream interpretation includes 500 more images and a new three step process for understanding the messages of your subconscious mind Divided into four sections Understand Your Dreams includes an introduction to dreams with directions for using the book a short cut method of interpreting your dreams a longer eight step method for deeper interpretation and a glossary with more than 2000 images from A to Z In the vocabulary section each entry includes common associations for the image and questions to ask yourself to understand the image in the context of your own life and dream For example the association for zombie is living death and the question is What am I afraid to let go of For scissors feminine weapon separation and What do I wish to cut out The format is inviting and interesting reading and based on the letters the author receives the work has proven to be useful for thousands of readers for the past 10 years What makes Understand Your Dreams unique Alice Anne Parker has developed a proven technique to recall and record dreams while they are still fresh in

the dreamer's mind by grouping similar images, feelings, and characters into affinity circles. By pinpointing the feelings and images of dreams and identifying them with the dreamer's waking life, readers gain insights into their own subconscious. The extensive dream dictionary shows how dream images trigger pivotal questions that stimulate ideas and associations in the reader, something that mere definitions cannot. Parker goes on to guide the reader into developing a personal dream vocabulary and explains how to work with a partner or lover to cultivate active dreaming.
