the Social World of the
New Testament

Edited by Dietmar Neufeld and Richard E. DeMaris

Understanding The Social World Of The New Testament

Carol B. Wilson

Understanding The Social World Of The New Testament:

Understanding the Social World of the New Testament Dietmar Neufeld, Richard DeMaris, 2009-10-29 The New Testament is a book of great significance in Western culture yet is often inaccessible to students because the modern world differs so significantly from the ancient Mediterranean one in which it was written. It is imperative to develop a cross-cultural understanding of the values of the ancient Mediterranean society from which the New Testament arose in order to fully appreciate the documents and the communities that they represent. Dietmar Neufeld and Richard E. DeMaris bring together biblical scholars with expertise in the social sciences to develop interpretative models for understanding such values as collectivism, kinship, memory, ethnicity, and honour, and to demonstrate how to apply these models to the New Testament texts. Kinship is illuminated by analysis of the Holy Family as well as to early Christian organisations, gender through a study of Paul's view of women, and landscape and spatiality through a discussion of Jesus of Nazareth. This book is the ideal companion to study of the New Testament. *Understanding the Social World of the New Testament* Dietmar Neufeld, Richard E. DeMaris, 2009-10-29 The New Testament is a book of great significance in Western culture yet is often inaccessible to students because the modern world differs so significantly from the ancient Mediterranean one in which it was written. Here the authors develop interpretative models for understanding such values as collectivism and kinship.

The Social World of Jesus and the Gospels Bruce J. Malina, 2002-11 The Social World of Jesus and the Gospels provides the reader with a set of possible scenarios for reading the New Testament. How did first-century persons think about themselves and others? Did they think Jesus was charismatic? **Gossiping Jesus** John W. Daniels Jr., 2013-09-10 Readers of the Gospels are typically attuned to the words of Jesus while paying comparatively little attention to what other characters in the narratives say about him. This innovative study of John's Gospel looks at the text through the lens of a routinely misunderstood mode of speech, namely gossip. Focusing on talk about Jesus in John, the author unpacks the intricate relationship between gossip and various social dynamics of Jesus' world, demonstrating how they collude to construct Jesus' identity. Ultimately, it is suggested that John presents a Jesus whose identity is elusive to both outsiders like the Pharisees and insiders like his disciples, and thus models the importance, if not the sheer necessity, of the ongoing public discourse around the question 'Who is Jesus?' The World of the New Testament Joel B. Green, Lee Martin McDonald, 2013-08-15 This volume addresses the most important issues related to the study of New Testament writings. Two respected senior scholars have brought together a team of distinguished specialists to introduce the Jewish Hellenistic and Roman backgrounds necessary for understanding the New Testament and the early church. Contributors include renowned scholars such as Lynn H. Cohick, David A. deSilva, James D. G. Dunn, and Ben Witherington III. The book includes seventy-five photographs, fifteen maps, numerous tables and charts, illustrations, and bibliographies. All students of the New Testament will value this reliable, up-to-date, comprehensive textbook and reference volume on the New Testament world.

The Tapestry of Early Christian

Discourse Vernon K. Robbins, 2002-11-01 This study establishes a concept of culture and then combines it with Geertz anthropological concept of thick description Subsequently the relation of texts to society and culture is discussed In this manner multiple methods of interpretation are used in an organized and programmatic way allowing the reader insights into the development of early Christianity In this study Vernon Robbins expounds and develops his system of socio rhetorical criticism bringing together social scientific and literary critical approaches to explore early Christianity This book investigates Christianity as a cultural phenomenon and treats its canonical texts as ideological constructs Portraits of Paul Bruce J. Malina, 1996-01-01 The authors focus on Paul to discern how ancient persons understood themselves other people and the world around them believing that biblical interpretation can be skewed if contemporary presuppositions about personality are imposed on history *The Great Betrayal* Sheldon W. Liebman, 2018-11-27 In the view of many contemporary scholars both Jesus and Judaism have been misrepresented by the church for the past two thousand years Their main point is that Judaism was not a superficial rigid and outdated religion and Jesus did not reject it In fact along with his disciples he remained a Law abiding Jew his entire life However as Christianity developed from a Jewish sect in the first century AD to the official religion of the Roman Empire in the fourth century the church was transformed Jesus was redefined and both Jews and their religion were repudiated and marginalized In short both Christians and Jews were deeply affected by what many scholars now call the de Judaization of Jesus This book is an attempt to correct the traditional theological and scholarly misinterpretations of Jesus and Judaism that emerged over the first four centuries of the life of the church **The Social World of the First Christians** John E. Stambaugh, David L. Balch, 1986 **Understanding the Bible** Stephen L. Harris, 1992 In 1854 Victorian miners fought a deadly battle under the flag of the Southern Cross at the Eureka Stockade Though brief and doomed to fail the battle is legend in both our history and in the Australian mind Henry Lawson wrote poems about it its symbolic flag is still raised and even the nineteenth century visitor Mark Twain called it a strike for liberty Was this rebellion a fledgling nation s first attempt to assert its independence under colonial rule Or was it merely rabbleroising by unruly miners determined not to pay their taxes In his inimitable style Peter FitzSimons gets into the hearts and minds of those on the battlefield and those behind the scenes bringing to life Australian legends on both sides of the rebellion

Unveiling the Magic of Words: A Review of "**Understanding The Social World Of The New Testament**"

In some sort of defined by information and interconnectivity, the enchanting power of words has acquired unparalleled significance. Their ability to kindle emotions, provoke contemplation, and ignite transformative change is really awe-inspiring. Enter the realm of "**Understanding The Social World Of The New Testament**," a mesmerizing literary masterpiece penned by way of a distinguished author, guiding readers on a profound journey to unravel the secrets and potential hidden within every word. In this critique, we shall delve into the book's central themes, examine its distinctive writing style, and assess its profound affect on the souls of its readers.
