Understanding Your Young Teen Practical Wisdom For Parents

Jim Burns

Understanding Your Young Teen Practical Wisdom For Parents:

Understanding Your Young Teen Mark Oestreicher, 2011-12-20 *Understanding Your Young Teen* is a book on early adolescent development for parents of young teens and pre teens Parents of young teens will 1 Gain an understanding of the unique and not always obvious realities of early adolescent development This new understanding can greatly enhance parents patience parenting approaches and relationship with their child 2 Review the developmental uniquenesses of the young teen years Most parents don't fully appreciate the changes that are taking place in their teens bodies minds and relationships This resource will give them a solid understanding of those areas 3 Explore new research and cultural changes Parents will get a better understanding of the changing landscape of teen culture and see how much has changed since they were young teens The bulk of the book will be based on the first half of Middle School Ministry The developmental chapters will be re written for parents and will not only include the developmental issues themselves but the practical implications for parenting and living with young teens A strong pro young teen bias will permeate the book as my affection for young teens and conviction that this age is a great opportunity for faith formation will be woven through all chapters While the book will be based on research and experience the tone will be conversational from one parent of young teens to others First person tense will be used throughout along with examples from my family and extensive involvement with young teens

Understanding Your Teen Jim Burns, 2017-11-14 *Parenting teenagers* is one of the biggest challenges parents face But fear not Tackling the realities of our day family expert Jim Burns shows how parents can help their teens attain a healthy self identity establish good relationships make wise decisions and grow in their relationship with God Whether you're facing serious troubles or looking for simple tips for a better family life this book offers help and hope **Bold Parenting** Lars Rood, 2013-12-01 What kind of parent does God want you to be Sometimes we think God calls us to raise children who follow the rules obey the speed limit cordially deliver apples to their teachers and help old ladies walk across the street We passionately focus on helping our kids shine in the classroom excel in sports and succeed in the arts But God has an even higher calling for you as a parent As you read the pages of *Bold Parenting* veteran youth worker Lars Rood a husband and father of three will challenge you to think more deeply and more clearly about the faith you're responsible for passing on to your children Lars will help you examine the traps we fall into as parents directing the spiritual journey of our kids and then he'll discuss resources and ideas that can help you to redirect the faith journey toward a rich robust real connection with Jesus *Bold Parenting* will help you discover the joy and rewards of passing on your faith story to your children And if you're a youth worker this book and its accompanying study questions will help you guide parents along this amazing journey

Parenting Brett Ullman, 2020-07-31 After more than two decades and over two thousand presentations my interactions with parents reveal that although most want to learn and parent their best they feel ill equipped Kids don't come with manuals The goal of this book is to equip and empower you as a parent grandparent or youth leader to help kids navigate all

aspects of life in the current culture How do we sift through the unending philosophies on parenting and be intentional in how we choose what's best for our family The number of voices is overwhelming This book distills the essential elements of parenting so you can apply them in your own home It approaches parenting from a Christian perspective and is filled with practical advice that is applicable to everyone As we explore the foundations of parenting we will look at Parenting What are the stages of parenting What is the current state of parenting What is the purpose of parenting Parenting styles What are they and which ones should I be using What might I need to alter about my current parenting style Progression of parenting What are the skills our children need to learn Time What does quality time and being present with my kids look like Communication How can I gain better communication skills so that I can more effectively connect with my kids Discipline How do I effectively discipline my children Family discipleship Why is our worldview important and how we can raise kids with a Christian worldview Mental Health How do we address issues like anxiety panic attacks and depression Engaging the Culture How do we empower our kids to engage the culture around us without compromising their faith Media How can we help our kids navigate technology Sexuality How do we direct our kids towards healthy sexuality Pornography What is the prevalence of pornography and how do we address its impact on our kids Dating How do we best avoid pitfalls in dating Finances and education How can we help our children make sound financial and education choices Drugs and alcohol What tools are available to assist in drug proofing our kids Loneliness How do we prevent disconnection in our kids and help them to create community

Serving Young Teens and 'Tweens Sheila B. Anderson, 2006-11-30 Notable teen experts and stellar practitioners from across the country explain why library service to adolescents in this age range is so important and how you can enhance your collection and services to accommodate and win over this important group Topics range from understanding adolescent informational needs and building and promoting a winning collection to creating programs with tween appeal Contributors include Sheila B Anderson James Rosinia Deb Taylor Robyn Lupa and Kristine Mahood Brimming with valuable insights and fresh ideas as well as nuts and bolts directions this is a must read for all librarians who work with young adolescents If someone is described as a young adult what image comes to mind In fact a young adult can be a twelve year old middle schooler or a high school graduate Libraries have traditionally offered a variety programs and services for YAs and although more emphasis has been given to serving teens in recent years little has been done to distinguish between groups within the category and meet the specific developmental needs of this broad range of library users This collection complements Anderson's previous collection *Serving Older Teens* by focusing on the needs of tweens and young teens ages 11-14 This is the age range when many young people stop using the library and lose interest in reading Notable teen experts and stellar practitioners from across the country explain why service to adolescents in this age range is so important and how you can enhance your collection and services to accommodate and win over this important group Topics range from understanding adolescent informational needs and building and promoting a winning collection to creating programs with

tween appeal Contributors include Sheila Anderson James Rosinia Deb Taylor Robyn Lupa Brenda Hager and Kristine Mahood Brimming with valuable insights and fresh ideas as well as nuts and bolts directions this is a must read for all librarians who work with young adolescents
